Rocky Ride Vivian Arend,2014-06-01 From New York Times bestselling author Vivian Arend. --- He's hotter than hot Bad boy Mitch Thompson finally convinced straight-laced Constable Anna Coleman to take him for a ride. It only took a few—okay, a lot of speeding tickets and some smooth talking—but now that Anna's loosened off her stiff RCMP uniform, it's not nearly enough for Mitch. Their secret escapades are steamy and mind-blowing, but he wants more than her body—he wants her heart. She's afraid of getting burned Anna doesn't know how far she can safely go before she crosses the line. Sinfully sexy Mitch may have lured her wild side out to play, but giving in to more and more illicit desires could endanger her very civilized career on the police force. There has to be a point between yearning and obsession. Or is there? Will giving in mean giving up everything she's worked for, or will they gain everything they've ever wanted? Keywords: Canadian Author, blue collar, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.

Tales of a Young Rider Patrice Engle Spyrka,2021-04-12 *Tales of a Young Rider* is a book based on the adventures of a young girl, Leah, who grew up at the YMCA of the Rockies, Snow Mountain Ranch. Leah kept her horses with Rudy and Clara Belle Just, who were original Colorado Homesteaders. Sitting by the wood-burning stove in their log cabin ranch house, Rudy and Clara Belle taught Leah what it was like to be homesteaders; the values of life, caring for ranch animals, managing the land, cooking ranch food, and so many other aspects of pioneer living. In the stories that Leah tells, many of life's lessons come alive from the back of a horse. Chickens, rabbits, goats, and sheep become her friends while bears, lightning, outlaws, and mountain lions add adventure to the mix. Life was much more than just a simple trail ride in the Rocky Mountains. Here is a book that can be enjoyed by children, their parents and

grandparents, much in the way Leah learned by listening to the stories from Rudy and Clara Belle. Included are the recipes of pioneers and activities to make the book an adventure for everyone.

The Mysterious Rider Zane Grey,2021-04-12 A September sun, losing some of its heat if not its brilliance, was dropping low in the west over the black Colorado range. Purple haze began to thicken in the timbered notches. Gray foothills, round and billowy, rolled down from the higher country. They were smooth, sweeping, with long velvety slopes and isolated patches of aspens that blazed in autumn gold. Splotches of red vine colored the soft gray of sage. Old White Slides, a mountain scarred by avalanche, towered with bleak rocky peak above the valley, sheltering it from the north.A girl rode along the slope, with gaze on the sweep and range and color of the mountain fastness that was her home. She followed an old trail which led to a bluff overlooking an arm of the valley. Once it had been a familiar lookout for her, but she had not visited the place of late. It was associated with serious hours of her life. Here seven years before, when she was twelve, she had made a hard choice to please her guardian-the old rancher whom she loved and called father, who had indeed been a father to her. That choice had been to go to school in Denver. Four years she had lived away from her beloved gray hills and black mountains. Only once since her return had she climbed to this height, and that occasion, too, was memorable as an unhappy hour. It had been three years ago. To-day girlish ordeals and griefs seemed back in the past: she was a woman at nineteen and face to face with the first great problem in her life.The trail came up back of the bluff, through a clump of aspens with white trunks and yellow fluttering leaves, and led across a level bench of luxuriant grass and wild flowers to the rocky edge.
