Wilhelm Walloth

Romance of Imperial Rome Elizabeth Williams

Champney,1910

Antinous Adolf Hausrath,1882

Surrender to the Roman M.K. Chester,2012-04-09 As the Romans storm the last stronghold of Dacia, Princess Ademeni awaits her fate. Taken as a slave, she is deposited into General Marcus Cordovis's home as a gift. Driven to avenge her family, Ademeni plots to kill her captor and escape. Though not the cruel victor she expects, Marcus keeps her too close to make escape easy—so close that Ademeni is soon tormented by an unbidden, traitorous attraction. In a moment of weakness, a passionate kiss almost undoes them both. But the handsome, widowed general has another surprise for Ademeni: a young daughter. Marcus dares ask Ademeni to help him bridge the gap between him and his little girl. And now, Ademeni is growing too fond of those she is supposed to despise. As Marcus prepares for the triumphal march and the opening of the gladiatorial games—where captives of her homeland will be sacrificed—Ademeni readies for her own battle—between revenge and love. 59,000 words
