Your DNA Guide - the Book Diahan Southard, 2020-02-26 You don't have to learn everything about genetic genealogy before asking specific questions of your DNA! That's the premise of Diahan Southard's brand new book, *Your DNA Guide - the Book*, now available for pre-order at a special sale price. *Your DNA Guide - the Book* is like no other genetic genealogy book on the market. Instead of learning more-than-you-need-to-know in textbook style, you'll choose a specific DNA question to start exploring right away. You'll follow concrete step-by-step plans, learning important DNA concepts--in plain English--as you go. Do you want to learn who your 2X great grandmother is? Turn to page 23. Do you want to know how you are related to one of your DNA matches? Page 37. As you proceed, you check your progress and get new guidance based on your specific results at each stage. (Including troubleshooting, like when your matches just aren't responding or your great-grandparents turn out to be first cousins.) This powerful, hands-on approach is based on Diahan's 20 years of experience in the genetic genealogy industry and especially in the past five years, as she helps clients one-on-one make DNA discoveries. It became clear to her that while each client's situation may be unique, there are patterns in how you can find solutions that you can apply yourself. *Your DNA Guide - the Book* is for anyone who has taken a DNA test or may want to. It helps genealogists reconstruct family trees. It helps adoptees identify biological relatives. It can help you identify a specific DNA match. In short, it helps anyone explore what their DNA--and their DNA matches--can tell them about their origins.

Genealogy Online For Dummies Matthew L. Helm, April Leigh Helm, 2008-03-31 Researching your genealogy online is like being a kid in a candy store. So many neat things catch your eye that it's difficult to decide which one to try. That's where *Genealogy Online For Dummies*, 5th Edition comes in. This completely practical handbook helps you become a smart, discriminating researcher from the moment you start your investigation. Unlike other genealogy books, this easy-to-use guide does more than show you how to access and use online resources; it lays out a sensible organized process you can follow to make your research more efficient and achieve your genealogical goal faster. You'll learn how to start your research before you go online, understand traditional methods of genealogy, identify Web sites that will be most helpful to your research, get vital information and statistics from government records, and much, much more Discover how to: Use basic online and offline research techniques Develop a plan for your research Integrate Internet resources to achieve your genealogical goal Create Web sites where family members can make

contact Access domestic records for births, deaths, immigration, and more Research ethnic ancestry through international records Verify what you find Protect your research Complete with a companion CD-ROM packed with valuable genealogy software, Genealogy Online For Dummies puts you in touch with all of the tools, resources, methods, and know-how you need to make your research into your family history a total success.

Organize Your Genealogy Drew Smith, 2016-07-01 Get Your Research in Order! Stop struggling to manage all your genealogy facts, files, and data--make a plan of attack to maximize your progress. Organize Your Genealogy will show you how to use tried-and-true methods and the latest tech tools and genealogy software to organize your research plan, workspace, and family-history finds. In this book, you'll learn how to organize your time and resources, including how to set goals and objectives, determine workable research questions, sort paper and digital documents, keep track of physical and online correspondence, prepare for a research trip, and follow a skill-building plan. With this comprehensive guide, you'll make the most of your research time and energy and put yourself on a road to genealogy success. Organize Your Genealogy features: • Secrets to developing organized habits that will maximize your research time and progress • Hints for setting up the right physical and online workspaces • Proven, useful systems for organizing paper and electronic documents • Tips for managing genealogy projects and goals • The best tools for organizing every aspect of your ancestry research • Easy-to-use checklists and worksheets to apply the book's strategies Whether you're a newbie seeking best practices to get started or a seasoned researcher looking for new and better ways of getting organized, this guide will help you manage every facet of your ancestry research.

Bringing Your Family History to Life Through Social History Katherine Scott Sturdevant, 2000 Katherine Scott Sturdevant shows you how to use social history -- the study of ordinary people's everyday lives -- to add depth, detail, and drama to your family's saga. Book jacket.

Root Magic Eden Royce, 2021-01-05 "A poignant, necessary entry into the children's literary canon, Root Magic brings to life the history and culture of Gullah people while highlighting the timeless plight of Black Americans. Add in a fun, magical adventure and you get everything I want in a book!"—Justina Ireland, New York Times bestselling author of Dread Nation Debut author Eden Royce arrives with a wondrous story of love, bravery, friendship, and family, filled to the brim with magic great and small. It's 1963, and things are changing for Jezebel Turner. Her beloved grandmother has just passed away. The local police deputy won't stop harassing her family. With school integration arriving in South Carolina, Jez and her twin brother, Jay, are about to begin the school year with a bunch of new kids. But the biggest change comes when Jez and Jay turn eleven— and their uncle, Doc, tells them he's going to train them in rootwork. Jez and Jay have always been fascinated by the African American folk magic that has been the legacy of their family for generations—especially the curious potions and powders Doc and Gran would make for the people on their island. But Jez soon finds out that her family's true power goes far beyond small charms and elixirs...and not a moment too soon. Because when evil both natural and supernatural comes to show itself in town, it's going to take every bit of the magic she has inside her to see her through. Walter Dean Myers Honor Award for Outstanding Children's Literature!

Black Magic Yvonne P. Chireau, 2006-11-20 Chireau has written a marvelous text on an important dimension of African American religious culture. Expanding beyond the usual focus of scholarship on Christianity, she describes and analyzes the world of magical-medical-religious practice, challenging hallowed distinctions among religion and magic. Anyone interested in African American religion will need to reckon seriously with Chireau's text on conjure.—Albert J. Raboteau, Princeton University Deprived of their own traditions and defined as chattel, enslaved Africans formed a new orientation in America. Conjuring—operating alongside of and within both the remnants of African culture and the acquired traditions of North America—served as a theoretical and practical mode of deciphering and divining within this, enabling them to create an alternate meaning of life in the New World. Chireau's is the first full-scale treatment of this important dimension of African American culture and religion. A wonderful

book!—Charles H. Long, Professor of History of Religions University of California, Santa Barbara and author of Significations: Signs, Symbols and Images in the Interpretation of Religion

Whether you're searching in a grandparent's attic or through the most cryptic archiving systems, this book has brand-new chapters on what readers have been asking for: Genetics, DNA, and medical information Surname origins and naming Appendix on major genealogical repositories, libraries, and archives Systems for filing and organizing The latest computer software Land, probate, and estate records Chock-full of tips the competitors don't have, this is the one-stop resource for successful sleuthing!

Hexaflexagons, Probability Paradoxes, and the Tower of Hanoi Martin Gardner, 2008-09-08 The first of fifteen updated editions of the collected Mathematical Games of Martin Gardner, king of recreational mathematics.

This Poison Heart Kalynn Bayron, 2021-06-29 Darkness blooms in bestselling author Kalynn Bayron's new contemporary fantasy about a girl with a unique and deadly power. Briseis has a gift: with a single touch she can grow plants from tiny seeds to rich blooms. When Briseis's aunt dies and wills her a dilapidated estate in rural New York, Bri and her parents hope that surrounded by plants and flowers, she will finally learn to control her gift. But their new home is sinister in ways they never expected—it comes with a mysterious set of instructions, a walled garden filled with the deadliest botanicals in the world, and generations of secrets. There is more to Bri's sudden inheritance than she could have imagined, and she is determined to uncover it. From the bestselling author of Cinderella Is Dead comes an enchanting story about a young woman with the power to conquer the dark forces descending around her.

The Top Books of the Year Rootsmagic Essentials The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Let's delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Rootsmagic Essentials : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Rootsmagic Essentials : Taylor Jenkins Reid "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Rootsmagic Essentials : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and

danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
