Kristin Hannah

Missionary Stew Ross Thomas,2007-04-01 Missionary Stew follows political fundraiser Draper Haere on a quest to uncover the secret behind a right-wing coup in an unnamed Central American country. Haere seeks the information in order to get dirt on his boss's opponent in the 1984 US Presidential election. Haere's pursuit of the truth repeatedly puts Haere's life in danger, as the powers-that-be stop at nothing to keep the episode buried. Along the way, Haere carries on an affair with the wife of his candidate and enlists the aid of Morgan Citron, an almost-Pulitzer winning journalist who has recently been released from an African prison where the prisoners were fed human flesh--the titular missionary stew. Together Citron and Haere face up against cocaine traffickers, Latin American generals, corrupt US officials, and Citron's estranged, tabloid-publisher mother.

The Marlowe Papers Ros Barber,2013-01-29 Winner of the 2013 Desmond Elliott Prize Longlisted for the 2013 Women's Prize for Fiction You're the author of the greatest plays of all time. But nobody knows. And if it gets out, you're dead. On May 30, 1593, a celebrated young playwright was killed in a tavern brawl in London. That, at least, was the official version. Now Christopher Marlowe reveals the truth: that his death was an elaborate ruse to avoid a conviction of heresy; that he was spirited across the English Channel to live on in lonely exile; that he continued to write plays and poetry, hiding behind the name of a colorless man from Stratford--one William Shakespeare. With the grip of a thriller and the emotional force of a sonnet, this remarkable novel in verse gives voice to a man who was brilliant, passionate, and mercurial. A cobbler's son who counted nobles among his friends, a spy in the Queen's service, a fickle lover and a declared religious skeptic, Christopher Marlowe always courted trouble. In this memoir, love letter, confession, and settling of accounts, Ros Barber brings Christopher Marlowe and his era to vivid life in The Marlowe Papers.

R.U.R. Karel Čapek,2023-03-28 We rely on your support to help us keep producing beautiful, free, and unrestricted editions of literature for the digital age. Will you support our efforts with a donation? R.U.R., or Rossum's Universal Robots is a play written in 1920 by Karel Čapek, a Czech writer who wrote many plays and novels, many of them with science-fiction and dystopian themes. R.U.R. is perhaps the most well-known of these works in the English-speaking world because it brought the word "robot" into the language. "Robot" is derived from the Czech word meaning "worker." The play is set in the island headquarters of the R.U.R. corporation. The corporation has been manufacturing artificial beings which resemble humans, but who are tireless workers. They can be mass-produced in large numbers and are being adopted as workers in many countries. In the first scene of the play, they are visited by a young woman, Helena Glory, who aspires to relieve the lot of the robots, who she sees as oppressed. However, in what must be the fastest seduction scene in all drama, she is wooed and agrees to marry Harry Domin, the factory manager, who she has just met. She still however aspires to improve the life of robots and find a way to give them souls. Ultimately, however, this admirable desire leads to disaster for humankind. The play was translated into English, and slightly abridged, by Paul Selver and Nigel Playfair in 1923. This version quickly became popular with both British and American audiences and was well received by critics.

Midnight Rising Tony Horwitz,2011-10-25 A New York Times Notable Book for 2011 A Library Journal Top Ten Best Books of 2011 A Boston Globe Best Nonfiction Book of 2011 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few Americans know the true story of the men and women who launched a desperate strike at the slaveholding South. Now, Midnight Rising portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called a John Brown raid, on a gigantic scale. Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided--a time that still resonates in ours.

Warbreaker Brandon Sanderson,2009-06-09 From #1 New York Times bestselling author Brandon Sanderson, Warbreaker is the story of two sisters, who happen to be princesses, the God King one of them has to marry, the lesser god who doesn't like his job, and the immortal who's still trying to undo the mistakes he made hundreds of years ago. Their world is one in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city and where a power known as BioChromatic magic is based on an essence known as breath that can only be collected one unit at a time from individual people. By using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be accomplished. It will take considerable quantities of each to resolve all the challenges facing Vivenna and Siri, princesses of Idris; Susebron the God King; Lightsong, reluctant god of bravery, and mysterious Vasher, the Warbreaker. Other Tor books by Brandon Sanderson The Cosmere The Stormlight Archive The Way of Kings Words of Radiance Edgedancer (Novella) Oathbringer The Mistborn trilogy Mistborn: The Final Empire The Well of Ascension The Hero of Ages Mistborn: The Wax and Wayne series Alloy of Law Shadows of Self Bands of Mourning Collection Arcanum Unbounded Other Cosmere novels Elantris Warbreaker The Alcatraz vs. the Evil Librarians series Alcatraz vs. the Evil Librarians The Scrivener's Bones The Knights of Crystallia The Shattered Lens The Dark Talent The Rithmatist series The Rithmatist Other books by Brandon Sanderson The Reckoners Steelheart Firefight Calamity At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Computer Networks Andrew S. Tanenbaum,Nickolas Feamster,2019-02

Computer Networks Andrew S. Tanenbaum,David J. Wetherall,2013-07-23 Appropriate for Computer Networking or Introduction to Networking courses at both the undergraduate and graduate level in Computer Science, Electrical Engineering, CIS, MIS, and Business Departments. Tanenbaum takes a structured approach to explaining how networks work from the inside out. He starts with an explanation of the physical layer of networking, computer hardware and transmission systems; then works his

way up to network applications. Tanenbaum's in-depth application coverage includes email; the domain name system; the World Wide Web (both client- and server-side); and multimedia (including voice over IP, Internet radio video on demand, video conferencing, and streaming media).

A Pocket Style Manual Diana Hacker, 2004 Clarity, grammar, punctuation and mechanics, research sources, MLA, APA, Chicago, and usage/grammatical terms.

The Red Tent Anita Diamant, 1997-09-15 Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

Shantaram Gregory David Roberts, 2004-10-13 Based on his own extraordinary life, Gregory David Roberts' *Shantaram* is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. "It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

What Video Games Have to Teach Us About Learning and Literacy. Second Edition James Paul Gee, 2014-12-02 James Paul Gee begins his classic book with I want to talk about video games--yes, even violent video games--and say some positive things about them. With this simple but explosive statement, one of America's most well-respected educators looks seriously at the good that can come from playing video games. In this revised edition of *What Video Games Have to Teach Us About Learning and Literacy*, new games like *World of Warcraft* and *Half Life 2* are evaluated and theories of cognitive development are expanded. Gee looks at major cognitive activities including how individuals develop a sense of identity, how we grasp meaning, how we evaluate and follow a command, pick a role model, and perceive the world.

Winter Garden Kristin Hannah, 2010-02-02 Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

Monster of the Midway Jim Dent, 2013-09-24 Jim Dent's *Monster of the Midway* is the story of football's fiercest competitor, the legendary Bronko Nagurski. From his discovery in the middle of a Minnesota field to his 1943 comeback season at Wrigley, from the University of Minnesota to the Hall of Fame, Bronko Nagurski's life is a story of grit, hard work, passion, and, above all, an unstoppable drive to win. *Monster of the Midway* recounts Nagurski's unparalleled triumphs during the 1930s and '40s, when the Chicago Bears were the kings of professional football. From 1930, the Bronko's first year, through 1943, his last, the Bears won five NFL titles and played in four other NFL Championship Games. Focusing on Nagurski's 1943 comeback season, and how he miraculously led the Bears to their fourth NFL championship against the backdrop of World War II era Chicago, Jim Dent uncovers the riveting drama of Nagurski's playing days. His efforts were the stuff of legend, and his success in 1943 accomplished in spite of a battered frame, worn-out knees, multiple cracked ribs, and a broken bone in his lower back. While chronicling the drama of the '43 championship chase, Dent also tells of both the Bears' colorful early years and Bronko's improbable rise to fame from the backwoods of northern Minnesota. Woven into the narrative are the sights and smells and sounds of one of the most romantic, flavorful eras of the twentieth century. And laced through it all are stories of legend: Bronko rubbing shoulders with colorful characters like George Halas, Red Grange, Sid Luckman, and Sammy Baugh; Bronko running into (and breaking) the brick wall at Wrigley Field; Bronko winning All-American spots for two positions; Bronko knocking scores of opponents unconscious; and Bronko reaching the heights of football glory and, with rare grace, turning his back on the game after winning his last championship. Rich in unforgettable stories and scenes, this is Jim Dent's account of Bronko Nagurski—arguably the greatest football player who ever lived—and his teammates, the roughest, toughest, rowdiest group of players ever to don leather helmets, and the original Monsters of the Midway.

The Notorious Benedict Arnold Steve Sheinkin, 2010-11-09 Most people know that Benedict Arnold was America's first, most notorious traitor. Few know that he was also one of its greatest war heroes. This accessible biography introduces young readers to the real Arnold: reckless, heroic, and driven. Packed with first-person accounts, astonishing battle scenes, and surprising twists, this is a gripping and true adventure tale. *The Notorious Benedict Arnold* is the winner of the 2011 Boston Globe - Horn Book Award for Nonfiction.

They Fought for Each Other Kelly Kennedy, 2010-03-02 Charlie 1-26 confronted one of the worst neighborhoods in Baghdad and lost more men than any battalion since Vietnam. Based on *Blood Brothers*, the Michael Kelly Award-nominated series that ran in *Army Times*, this is the remarkable story of a courageous military unit that

sacrificed their lives to change Adhamiya, Iraq, from a lawless town where insurgents roamed freely, to a secure neighborhood with open storefronts and a safe populace. Army Times writer Kelly Kennedy was embedded with Charlie Company in 2007, went on patrol with the soldiers and spent hours in combat support hospitals. During that period, one soldier threw himself on a grenade to save his friends, a well-liked first sergeant shot himself to death in front of his troops, and a platoon staged a mutiny. The men of Charlie 1- 26 would earn at least 95 combat awards, including one soldier who would go home with three Purple Hearts and a lost dream. This is a timeless story of men at war and a heartbreaking account of American sacrifice in Iraq.

The Shock Doctrine Naomi Klein, 2010-04-01 The bestselling author of No Logo shows how the global free market has exploited crises and shock for three decades, from Chile to Iraq In her groundbreaking reporting, Naomi Klein introduced the term disaster capitalism. Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic shock treatment, losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

The Outstretched Shadow Mercedes Lackey, James Mallory, 2007-04-01 The Outstretched Shadow, the first book in The Obsidian Trilogy from Mercedes Lackey and James Mallory Kellen Tavaddon, son of the Arch-Mage Lycaelon, thought he knew the way the world worked. His father, leading the wise and benevolent Council of Mages, protected and guided the citizens of the Golden City of the Bells. Young Mages in training--all men, for women were unfit to practice magic--memorized the intricate details of High Magic and aspired to seats on the council. Then he found the forbidden Books of Wild Magic--or did they find him? The three slim volumes woke Kellen to the wide world outside the City's isolating walls. Their Magic was not dead, strangled by rules and regulations. It felt like a living thing, guided by the hearts and minds of those who practiced it and benefited from it. Questioning everything he has known, Kellen discovers too many of the City's dark secrets. Banished, with the Outlaw Hunt on his heels, Kellen invokes Wild Magic--and finds himself running for his life with a unicorn at his side. Kellen's life changes almost faster than he can understand or accept. Rescued by a unicorn, healed by a female Wild Mage who knows more about Kellen than anyone outside the City should, meeting Elven royalty and Elven warriors, and plunged into a world where the magical beings he has learned about as abstract concepts are flesh and blood creatures--Kellen both revels in and fears his new freedom. Especially once he learns about Demons. He'd always thought they were another abstract concept--a stand-in for ultimate evil. But if centaurs and dryads are real, then Demons surely are as well. And the one thing all the Mages of the City agreed on was that practicing Wild Magic corrupted a Mage. Turned him into a Demon. Would that be Kellen's fate? Deep in Obsidian Mountain, the Demons are waiting. Since their defeat in the last great War, they've been biding their time, sowing the seeds of distrust and discontent between their human and Elven enemies. Very soon now, when the Demons rise to make war, there will be no alliance between High and Wild Magic to stand against them. And all the world will belong to the Endarkened. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Boys' Life , 1983-02 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

A Piece of Cake (A Roald Dahl Short Story) Roald Dahl, 2012-09-13 A Piece of Cake is a short, gripping story of life in wartime from Roald Dahl, the master of the shocking tale. In A Piece of Cake, Roald Dahl, one of the world's favourite authors, tells the horrific story of a pilot whose plane crashes in the desert. A Piece of Cake is taken from the short story collection Over to You, which includes nine other dramatic and terrifying tales of life as a wartime fighter pilot, and is drawn from Dahl's own experiences during the Second World War. This story is also available as a Penguin digital audio download read by Julian Rhind-Tutt. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.
