David Yarrow Photography David Yarrow,2019-10-01 The must-have photography monograph of the year, this lavish oversized volume celebrates David Yarrow's unparalleled wildlife imagery. For more than two decades, legendary British photographer David Yarrow has been putting himself in harm's way to capture immersive and evocative photography of the world's most revered and endangered species. With his images heightening awareness of those species and also raising huge sums for charity and conservation, he is one of the most relevant photographers in the world today. Featuring Yarrow's 150 most iconic photographs, this book offers a truly unmatched view of some of the world's most compelling animals. The collection of stunning images, paired with Yarrow's first-person contextual narrative, offers insight into a man who will not accept second best in his relentless pursuit of excellence. David Yarrow Photography offers a balanced retrospective of his spectacular work in the wild and his staged storytelling work, which has earned him wide acclaim in the fine-art market. Yarrow rarely just takes pictures--he almost always makes them. This approach sets him apart from others in the field. Yarrow's work will awaken our collective conscience, and--true to form--he plans to donate all the royalties from this book to conservation

Reckless Grace Bill Vanderbush,Brit Eaton,2020-09-01 Grace is the ultimate expression of love. We all know we need grace and forgiveness, but why is it so difficult to extend them to ourselves and others? In Reckless Grace, Bill Vanderbush and Brit Eaton challenge our understanding of forgiveness with powerful biblical evidence and show us how to step into the fullness of grace, bringing reconciliation and restoration to our relationships using: - practical steps and accessible tools to help identify and overcome barriers to grace - carefully crafted exercises and reflections that explore past and present hurts and work toward healing - gentle guidance in becoming gospel-centered and releasing grace into a fallen world. God isn't reckless, but the way he extends grace defies all reason. We can learn to freely give what we have been freely gifted.

Exploiting My Baby Teresa Strasser,2011-01-04 Teresa Strasser made her baby a spleen and some eyebrows. He got her a book deal. Everyone loves babies-and pregnant women-so TV and radio personality Teresa Strasser decided to use this obsession to her advantage. She came up with a way to provide for her newfound family and help other mommies-to-be with this down- and-dirty memoir about first-time pregnancy. An award-winning writer, Teresa is achingly honest about the motherhood she begins experiencing at age thirty-eight. With a biting sense of humor and heart, she portrays the tribulations that come with each trimester, from nausea, weight gain, and bladder infections to dealing with those other kinds of pregnant women. (You know the ones. The ones who glow-and gloat about it.) Exploiting My Baby is a must-read for anyone pregnant, trying to get pregnant, or who is just more crazy than baby-crazy. Hopping on a trail pioneered by such lions as Laura Ingalls Wilder, Erma Bombeck, and Tori Spelling, Teresa has no problem using her pregnancy, childbirth and difficult relationship with her own mother for material. It's her blunt and plain-spoken approach to exploiting her family for literary success that sets her apart. Watch a Video

Reclaimers Ana Maria Spagna,2015-09-01 For most of the past century, Humbug Valley, a forest-hemmed meadow sacred to the Mountain Maidu tribe, was in the grip of a utility company. Washington's White Salmon River was saddled with a fish-obstructing, inefficient dam, and the Timbisha Shoshone Homeland was unacknowledged within the boundaries of Death Valley National Park. Until people decided to reclaim them. In *Reclaimers*, Ana Maria Spagna drives an aging Buick up and down the long strip of West Coast mountain ranges—the Panamints, the Sierras, the Cascades—and alongside rivers to meet the people, many of them wise women, who persevered for decades with little hope of success to make changes happen. In uncovering their heroic stories, Spagna seeks a way for herself, and for all of us, to take back and to make right in a time of unsettling ecological change.

Perfect for Lent or any time of year, this series will help you find and form an answer to the most essential question in the Christian faith, Who do you say I am? One by one, Jesus' statements grab our imagination, reveal more about his identity and purpose, and connect us to the God of Moses, who spoke the first I Am. Textbook Amy Krouse Rosenthal Amy Krouse Rosenthal,2020-04-14 The bestselling author of *Encyclopedia of an Ordinary Life* returns with a literary experience that is unprecedented, unforgettable, and explosively human. Ten years after her beloved, groundbreaking *Encyclopedia of an Ordinary Life*, #1 New York Times bestselling author Amy Krouse Rosenthal delivers a book full of her distinct blend of nonlinear narrative, wistful reflections, and insightful wit. It is a mighty, life-affirming work that sheds light on all the ordinary and extraordinary ways we are connected. Like she did with *Encyclopedia of an Ordinary Life*, Amy Krouse Rosenthal ingeniously adapts a standard format—a textbook, this time—to explore life's lessons and experiences into a funny, wise, and poignant work of art. Not exactly a memoir, not just a collection of observations, *Textbook Amy Krouse Rosenthal* is a beautiful exploration into the many ways we are connected on this planet and speaks to the awe, bewilderment, and poignancy of being alive. “...a groundbreaking new twist on the traditional literary experience... *Textbook* is a delightful collection of interesting scenarios that directly point to life lessons. Rosenthal manages to spotlight grand moments and everyday moments with equal curiosity, proving that it can be both a privilege – and petrifying – to peek into one's humanity.”—Associated Press “Rosenthal is a marvel... a talented storyteller with an experimental flair for formatting... This engaging, playful, and clever glimpse into one woman's life offers lots of photographs, graphic illustrations, and diagrams, resulting in a book that will make readers smile as their notions of story delivery expand.” —Booklist

Without My Asking Robert Cording,2019 In poems that range from New England to the Southwest, *Without My Asking*, takes its cue from Psalms 90's petition--teach us to number our days. That biblical sense of limits--of what we can know and not know--and, ultimately, the mystery of before and after that encloses our existence is the center around which these poems turn, both seasonally and from day-to-day. In poems that attend to the events of our lives--from the deaths of parents to hummingbirds at a bird feeder--these poems work to utter Yes to all that happens, that peculiar affirmative that recognizes, as Elizabeth Bishop says, Life's like that . . . also death.

A History of Experimental Film and Video A.L. Rees,2019-07-25 Avant-garde film is almost indefinable. It is in a constant state of change and redefinition. In his highly-acclaimed history of experimental film, A.L. Rees tracks the movement of the film avant-garde between the cinema and modern art (with its postmodern coda). But he also reconstitutes the film avant-garde as an independent form of art practice with its own internal logic and aesthetic discourse. In this revised and updated edition, Rees introduces experimental film and video to new readers interested in the wider cinema, as well as offering a guide to enthusiasts of avant-garde film and new media arts. Ranging from Cézanne and Dada, via Cocteau, Brakhage and Le Grice, to the new wave of British film and video artists from the 1990s to the present day, this expansive study situates avant-garde film between the cinema and the gallery, with many links to sonic as well as visual arts. The new edition includes a review of current scholarship in avant-garde film history and includes updated reading and viewing lists. It also features a new

introduction and concluding chapter, which assess the rise of video projection in the gallery since the millennium, and describe new work by the latest generation of experimental film-makers. The new edition is richly illustrated with images of the art works discussed.
