Shadow Music Helaine Mario, 2021-09-21 Winner of the IPPY Gold Award, the National Indie Excellence Award, and the Foreword INDIES Gold Award Overcoming loss—finding the courage to move on—trying to stay alive Late in the Cold War, a young woman escapes from Communist Hungary, vanishing into the night with a priceless painting and a baby girl—setting events in motion from a decades-old secret that will change lives for generations to come. Many years later, classical pianist Maggie O'Shea is drawn to Cornwall in search of a long-lost Van Gogh and the truth behind her husband's death. A journal from World War II Paris holds many of the answers, but only two people know where the Van Gogh is hidden now—a courageous nun and a man presumed dead. Set against the backdrop of the international music and art world, Maggie finds herself on a collision course with three dangerous Russians who threaten all she holds dear—including her life and the life of the man she has come to love. Past and present converge in this haunting tale of loss, courage, love, and revenge. Perfect for fans of Sandra Brown and Iris Johansen While the novels in the Maggie O'Shea Mystery Series stand on their own and can be read in any order, the publication sequence is: The Lost Concerto Dark Rhapsody Shadow Music

On the Edge of the River Sar Rosalía de Castro, 2014-10-16 This book presents the first feminist translation of Rosalía de Castro's seminal poetic anthology En las orillas del Sar [On the Edge of the River Sar] (1884). Rosalía de Castro (1837-1885) was an artist of vast poetic vision. Her understanding of human nature and her deep sensitivity to the injustices suffered by women and by such marginalized peoples as those of her native region, Galicia, are manifest in verses of universal yet rarely translated significance. An outspoken proponent of both women's rights and her region's cultural and political autonomy, Castro used her poetry as a vehicle through which to decry the crushing hardships both groups endured as Spain vaulted between progressive liberal and conservative reactionary political forces throughout the nineteenth century. Depending upon what faction held sway in the nation at any given time during Castro's truncated literary career, her works were either revered as revolutionary or reviled as heretical for the views they espoused. Long after her death by uterine cancer in 1885, Castro was excluded from the pantheon of Spanish literature by Restoration society for her unorthodox views. Compellingly, the poet's conceptualization of the individual and the national self as informed by gender, ethnicity, class, and language echoes contemporary scholars of cultural studies who seek to broaden present-day definitions of national identity through the incorporation of precisely these same phenomena. Thanks to the most recent works in Rosalian and Galician studies, we are now able to recuperate and reevaluate Rosalía de Castro's poems in their original languages for the more radical symbolism and themes they foreground related to gender, sexuality, race and class as they inform individual and national identities. However, although Castro's poetic corpus is widely accessible in its original languages, these important features of her verses have yet to be given voice in the small number of English translations of only a sub-set of her works that have been produced in the last century. As a result, our understanding of Castro's potential contributions to contemporary world poetries, gender studies, Galician and more broadly cultural studies is woefully incomplete. An English translation of Castro's works that is specifically feminist in its methodological orientation offers a unique and thought-provoking means by which to fill this void.

Shadow Songs Dancing Leonard J. Griego, 2001-12 This is a book of poetry, a book about one man's fantasy. Poetry comes in many guises and is inspired by untold things, events and people. As with many people, I have had many experiences and some of them I wonder where the hell they came from. Those experiences have been the inspiration for much of what I have written. I have traveled all over the world and have met many wondrous people and they have been part of my inspiration. My love poems came in flashes some days and some days I agonized over a poem for long periods of time. My relationships with women have been a disaster, to say the least and I think the Creator gave me fantasy so I wouldn't despair too much. Somewhere, I was fortunate to glimpse, to be with, to touch, however briefly, beauty and grace, intelligence and style, innate kindness and humor in a woman. That was my inspiration for my love poems. Never mind that none of it worked out. I am eternally optimistic that somewhere that lady with the Celadon eyes will be waiting.

Land of Shadows Stig Dalager, 2011-09-05 The Jewish American-Danish lawyer, Jon Baeksgaard, and his Israeli born fiancée Eve, who works in a real-estate firm on the 86th Floor of the South-Tower of the World Trade Center are amongst the 9/11 victims caught in the conflagration. He tries to rescue her from the building, and the events following a murder case he is conducting for the defence of a Moslem client bring him and the co-workers of his small East village office into the midst of a tense political situation. The natural fear and anger in the wake of 9/11 give rise to prejudice and the threat of compounding injustice arising through the public outrage committed against New York city. The love between Jon and Eve is of central to the story, which eventually leads the reader to Jerusalem and Hebron.

The Shadows We Mistake for Love Tom Wayman,2015-10-03 Living in the shadow of the Selkirk Mountains in southeastern BC, the inhabitants of the Slocan Valley are tied together by magical and dramatic geography, but also by an intricate web of shared history, common needs and the deep and complex relationships that evolve in isolated locations, where everyone is visible and there is no anonymity. Tom Wayman's new short story collection, The Shadows We Mistake for Love, brings together loggers and environmentalists, marijuana growers and small-town lawyers, back-country skiers and homesteaders, to overlap and coalesce into a brilliant portrait of rural life and place. Beneath the valley's idyllic surface, conflict and tension flourish among its inhabitants, ranging from the intimate to the political. In the title story, the protagonist is drawn into an environmental activist group and a relationship with the group's charismatic leader, but having a child quickly brings home the painful realities of the new life she's chosen. Other stories depict the changes that are altering the social landscape of the valley, from the ubiquity of the Internet to an influx of affluent new residents. These developments emphasize the ways in which the sometimes rawer and more visible dramas of rural life reflect similar tensions in communities everywhere.

Dancing in Shadows Anna Haebich,2018 Dancing in Shadows explores the power of Indigenous performance pitted against the forces of settler colonisation. Historian Anna Haebich documents how the Nyungar people of Western Australia strategically and courageously adapted their rich performance culture to survive the catastrophe that engulfed them, and continue to generously share their culture, history, and language in theatre. In public corroborees, they performed their sovereignty to the colonists, and in community-only gatherings they danced and sang to bring forth resilience and spiritual healing. Pushed away by the colonists and denied their culture and lands, they continued to live and perform in the shadows over the years in combinations of the old and the new, including indigenised settler songs and dances. Nyungar people survived, and they now number around 40,000 people and constitute the largest Aboriginal nation in the Australian settler state. The ancient family lineages live in city suburbs and country towns, and they continue to perform to celebrate their ancestors and to strengthen community well-being by being together. Dancing in Shadows sheds light on the little-known history of Nyungar performance. [Subject: Theatre Studies, Sociology, History, Australian History, Aboriginal Studies]

Shadows You Left Jude Sierra,Taylor Brooke,2019-05-20 ERIK The white picket fence. The happily-ever-after. That life was never meant for him. For years he's been bouncing from city to city—from one cage fight to another. That's his outlet. That's pain Erik can control. But in Seattle, everything changed. River's an artist. He's a pretty boy. He does yoga. Someone so soft shouldn't be intrigued by Erik's rough edges. RIVER His life was quiet. He had a simple routine. Designing tattoos, avoiding drama. Well, mostly. Then Erik comes along—scarred and dangerous, shrouded in mystery. A mystery River can't resist trying to solve. Maybe a secret as dark as his own. Neither of them expected a relationship so complicated, so intense. Neither of them expected...each other. Erik and River are both trying to escape a shadowed past. But the thing about shadows is: the faster you run, the faster they chase you.
