10th Anniversary: Shades of Gray #1 Noir, City Shrouded By Darkness Kristie Lynn Higgins, 2017-10-25 10th Anniversary Ebook Edition... The Shades of Gray series follows the adventures of Kat and Kim. Start by reading the first book of this serial series and be introduced to this world of danger and mystery. Noir was a mega-city plagued by a sun blocking mass called Dry Clouds that had mysteriously appeared three decades earlier. The Dry Clouds covered half the planet and forced those living under them to exist in endless night. On this world, corporations were in charge and breaking your contract with them could mean the termination of your life. Kimberly Griffin, a Life Closer (legal assassin) existed in a world of death. She Closed people for a living. It was a lonely demeaning existence, though she wouldn't admit it. There was nothing to drive her in the bleak reality until one day she ran into Kat. Kat, also known as the Pandora Project, was hunted by bio-mechas called Un-Men. She was an experiment of the Sphinx Corporation, and they were testing her to see if she could be the ultimate weapon. Kat refused to be a killer and tried to discover the truth behind her existence. Could she be a new form of bio-mecha? Kim discovered someone close to her had been murdered. Is Kat the key to finding out who did it? Or will her association with Kat only cause her more grief? Pandora of ancient times opened a box and let all good escape. Would Pandora be the hope the planet needed? Or would she destroy the world? **\*\*Shades of Gray Series\*\*** 1. Noir, City Shrouded By Darkness 2. From Moscow, With Love 3. Cerberus Versus Pandora 4. Sisters

*Amazing: Science Fiction, Fantasy, & Horror Flash Fiction #10* Kristie Lynn Higgins, 2019-10-18 AabiLynn's Dragon Rite series inspired by my love of dragons and the

stories that dragons have been in. Check out more about the series by going to and reading AabiLynn's Dragon Rite #0 Dragon's Brood. Amazing includes the following stories. 1. Baby Dragon, Grapes, And His Pair 2. A Dragon Elder And A Cup Of Tea These dragon stories are a great read for young and old. Follow the young adult Cara as she goes through her Dragon Rite and enjoy these fantasy sword and sorcery books. Enter magical realms of old where friendship can be as powerful as any magic. Go on adventure with these young dragon riders and their dragon hatchlings. Follow Cara as she quest for a better life and fights for her new family.

*Homo Deus* Yuval Noah Harari,2017-02-21 Official U.S. edition with full color illustrations throughout. NEW YORK TIMES BESTSELLER Yuval Noah Harari, author of the critically-acclaimed New York Times bestseller and international phenomenon *Sapiens*, returns with an equally original, compelling, and provocative book, turning his focus toward humanity's future, and our quest to upgrade humans into gods. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains in his trademark style—thorough, yet

riveting—famine, plague and war have been transformed from incomprehensible and uncontrollable forces of nature into manageable challenges. For the first time ever, more people die from eating too much than from eating too little; more people die from old age than from infectious diseases; and more people commit suicide than are killed by soldiers, terrorists and criminals put together. The average American is a thousand times more likely to die from binging at McDonalds than from being blown up by Al Qaeda. What then will replace famine, plague, and war at the top of the human agenda? As the self-made gods of planet earth, what destinies will we set ourselves, and which quests will we undertake? Homo Deus explores the projects, dreams and nightmares that will shape the twenty-first century—from overcoming death to creating artificial life. It asks the fundamental questions: Where do we go from here? And how will we protect this fragile world from our own destructive powers? This is the next stage of evolution. This is Homo Deus. With the same insight and clarity that made Sapiens an international hit and a New York Times bestseller, Harari maps out our future.

**This Is Water** Kenyon College, 2014-05-22 Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in THIS IS WATER. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in The Wall Street Journal and the London Times, commented on endlessly in blogs, and emailed from friend to friend. Writing with his

one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

*10,000 Tips* Katherine Sorrell,2012-08-30 What should you do if a bird flies into your house? How do you write the perfect CV? How could you get a flight upgrade? How can you revamp a tired room? From pastry making to public speaking, decluttering to DIY, first aid to picture framing, this is your one-stop guide to finding out everything you'll need to know to improve your house, health, work and free time. Covering both everyday and exotic tasks, including how to spot a genuine antique, choosing a dream vacation destination and negotiating a payrise, *10,000 Tips* is the go-to reference book that no one should be without.

**Emergency Response Guidebook** U.S. Department of Transportation,2013-06-03 Does the identification number 60 indicate a toxic substance or a flammable solid, in the molten state at an elevated temperature? Does the identification number 1035 indicate ethane or butane? What is the difference between natural gas transmission pipelines and natural gas distribution pipelines? If you came upon an overturned truck on the highway that was leaking, would you be able to identify if it was hazardous and know what steps to take? Questions like these and more are answered in the Emergency Response Guidebook. Learn how to identify symbols for and vehicles carrying toxic, flammable, explosive, radioactive, or otherwise harmful substances and how to respond once an incident involving those substances has been identified. Always be prepared in situations that are unfamiliar and dangerous and know

how to rectify them. Keeping this guide around at all times will ensure that, if you were to come upon a transportation situation involving hazardous substances or dangerous goods, you will be able to help keep others and yourself out of danger. With color-coded pages for quick and easy reference, this is the official manual used by first responders in the United States and Canada for transportation incidents involving dangerous goods or hazardous materials.
