Rainbow Six Tom Clancy,1999-09-01 In this #1 New York Times bestselling John Clark thriller, author Tom Clancy takes readers into the shadowy world of anti-terrorism and gets closer to reality than any government would care to admit... Ex-Navy SEAL John Clark has been named the head of Rainbow, an international task force dedicated to combating terrorism. In a trial by fire, Clark is confronted with a violent chain of seemingly separate international incidents. But there is no way to predict the real threat: a group of terrorists like none the world has ever encountered, a band of men and women so extreme that their success could literally mean the end of life on earth as we know it.

John Dies at the End David Wong,Jason Pargin,2009-09-29 Jon Dies at the End is a genre-bending, humorous account of two college drop-outs inadvertently charged with saving their small town--and the world--from a host of supernatural and paranormal invasions. Now a Major Motion Picture. [Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement. —Don Coscarelli, director, *Phantasm I-V*, *Bubba Ho-tep* STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.
