**Empires of Bronze: The Crimson Throne (Empires of Bronze #4)** Gordon

Doherty, 2021-04-15 A story of bloody and world-shaking revenge The King of the Hittites has been slain, and a reign of terror begins... 1272 BC: Prince Hattu returns home from the battlefield of Kadesh to find his nephew on the throne, the old king's blood dripping from his hands. Under Urhi-Teshub's reign, the Hittite realm has become a land of fear and violent reprisals. Ancient family lines and old ways are being wiped out as the young tyrant strengthens his bronze-fisted grip on power. Hattu's loved ones are spared only in return for his absolute obedience. Yet he knows he must choose between his family and his burning need for restitution. The Goddess Ishtar, ever-present in his dreams, assures him that there is only one future. A war for the throne is coming... and blood will be let.

**Tiger Eye** Marjorie Liu, 2010-06-03 An antique Chinese box unlocks a world of adventure for a psychically gifted woman in this fantasy by a New York Times–bestselling author. The first book in the extraordinary Dirk & Steele Series! Long ago they roamed the earth—dragons, tigers . . . shapeshifters—men who wore the forms of beasts. Their world was magic. Now it is gone. But some remain . . . He looks out of place in Dela Reese's Beijing hotel room—exotic and poignant, some mythic, tragic hero of an epic tale. With his feline yellow eyes, he's like nothing from her world. Yet Dela has danced through the echo of his soul and knows this warrior will obey her every command. Hari has been used and abused for millennia. But he sees, upon his release from the riddle box, that this new mistress is different. There is a hidden power in Dela's eyes—and with her, he may regain all that was lost to him. Where once he savaged, now he must protect; where before he knew only hatred, now he must embrace love. Dela is the key. For Dela, he will risk all. Praise for Tiger Eye

"[A] first-rate debut. . . . The romance between Delilah and Hari tantalizingly builds until it culminates in a sensual love scene. . . . [A] striking paranormal romance." —Publishers Weekly "Liu's debut novel, not unlike the puzzle box, holds a shiny new joy for readers of adventure and paranormal romance. Deeply sensual, a marriage of modern fantasy and ancient mysticism highlighted with a touch of humor, this is the next book fans of Sherrilyn Kenyon or Christine Feehan should read." —Booklist

*The Numinous Legacy* Adair Butchins,2002 Where is God in the universe if anywhere? Why did God make germs? Why should we be so special? Could the universe have been different? This is a book that brings home, in no uncertain fashion, the discrepancy between the universe envisaged by the ancient sages and prophets and that of modern scientific cosmology, where the possibility of divine intervention looks less and less likely. Butchins demonstrates with clarity how the scientific method may be used, despite certain drawbacks, in an attempt to verify objective truth. It describes

how the effect of the Copernican Revolution in the seventeenth century has steadily undermined the basic structure of the three great monotheistic religions of our day, Judaism, Christianity, and Islam, especially with respect to their eschatological concepts. The Eastern religions, being less anthropomorphic, are less affected. The theistic argument from design is shown to be powerful enough to have caused disagreement among present-day scientists, in spite of the strictures of Professor Dawkins. In general, the book attempts to make some sense of the structure of the universe in terms of our own consciousness; it behoves the reader to consider tha

**Paul Kossoff: All Right Now** J. P. James, 2017-11-02 Affectionately known as 'Koss', Paul Kossoff's playing touched people. It still does today, more than forty years after his sad and untimely death at the age of twenty-five. This authorised biography pays fitting tribute to a much-loved and widely admired musician whose influence and inspiration is still very evident. It's all here: Kossoff's musical childhood, his formative years with Black Cat Bones, forming Free at seventeen, that group's dizzying success, breakup, reforming and dissolution, the solo years, Back Street Crawler - the sessions, the tours and big concerts, the triumphs, the tragedies and the heartbreak - J.P. James takes the reader right there. Over four distinct sections, Kossoff's many guitars and the equipment he used to make them sing are fully documented; a brand-new detailed analysis of Kossoff's distinctive playing style and technique is presented for the first time; a broad overview of Kossoff's creative life draws on the voices of family, friends and fellow musicians; and finally, Kossoff's musical influences, approach to playing and his wider musical interests, hopes and dreams are

explored - all drawn from his own words. Cramming so much into his short years, Paul Kossoff left a rich musical legacy, and he is indeed All Right Now. Thoroughly researched and sensitively written, given often in Kossoff's own words and packed with anecdotes from those who were there, musicians and fans alike will enjoy this authoritative and comprehensive biography.
