All Set Free Matthew J. Distefano,2015-09-30 What is the ending to the human drama? Will all be reconciled to God in the end? Does God demand an altar, a corpse, and blood? Or, rather, is the Christian God set apart from all the other gods throughout history? All Set Free sets out to answer some of the more difficult questions Christians today are faced with. It will challenge the Augustinian understanding of hell and the Calvinist understanding of the atonement; replacing them with a more Christ-centered understanding of both doctrines. This book will also use the work of

Rene Girard in order to reshape how many understand what it means to be human. Then and only then should we ask: Who is God? Come explore what has become Matthew's theological pilgrimage to this point. Come discover the God of peace.

The Anarchist's Design Book Expanded Edition Christopher Schwarz, 2020

English Arts & Crafts Furniture Nancy R. Hiller, 2018-06-26 Arts & Crafts has come to be a name for a style of decorative arts, but just try to pin it down. It's a huge challenge, because it

encompasses such a broad variety of work. Early pieces, such as some of those by William Morris, draw from more ornate Victorian artifacts. Contrast these with the simpler, medieval-inspired work of Morris, the austere elegance of chairs and built-in cabinetry by Voysey, or furniture produced by the Barnsleys--never mind the clear Art Nouveau influences in much of Mackintosh's work. It quickly becomes clear just how broad this period in design history really is. English Arts & Crafts Furniture explores the Arts & Crafts movement with a unique perspective on furniture designs inspired by English Arts & Crafts designers. Through examination of details and techniques as well as projects, you'll learn what sets English Arts & Crafts apart and gain a deeper understanding of the overall Arts & Crafts movement and its influences. In this book you'll find:

- Insight into the history and culture surrounding the Arts & Crafts movement
- An examination of influences that set English Arts & Crafts designers including William Morris, Charles Francis Annesley Voysey, Ernest Gimson, Ernest and Sidney Barnsley, and Charles Robert Ashbee apart from their American counterparts
- 3 complete furniture projects that illustrate traits representative of English Arts & Crafts: a Voysey chair, a hayrake table designed by Ernest Gimson and a sideboard design from the Harris Lebus

company, England's largest furniture maker at the time Equal parts design survey and project book, English Arts & Crafts Furniture is a must-read for any serious fan of Arts & Crafts furniture.
