

Rubble Trouble Tokyo

Janet Edwards

A Tokyo Romance Ian Buruma,2018-03-06 A classic memoir of self-invention in a strange land: Ian Buruma's unflinching account of his amazing journey into the heart of Tokyo's underground culture as a young man in the 1970's When Ian Buruma arrived in Tokyo in 1975, Japan was little more than an idea in his mind, a fantasy of a distant land. A sensitive misfit in the world of his upper middleclass youth, what he longed for wasn't so much the exotic as the raw, unfiltered humanity he had experienced in Japanese theater performances and films, witnessed in Amsterdam and Paris. One particular theater troupe, directed by a poet of runaways, outsiders, and eccentrics, was especially alluring, more than a little frightening, and completely unforgettable. If Tokyo was anything like his plays, Buruma knew that he had to join the circus as soon as possible. Tokyo was an astonishment. Buruma found a feverish and surreal metropolis where nothing was understated—neon lights, crimson lanterns, Japanese pop, advertising jingles, and cabarets. He encountered a city in the midst of an economic boom where everything seemed new, aside from the isolated temple or shrine that had survived the firestorms and earthquakes that had levelled the city during the past century. History remained in fragments: the shapes of wounded World War II veterans in white kimonos, murky old bars that Mishima had cruised in, and the narrow alleys where street girls had once flitted. Buruma's Tokyo, though, was a city engaged in a radical transformation. And through his adventures in the world of avant garde theater, his encounters with carnival acts, fashion photographers, and moments on-set with Akira Kurosawa, Buruma underwent a radical transformation of his own. For an outsider, unattached to the cultural burdens placed on the Japanese, this was a place to be truly free. A Tokyo Romance is a portrait of a young artist and the fantastical city that shaped him. With his signature acuity, Ian Buruma brilliantly captures the historical tensions between east and west, the cultural excitement of 1970s Tokyo, and the dilemma of the gaijin in Japanese society, free, yet always on the outside. The result is a timeless story about the desire to transgress boundaries: cultural, artistic, and sexual.

Target Tokyo: Jimmy Doolittle and the Raid That Avenged Pearl Harbor James M. Scott,2015-04-13 Finalist for the 2016 Pulitzer Prize in History Like Lauren Hillebrand's *Unbroken*...Target Tokyo brings to life an indelible era. —Ben Cosgrove, *The Daily Beast* On April 18, 1942, sixteen U.S. Army bombers under the command of daredevil pilot Jimmy Doolittle lifted off from the deck of the USS *Hornet* on a one-way mission to pummel Japan's factories, refineries, and dockyards in retaliation for their attack on Pearl Harbor. The raid buoyed America's morale, and prompted an ill-fated Japanese attempt to seize Midway that turned the tide of the war. But it came at a horrific cost: an estimated 250,000 Chinese died in retaliation by the Japanese. Deeply researched and brilliantly written, *Target Tokyo* has been hailed as the definitive account of one of America's most daring military operations.

Hiroshima John Hersey,2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize–winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of *Hiroshima*.

Game Design Secrets Wagner James Au,2012-09-19 Design great Facebook, iOS, and Web games and learn from the experts what makes a game a hit! This invaluable resource shows how to put into action the proven design and marketing techniques from the industry's best game designers, who all started on a small scale. The book walks novice and experienced game designers through the step-by-step process of conceptualizing, designing, launching, and managing a winning game on platforms including Facebook, iOS, and the Web. The book is filled with examples that highlight key design features, explain how to market your game, and illustrate how to turn your design into a money-making venture. Provides an overview of the most popular game platforms and shows how to design games for each Contains the basic principles of game design that will help promote growth and potential to generate revenue Includes interviews with top independent game developers who reveal their success secrets Offers an analysis of future trends that can open (or close) opportunities for game designers *Game Design Secrets* provides aspiring game designers a process for planning, designing, marketing, and ultimately making money from new games.

Judgment at Tokyo Gary J. Bass,2023-10-17 NAMED A BEST BOOK OF THE YEAR BY THE NEW YORKER • THE NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • A landmark, magisterial history of the trial of Japan's leaders as war criminals—the largely overlooked Asian counterpart to Nuremberg “Nothing less than a masterpiece. With epic research and mesmerizing narrative power, *Judgment at Tokyo* has the makings of an instant classic.” —Evan Osnos, National Book Award–winning author of *Age of Ambition: Chasing Fortune, Truth, and Faith in the New China* In the weeks after Japan finally surrendered to the Allies to end World War II, the world turned to the question of how to move on from years of carnage and destruction. For Harry Truman, Douglas MacArthur, Chiang Kai-shek, and their fellow victors, the question of justice seemed clear: Japan's militaristic leaders needed to be tried and punished for the surprise attack at Pearl Harbor; shocking atrocities against civilians in China, the Philippines, and elsewhere; and rampant abuses of prisoners of war in notorious incidents such as the Bataan death march. For the Allied powers, the trial was an opportunity to render judgment on their vanquished foes, but also to create a legal framework to prosecute war crimes and prohibit the use of aggressive war, building a more peaceful world under international law and American hegemony. For the Japanese leaders on trial, it was their chance to argue that their war had been waged to liberate Asia from Western imperialism and that the court was victors' justice. For more than two years, lawyers for both sides presented their cases before a panel of clashing judges from China, India, the Philippines, and Australia, as well as the United States and European powers. The testimony ran from horrific accounts of brutality and the secret plans to attack Pearl Harbor to the Japanese military's threats to subvert the government if it sued for peace. Yet rather than clarity and unanimity, the trial brought complexity, dissents, and divisions that provoke international discord between China, Japan, and Korea to this day. Those courtroom tensions and contradictions could also be seen playing out across Asia as the trial unfolded in the crucial early years of the Cold War, from China's descent into civil war to Japan's successful postwar democratic elections to India's independence and partition. From the author of the acclaimed *The Blood Telegram*, which was a Pulitzer Prize finalist, this magnificent history is the product of a decade of research and writing. *Judgment at Tokyo* is a riveting story of wartime action, dramatic courtroom battles, and the epic formative years that set the stage for the Asian postwar era.

Tokyo Woes Bruce Jay Friedman,2015-09-29 In this laugh-out-loud travelogue, an average American man journeys to a country unlike any other: 1980s Japan Early one morning, Mike Halsey leaves his sleeping girlfriend and his house deep in the woods to go out and buy the morning paper. His favorite deli is closed, so he keeps driving and winds up on an unfamiliar lakeside road. Then it hits him: the old wanderlust. The last time it struck, he ended up on the coast of Finland. This time, Mike heads east—to Japan. He doesn't like sushi all that much and has no idea what he'll do when he arrives. Luckily, he makes a new friend on the plane. Bill Atenabe invites Mike to stay with his family in Tokyo—“We've got plenty of room by Japanese standards,” he claims—and the two pals are soon sampling all that makes the Land of the Rising Sun unique, from Peeping Tom tours to department store attendants who dust you off before you step into an elevator to computers with a sense of irony. Mike quickly discovers, however, that not all is as happy as it seems in the Atenabe household. Bill's wife is having an affair with a bamboo salesman, his son wants to give up a promising academic career to become a talent scout for a modeling agency, and his war-hero father is being forced into retirement. When Bill contemplates an act of desperation, Mike talks some good old American common sense into his friend and discovers the real reason for his own journey to Japan. This ebook features an illustrated biography of Bruce Jay Friedman including rare photos from the author's personal collection.

Tokyo Business Today ,1995-07

Tunnel 29 Helena Merriman,2021-08-24 He escaped from one of the world's most brutal regimes. Then, he decided to tunnel back in. In the summer of 1962, a young student named Joachim Rudolph dug a tunnel under the Berlin Wall. Waiting on the other side in East Berlin were dozens of men, women, and children—all willing to risk everything to escape. From the award-winning creator of the acclaimed BBC Radio 4 podcast, *Tunnel 29* is the true story of this most remarkable Cold War rescue mission. Drawing on interviews with the survivors and Stasi files, Helena Merriman brilliantly reveals the stranger-than-fiction story of the ingenious group of student-diggers, the glamorous red-haired messenger, the Stasi spy who threatened the whole enterprise, and the love story that became its surprising epilogue. *Tunnel 29* was also the first made-for-TV event of its kind; it was funded by NBC, who wanted to film an escape in real time. Their documentary—which was nearly blocked from airing by the Kennedy administration, which wanted to control the media during the Cold War—revolutionized TV journalism. Ultimately, *Tunnel 29* is a success story about freedom: the valiant citizens risking everything to win it back, and the larger world rooting for them to triumph.

The Woman's Hand Paul Gordon Schalow, Janet A. Walker, 1996 This volume has a dual purpose. It aims to define the state of Japanese literary studies in the field of women's writing and to present cross-cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature.

Mouths of Rain Briona Simone Jones, 2021-02-23 Winner, Lambda Literary Award in LGBTQ Anthology Winner, Judy Grahn Award for Lesbian Nonfiction, Publishing Triangle Awards A Ms. magazine, Refinery29, and Lambda Literary Most Anticipated Read of 2021 A groundbreaking collection tracing the history of intellectual thought by Black Lesbian writers, in the tradition of The New Press's perennial seller *Words of Fire* African American lesbian writers and theorists have made extraordinary contributions to feminist theory, activism, and writing. *Mouths of Rain*, the companion anthology to Beverly Guy-Sheftall's classic *Words of Fire*, traces the long history of intellectual thought produced by Black Lesbian writers, spanning the nineteenth century through the twenty-first century. Using "Black Lesbian" as a capacious signifier, *Mouths of Rain* includes writing by Black women who have shared intimate and loving relationships with other women, as well as Black women who see bonding as mutual, Black women who have self-identified as lesbian, Black women who have written about Black Lesbians, and Black women who theorize about and see the word lesbian as a political descriptor that disrupts and critiques capitalism, heterosexism, and heteropatriarchy. Taking its title from a poem by Audre Lorde, *Mouths of Rain* addresses pervasive issues such as misogyny and anti-blackness while also attending to love, romance, "coming out," and the erotic. Contributors include: Barbara Smith Beverly Smith Bettina Love Dionne Brand Cheryl Clarke Cathy J. Cohen Angelina Weld Grimké Alexis Pauline Gumbs Audre Lorde Dawn Lundy Martin Pauli Murray Michelle Parkerson Mecca Jamilah Sullivan Alice Walker Jewelle Gomez

U.S. Navy Civil Engineer Corps Bulletin ,1951

The Doolittle Raid Carroll V. Glines, 1990 In April, 1942, President Roosevelt urged the military high command to prepare a devastating carrier-launch raid against the Japanese home islands. And the only person who dared to lead the mission was the best-known risk-taker in the U.S. Air Force, Lieutenant Colonel James H. Doolittle.

After the Quake Haruki Murakami, 2007-12-18 Set at the time of the catastrophic 1995 Kobe earthquake, the mesmerizing stories in *After the Quake* are as haunting as dreams and as potent as oracles. An electronics salesman who has been deserted by his wife agrees to deliver an enigmatic package—and is rewarded with a glimpse of his true nature. A man who views himself as the son of God pursues a stranger who may be his human father. A mild-mannered collection agent receives a visit from a giant talking frog who enlists his help in saving Tokyo from destruction. The six stories in this collection come from the deep and mysterious place where the human meets the inhuman—and are further proof that Murakami is one of the most visionary writers at work today.

Everyday Faith Terry Pluto, 2012-05 Award-winning sports columnist Terry Pluto has another beat: Faith. Thousands of loyal readers regularly turn to his go-to column for a regular dose of down-to-earth spiritual inspiration. This book collects dozens of his popular essays about ethical and moral issues we all face in everyday life. Like getting along with our siblings. Setting a better example for our children. Listening better to our spouses. How money makes us do silly things. The lure of gossip. Feeling lonely. Giving in to anger. How we feel when our prayers go unanswered. Pluto writes from a very personal perspective, as when he discusses the vanity of his own approach to baldness, or reveals white lies he has used to make himself feel better, or describes the temptation to tell off his boss at work. This honestly humble approach to finding the spiritual in the ordinary gives Pluto's writing broad appeal. "I don't care if you are a Jew, a Christian, a Muslim, or a skeptic; there is a spiritual thirst in most of us," Pluto says. "I try to write about God and us and what that means for our lives." For a sportswriter who never thought he'd write about faith, Pluto has brought a great deal of meaning to the lives of his readers. This collection will serve as a great way for Pluto fans to revisit the many inspirations found in his writing—and to share them with a new audience.

Forbes ,1999

Earth Girl Janet Edwards, 2013-03-05 A sensational YA science fiction debut from an exciting new British author! Just because she's confined to the planet, doesn't mean she can't reach for the stars. 2788. Only the handicapped live on Earth. Eighteen-year-old Jarra is among the one in a thousand people born with an immune system that cannot survive on other planets. Sent to Earth at birth to save her life, she has been abandoned by her parents. She can't travel to other worlds, but she can watch their vids, and she knows all the jokes they make. She's an ape, a throwback, but this is one ape girl who won't give in. Jarra makes up a fake military background for herself and joins a class of norms who are on Earth for a year of practical history studies excavating the dangerous ruins of the old cities. She wants to see their faces when they find out they've been fooled into thinking an ape girl was a norm. She isn't expecting to make friends with the enemy, to risk her life to save norms, or to fall in love. From the Hardcover edition.

Forbes FYI ,1999

Revisiting the Vietnam War and International Law Stefan Andersson, 2017-12-28 This collection of scholarly and critical essays about the legal aspects of the Vietnam War explores various crimes committed by the United States against North Vietnam: war of aggression; war crimes in bombing civilian targets such as schools and hospitals, and using napalm, cluster bombs, and Agent Orange; crimes against humanity in moving large parts of the population to so-called strategic hamlets; and alleged genocide and ecocide. International lawyer Richard Falk, who observed these acts personally in North Vietnam in 1968, uses international law to show how they came about. This book brings together essays that he has written on the Vietnam War and on its relationship to international law, American foreign policy, and the global world order. Falk argues that only a stronger adherence to international law can save the world from such future tragedies and create a sustainable world order.

Cartels of the Mind Ivan P. Hall, 1998 Discusses how Japan barricades itself from institutional and psychological intrusions, and argues that Japan's grand intellectual parsimony is not worthy of world economic power.

A Pale View of Hills Kazuo Ishiguro, 2012-09-05 From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* Here is the story of Etsuko, a Japanese woman now living alone in England, dwelling on the recent suicide of her daughter. In a novel where past and present confuse, she relives scenes of Japan's devastation in the wake of World War II.
