**New Masters of Poster Design** John Foster, 2008-04-30 New in Paperback! In much the way that the CD replaced the album, the poster has waned as a messaging vehicle. The poster has now become a postcard and e-mail blast, leaving many to long for the lost age when posters were not only major promotional vehicles, but also artwork worthy of framing. Some of the world's best designers just could not stand idle while the poster fell by the wayside. They turned to the poster for personal expression and as an outlet from more restrictive mediums. This book showcases their breathtaking artwork, which has proven that the poster can still serve as a worthy communications tool. In doing so, they've brought the poster back to prominence. In this book, John Foster has compiled the world's finest new work at the height of this rebirth. There is currently no book on the market that can claim it features a definitive poster collection.

*Poster Design (Classic Reprint)* Charles Matlack Price, 2017-10-21 Excerpt from Poster Design In the preparation of this book the author was prompted by various considerations, and in its presentation has endeavored to give to these several considerations their proper relative importance. While the book is designed to possess a certain historical value, it is intended primarily to develop an accurate, intelligent, comprehensive and basic critical analysis of poster design in Europe and America. The illustrations, covering the entire range of significant posters to the present date, have been selected and arranged with much care, and with an idea of showing the underlying principles involved in

poster-design with the greatest clearness, and only by examples which are the best from the greatest number of points of excellency, taking into consideration the several elements entering into their design. *Communicating Process Architectures 2001* World Occam and Transputer User Group. Technical Meeting,World Occam and Transputer User Group, Technical Meeting,2001 Concurrency is an integral part of everyday life. The concept is so ingrained in our existence that we benefit from it without realizing. When faced with a taxing problem, we automatically involve others to solve it more easily. Such concurrent solutions to a complex problem may, however, not be quite straightforward and communication becomes crucial to ensure the successful solution of the problem.

**Dragon Collector** Minerva Howe,2021-01-27 Dragon shifter Eagan Drake knows Oliver Reaver is his mate. He's known it since

they met, when Ollie braved Eagan's brother's den to try to save his business partner and best friend, Devon. The problem is, Ollie is convinced that Eagan needs a dragon mate, and that he's just an ordinary human. Ollie loves Eagan desperately. He knows he should just leave and let Eagan find his true mate, but he keeps being drawn back to his dragon's side. When a dangerous vampire starts to stalk Ollie at his bookshop, he finally gives in and asks Eagan if he can come home to stay. Now, if Ollie can just stop being the king of denial, Eagan knows Ollie can give him what he wants most. All his love, and a family of his own. But will Eagan be able to convince Ollie that he's a very special mate and let their dragons soar together?

**Kubernetes in Production Best Practices** Aly Saleh, Murat Karslioglu, 2021-03-12 Design, build, and operate scalable and reliable Kubernetes infrastructure for production Key Features Implement industry best practices to build and manage production-grade Kubernetes infrastructure Learn how to architect scalable Kubernetes clusters, harden container security, and fine-tune resource management Understand, manage, and operate complex business workloads confidently Book Description Although out-of-the-box solutions can help you to get a cluster up and running quickly, running a Kubernetes cluster that is optimized for production workloads is a challenge, especially for users with basic or intermediate knowledge. With detailed coverage of cloud industry standards and best practices for achieving scalability, availability, operational excellence, and cost optimization, this Kubernetes book is a blueprint for managing applications and services in production. You'll discover the most common way to deploy and operate Kubernetes clusters, which is to use a public cloud-managed service from AWS, Azure, or Google Cloud Platform (GCP). This book explores Amazon Elastic Kubernetes Service (Amazon EKS), the AWS-managed version of Kubernetes, for working through practical exercises. As you get to grips with implementation details specific to AWS and EKS, you'll understand

the design concepts, implementation best practices, and configuration applicable to other cloud-managed services. Throughout the book, you'll also discover standard and cloud-agnostic tools, such as Terraform and Ansible, for provisioning and configuring infrastructure. By the end of this book, you'll be able to leverage Kubernetes to operate and manage your production environments confidently. What you will learn

- Explore different infrastructure architectures for Kubernetes deployment
- Implement optimal open source and commercial storage management solutions
- Apply best practices for provisioning and configuring Kubernetes clusters, including infrastructure as code (IaC) and configuration as code (CAC)
- Configure the cluster networking plugin and core networking components to get the best out of them
- Secure your Kubernetes environment using the latest tools and best practices
- Deploy core observability stacks, such as monitoring and logging, to fine-tune your infrastructure

Who this book is for This book is for cloud infrastructure experts, DevOps engineers, site reliability engineers, and engineering managers looking to design and operate Kubernetes infrastructure for production. Basic knowledge of Kubernetes, Terraform, Ansible, Linux, and AWS is needed to get the most out of this book.

### **How to Draw the Human Figure** José María Parramón, 1990

Offers a detailed study of the anatomical structure of the human body, and provides tips on motion, proportion, and shading the figures.

*Invisible Residents* Ivan T. Sanderson, 1973-07

### **Figure Study Made Easy** Aditya Chari, 2005-01-01

**Subject Covered:** The human figure is a three dimensional structure of solid blocks having weight and to draw it convincingly you must learn how to create an illusion of solid form on a two dimensional sheet of paper. The topics in this book are arranged conveniently in step by step sequential chapters, which will show you how to capture the spirit and evolution of the figure. This will streamline your thoughts and result in capturing the essence of the figure in

the shortest time. The approach of this book is based on teachings of the great masters of this subject which resulted in fine drawings of unforgettable strength and beauty. This book explains all the necessary guidelines towards the proper study of the human figure. Whether you want to learn figure drawing as a hobby or make a career out of it, the simple instructions in this book will help you in achieving that goal. Remember the key to successful drawing of the human figure is to practise one concept at a time.

*Sexual Secrets: Twentieth Anniversary Edition* Nik Douglas, Penny Slinger, 1999-12-01 • The #1 guide to sex and mysticism, redesigned in full color for the new millennium. • More than 600 illustrations of the erotic sentiment, 199 in full color. • More than 1 million copies sold with translations in 19 languages. • Combines the wisdom of the great Eastern sages with images from the West to present a celebration of creative sexuality. *Sexual Secrets* is the definitive guide to sex and mysticism, revealing the wisdom of the sages of India, Nepal, Tibet, China, and Japan whose teachings on sexuality unveil how physical love can be the pathway to spiritual liberation. Containing more than 600 illustrations--the most comprehensive collection of images expressing the erotic sentiment--and with more than one million copies sold in more than 19 languages, *Sexual Secrets* unlocks for everyone the experience of ecstasy once sealed in the ancient texts and art of the East. In celebration of its 20th year in print, *Sexual Secrets* has been completely revised and redesigned and includes 199 color illustrations to complement Penny Slinger's unsurpassed black-and-white illustrations, which evoke all the major cultures of the East. Working from contemporary models and from ancient pieces originally commissioned by kings and emperors, Slinger blends images of the West with the sentiments of the East to further enhance the experience of the text and to help in the transmission of the secrets--a celebration of creative sexuality.
