Royal Anthropological Institute of Great Britain and Ireland

**Royal Trouble** Jennifer Bonds,2021-05-24 It's time for everyone's favorite bad boy, Prince Alexander Stanley, to clean up his act. Given the rare opportunity to lead a new royal program that aids veterans and their families, Xander can't afford to be making scandalous headlines anymore. He has only two months until the program launches. No more overindulging. And definitely no more women. Then halfway into it, his good behavior streak is threatened by a devil in a fuchsia dress. Everly Wilson has kept a secret for years. She was the mastermind behind the celebrity dirt website Royals Gone Wild, which exposed some of her home country of Valeria's juiciest secrets. But once she was out of school, she left the website and her past behind, moved to New York, and became a serious writer. A seriously broke writer. If she doesn't find a fresh story to earn her top dollar, she'll be out on the street, with nothing but her laptop and a stack of unpaid medical bills to keep her warm at night. But when a friend's wedding brings her back home, it seems like the fates have aligned to deliver her the scoop of the year. Prince Alexander is suddenly on a mission to clean up his act, avoiding the escapades he once embraced—and she's determined to be the one to catch his inevitable screwup. So when things between them start to heat up, and Xander's walls start coming down, Everly might be the one royally in trouble this time... Each book in the Royally Engaged series is STANDALONE: \* A Royal Disaster \* Royal Trouble \* A Royal Mistake

**A Royal Mistake** Jennifer Bonds,2022-07-19 The perfect guy. The perfect lie... Princess Philippa Stanley is over being the perfect royal. The world's got bigger problems than the color of her nail polish, yet the tabloids insist on detailing her every royal faux pas. Like her bold new hairstyle and missing pantyhose. Freaking pantyhose. Things that don't matter to anyone-except her parents. Their Majesties are desperate for her to settle down. So desperate they invite a dozen overzealous bachelors to compete for her hand in marriage. Now she's living her own nightmare version of The Bachelorette: Royal Edition with suitors ambushing her at every turn. No way is she participating in this farce of a courtship. Hard pass. But when her father makes her an offer she can't refuse-take part in exchange for access to her trust fund-it's the only way to get the money she needs to start her own charitable foundation. Fine. She'll play the game. There's zero chance she'll fall in love until she crashes into a sexy, down-to-earth philanthropist who can help her launch her charity and drive off the unwanted suitors. It's like she's met the perfect guy. But what if he's really the perfect lie? Each book in the Royally Engaged series is STANDALONE: \* A Royal Disaster \* Royal Trouble \* A Royal Mistake

**Journal of the Royal United Service Institution** ,1884

**Playing the Royal Game** Carol Marinelli,2012-12-01 In the climactic finale of the USA Today–bestselling author's royal romance series, a fairytale wedding isn't the end of the story—it's the beginning. It seemed like every girl's dream: fall in love with a prince and be whisked off for your very own glamorous happy-ever-after. But there's more to this royal fairy tale for Allegra Jackson and Prince Alessandro Santina. Allegra's headline-grabbing family hardly prepared her for a life of public duty, and sinfully delicious Prince Alessandro has always seemed virtually allergic to the idea of settling down in Santa Maria. Out of all the flamboyant, beautiful women his name's been linked with, the heir to the throne picked ordinary Allegra with the family from hell. Now everyone is watching to see if the tabloid's couple of the year is really playing for keeps.

Royal Player: A Noble Hero/Virgin Romantic Comedy (The Rourkes Series, Book 5) Kylie Gilmore,2019-07-23 A virgin, a diehard bachelor, and a kingdom hanging in the balance! Polly I'm a modern twenty-three-year-old princess bound by rules more suited to medieval times. My father's declining health means I will soon be queen, but, as a woman, I will not be allowed to rule alone. I can only claim my birthright by marrying the man chosen for me—a business tycoon useful to our kingdom. My parents are unbending. If I do not comply, my younger cousin will take my place simply because he's a man. I'm the one who must bend, or walk away and lose

everything—my family, my birthright, my island home. I never met a man tempting enough to risk a kingdom...and then I meet him. Oscar I'm the good-looking one. If you need to pick me out of the middle of the Rourke clan, that's how you do it. Does it bother me that nothing is expected of the fourth-born son other than to flash my devastatingly handsome smile for the press? Maybe. Would I like to be needed even just by one person who sees me as the key to something important? Yes. And then I meet her. Only lightning struck for the wrong woman. She's on Villroy for a short time before she must return home and marry the man her parents have chosen. If she doesn't, she loses her birthright. If I truly care for Polly, I'll walk away. But do I have the strength to resist the most perfect woman I've ever met?
