L. J. Underdue

Ripples Patricia Scanlan, 2008-11-17 The McHugh's marriage is on the rocks. Daughter Ciara worries that her mother and father are going to divorce. Lillian, Ciara's grandmother, is worried too. Since her bullying husband died, she has begun to enjoy a nice life of her own making. What if her son leaves his wife and comes home? Brenda Johnston, the other woman, is very happy. She has everything to gain if the McHughs divorce. Or does she? Meanwhile, Mike and Kathy Stuart, the McHughs' best friends, are beginning to wonder if the friendship can survive their divorce. Then, one terrible night, everything changes... From the Series Editor of Open Door The Open Door Series: Originally designed to promote adult literacy in Ireland, these original stories from best-loved authors and new voices showcase some of our best writing in short fiction.

And the Pond Ripples L. J. Underdue, 2016-12-14 My mother taught me that whatever one says or does it affects others . . . It has a ripple effect . . .

Ripples Aleatha Romig, 2017-10-31 Ripples: A Consequences Stand-alone Novel You don't have to read the Consequences series to enjoy this stand-alone novel, but if you know Tony Rawlings, you know that disappointing him isn't an option. Imagine being his youngest daughter... imagine telling him the unimaginable... "Those who don't know history are doomed to repeat it."

Sometimes ideas find you, and dreams begin as nightmares. Sometimes the truth that has been kept hidden is the key to opening a door you never knew existed. "You might not know me. I'm the baby of the Rawlings family, the princess, the daughter who came along later. I'm not like my older siblings, successful at everything they touch. My mother and father have provided me with every luxury as well as their unyielding love and support, but I'm not spoiled. I'm also not content. By example, my parents have shown me how love should be. I don't know their past, and that doesn't matter. I know what I've seen—two people devoted to one another. I don't believe that I'll ever find that kind of love, the kind that forgives and accepts all. And as my life falls to pieces and I travel to visit my family to face their disappointment, I'm not even looking for it. I'm looking for an escape...from my life as a Rawlings...from the pressure to achieve and not let others down. I dream of the time I can live for my own desires without the expectations that come with my name. I don't find what I'm seeking...it finds me. Or should I say...he finds me. This time is different. I have a family who will search for me and find the answers. Little do we know—any of us—that my father set my journey into motion long before I was born." Just as ripples spread out when a single pebble is dropped into water, the actions of individuals can have far-reaching effects. ~Dalai Lama Ripples (Unabridged Version) is Natalie's story, the youngest of Tony and Claire's children—their baby. This story first appeared in shorter form in Glamour: Contemporary Fairytale

Retellings. Due to the length restriction of each novella in that anthology, many scenes in Ripples were shortened or omitted for that anthology. This unabridged edition is the entire story—double in length and—a full-length novel. Please enjoy this Consequences novel along with special appearances from your favorite Consequences characters.

Ripples Geoffrey K. Watkins, 2002-05 Ripples is a collection of the most thought provoking and surprising essays from the long running newspaper column, Have You Ever Wondered? Written for busy adults who have never lost their childhood interest in the natural world, each essay looks at some aspect of the familiar, yet largely unconsidered world around us, from the Earth to the stars and all points between, but does it in a sprightly conversational and concise way. Sound like fun? It is. Welcome! Come on in, join us, and lets go exploring!

Ripples Anne Manning, 2002-05 [Science Fiction/Fantasy] Norah Barclay finally found love in old age, only to lose it to the inevitability of death. Even as she railed at God, she knew her own choices had led her down the path which led to her sitting by the deathbed of Egan Corey as he drew his last breath. But she is not alone, even in the stillness of the night. Her grief is shared by One who can see the whole of the fabric of our lives, who decides, . . .this time, for these two . . . Norah has a chance to set all to rights. Can she avoid the tangled web that trapped her in a spinster's loneliness and Egan in a forced marriage?

Rumbles & Ripples Anthony Moore, 2011-01-11 Life can be delightfully different daily ~ it never has to be the same. However, you cannot face the challenges that today presents if you persist with yesterday's mindset. This book challenges and encourages you to transform your thinking, energize your awareness and inspire your dreams ~ it points you toward purpose and destiny. Every quote and anecdote is designed to IMPACT (Intentionally Motivate People and Create Transformation). Make Rumbles and Ripples a part of your meditation. Impression without impact is empty.

Reflections in the Ripples Charles Barnett, 2014-06-19 A lake untroubled by the wind can be as reflective as a mirror. However, with the slightest breeze the surface is agitated and the reflection is no longer clearly represented. The reflection is distorted and the small details that make up the complete picture can no longer be discerned. Our lives are similar to lakes in this instance. We look upon our lives trying to see ourselves as we are but the surface is constantly moving and disturbed by the moments that define us. This is why we must look beneath the surface where no matter what commotions are occurring above, the image remains unaffected and motionless and things appear as they truly exist. Then we can properly envision our current state and make appropriate decisions to bring about necessary changes. We've been given a mirror, faultless and pristine, in which to gaze and evaluate ourselves from the image reflected. This mirror is God's Word. In it is truth and enlightenment for everyone who cares to search for the answers to all

questions. Find your “No-Wake Zone” where you can clearly evaluate your current situation and standing so you’ll be able to make quality choices to help bring about desired results.

Beyond the Ripples Dede Montgomery, 2019-04-29 How might a small decision you make, an action you take, a phone call you initiate change your path? Impact other lives? Months after spying a bottle wedged into a fallen cottonwood snag in the Columbia River, Ernest pulls it from the river. The bottle's note connects Ernest, an old man living in a tiny Oregon town, to teenage Annie, provoking a mysterious and sudden friendship between Ernest's daughter Amelia with Sarah, the daughter of the most recent resident of the home Annie once occupied. The two middle-aged women's quest to learn more about Annie and her secret introduces readers to stories about family members through backstory, and introduces new characters, all connected through the finding of the bottle. Together, Amelia and Sarah explore their unfinished business with their mothers, intimate relationships, and regrets over life choices as they embark on their personal searches for something bigger in their very different lives.

Ripples Rita Villa, 2012-01-27 When Evan was born Janet and Henry Noonan felt like something wasn't quite right. They carefully checked his tiny fingers and counted his toes, all there. They kissed his round pink belly and felt his pudgy freckle covered cheeks. Everything looked fine, yet something felt peculiar, a bit odd, even uncanny. How, what, when and why were constantly on the child's lips. It was not unusual to find him taste testing dirt, rocks, plants, and even spaghetti topped with whipped cream and chocolate sprinkles. By the time Evan turned four he had become quite opinionated about things and loved expressing his thoughts to anyone who'd listen. He'd have conversations with dogs, cats, birds, trees, flowers, ants, crickets, cockroaches, and even ladybugs. The bugs seemed to speak back, for he would talk, quietly listen, and then laugh or comment again. Could Janet and Henry ever understand the reason their son had such charisma? Would Nurse Anita Scofield come forward with the truth about the child's birth? How would the world, namely kindergarten, handle the presence of a Saint Francis want-to-be? Who is The Presence and why is he watching from afar? Will one innocent child and his simple acts of compassion save the human race from extinction?

How to Read a North Carolina Beach Orrin H. Pilkey, Tracy Monegan Rice, William J. Neal, 2014-06-30 Take a walk on the beach with three coastal experts who reveal the secrets and the science of the North Carolina shoreline. What makes sea foam? What are those tiny sand volcanoes along the

waterline? You'll find the answers to these questions and dozens more in this comprehensive field guide to the state's beaches, which shows visitors how to decipher the mysteries of the beach and interpret clues to an ever-changing geological story. Orrin Pilkey, Tracy Monegan Rice, and William Neal explore large-scale processes, such as the composition and interaction of wind, waves, and sand, as well as smaller features, such as bubble holes, drift lines, and black sands. In addition, coastal life forms large and small--from crabs and turtles to microscopic animals--are all discussed here. The concluding chapter contemplates the future of North Carolina beaches, considering the threats to their survival and assessing strategies for conservation. This indispensable beach book offers vacationers and naturalists a single source for learning to appreciate and preserve the natural features of a genuine state treasure. Ripples Laney Smith, 2017-06-07 Finally! Now, everything will be better. At least that is what Rachel Tucker is hoping for. After seven rocky years of marriage to her controlling, mentally abusive husband, Shane, Rachel has hope for a new beginning. That hope comes when Shane lands a new job and the family moves from Seattle to a beautiful, new lake house in a small town in Mississippi. It's just what Shane has always wanted! He finally has his wife and kids to himself - away from the watchful eyes of protective family and friends. With fantasies of a new beginning in her head, Rachel is excited for

this new road in life. However, her fantasies are smashed when reality sinks in. New job, new town, new house, new friends, new environment. Same old Shane. With her new friends rallied behind her, Rachel begins to see how frightening, cruel, and selfish Shane truly is. The mental abuse Shane dishes out begins to manifest in physical ways, and Rachel begins to fear for the lives of herself and her children. Hell-bent on breaking away, Rachel finds obscure ways to bank small sums of money in an effort to fund their escape. However, after a freakishly strange series of events leads to Shane Tucker's fated demise, one has to wonder how much of it was truly driven by fate. Everything in life is a ripple effect. The question is, what will Rachel do when a new set of Ripples forces her to choose between right and wrong? In this bizarre tale, what is right? And what is wrong? If you were in Rachel's shoes, what would you do?

British Fascism After the Holocaust Joe Mulhall, 2020-10-21 This book explores the policies and ideologies of a number of individuals and groups who attempted to relaunch fascist, antisemitic and racist politics in the wake of World War II and the Holocaust. Despite the leading architects of fascism being dead and the newsreel footage of Jewish bodies being pushed into mass graves seared into societal consciousness, fascism survived World War II and, though changed, survives to this day. Britain was the country that 'stood alone' against fascism, but it was no exception. This book treads new historical ground and shines a light onto the most understudied period of British fascism, whilst simultaneously adding to our understanding of the evolving ideology of fascism, the persistent nature of antisemitism and the blossoming of Britain's anti-immigration movement. This book will primarily appeal to scholars and students with an interest in the history of fascism, antisemitism and the Holocaust, racism, immigration and postwar Britain.

Ripples Caroline D. Meek, Olivia C. Rogers, 2013-07-01 *Ripples* . . . A thought starts out as an idea, a drop that falls into the vast ocean of your mind. It creates a ripple that grows. Eventually the inspiration meets another ripple, and together they expand, adding to each other. Soon the whole surface is covered with thoughts. But this is more than the surface - this is a brainstorm. A regular downpour of thought. And you can't stop water from spreading. A single drop becomes a river, which flows to an ocean. A

poem. Ripples is the first book in our collection of inspirational poetry.

Ripples 095 Introduction

In today's digital age, the availability of Ripples 095 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and

carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ripples 095 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ripples 095 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ripples 095 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ripples

095 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can

be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ripples 095 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ripples 095 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America,

which provides a vast collection of digitized books and historical documents. In conclusion, Ripples 095 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ripples 095 books and manuals for

download and embark on your journey of knowledge?
