Rock Me Cherrie Lynn, 2017-08-03 Candace Andrews has had enough of pleasing others. In an act of birthday rebellion, she sets out to please herself-by walking into the tattoo parlor owned by her cousin's ex-boyfriend. All she wants is a little ink, and Brian's just the guy to give it to her. As soon as she submits to his masterful hands, though, the forbidden attraction she's always felt for him resurfaces...and she realizes the devilishly sexy artist could give her so much more. Sweet, innocent Candace is the last person Brian expected to see again. She's everything he's not, and her family despises him. He doesn't need the hassle, but he needs her, and this time no one is taking her away. Not even those who threaten to make his life a living hell. Backed into a corner, Candace faces the worst kind of choice. Cave in to those who think Brian is a living nightmare...or hold her ground and risk it all for the one man who rocks her world. Each story in the Ross Siblings Series is standalone story that can be enjoyed in any order. Series Order: Book #1: Unleashed Book #2: Rock Me Book #2.5: Breathe Me In Book #3: Leave Me Breathless Book #3.5: Light Me Up Book #4: Take Me On Book #5: Watch Me Fall

Rock N Roll Gold Rush Maury Dean, 2003 This monster Rock-n-Roll survey focuses on the songs and the vibrant personalities who create them, for college audiences and the general public. Dean published the world's first history of Rock in 1966. Here, in his ebullient style, he buzzes through piles of musical singles from the whole last half century, describing what is fun about each major and minor hit, pointing out what elements were exciting or new or significant in the development of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. Hearing Elvis for

the first time was like busting out of jail. - Bob Dylan That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. There's nothing in here to hide from the kids, the clergy or grandma. Gold Rush can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. Gold Rush takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. Gold Rush unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's Movie Guide helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. Gold Rush explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike Gold Rush to the #1 songs of today and beyond.

Chicago Top 40 Charts 1970-1979 Ronald Smith,2001-11 *Chicago Top 40 Charts 1970-1979* examines the Windy City's top hits as documented by the weekly record store surveys issued by radio station WLS. As rock 'n' roll music entered its third decade, it was finding itself increasingly fragmented, which challenged the ratings dominance top 40 radio had exhibited throughout the 1960s. But while FM listening overtook AM in the rest of the country by the decade's end, Chicago was the exception. WLS managed to stave off its competition with their commitment to playing Chicago's favorite music- regardless of genre. That music is documented in this book. *Chicago Top 40 Charts 1970-1979* lists every song to reach the WLS survey alphabetically by title and artist, with debut and peak dates, highest position reached and number of weeks on the charts. The top songs of each year and for the entire decade are ranked as well. As an added bonus, it features the Big 89 Artists of the 1970s. For those who grew up listening to Chicago radio as well as for record collectors from anywhere, *Chicago Top 40 Charts 1970-1979* will be a valued addition to their music reference libraries.
