Earl Anthony,Dawson Taylor

Saints, Sinners, and Soldiers Jeffrey A. Keshen,2013-12-01 The first-ever synthesis of both the patriotic and the problematic in wartime Canada, Saints, Sinners, and Soldiers shows how moral and social changes, and the fears they generated, precipitated numerous, and often contradictory, legacies in law and society. From labour conflicts, to the black market, to prostitution, and beyond, Keshen acknowledges the underbelly of Canada's Second World War, and demonstrates that the Good War was a complex tapestry of social forces ♦ not all of which were above reproach.

New England Candlepin Bowling Susan Mara Bregman,2020-11-02 Candlepin bowling is hard. So hard, in fact, that no one has ever bowled a perfect game. The pins are tall and skinny, the balls are small enough to fit in a player's hand, and the fallen pins are not cleared between rolls. Originating in Worcester, Massachusetts, in the late 19th century and played today mostly in New England and eastern Canada, the game has a rich and colorful history. In the days before automation, sure-footed pin boys manually reset the pins and returned the balls. A long-running, top-rated Boston television show regularly transformed unassuming candlepinners into regional celebrities. And the game has something called a Half Worcester. Author and photographer Susan Mara Bregman bowled at dozens of candlepin centers, combed through dusty archives, and interviewed industry insiders to create this affectionate look at one of America's quirkiest pastimes.

They Came to Bowl Doug Schmidt,2007 In this authoritative and lively book, Doug Schmidt traces bowling's roots from a German religious rite centuries ago to the sport that made Milwaukee famous. From the taverns and saloons that housed recreational games to the sell-out crowds and million-dollar beer sponsorships of televised tournaments, this well-illustrated book covers both sport and city, charting the changing face of bowling over the century. Packed with memorable showdowns and improbable heroes, *They Came to Bowl* will take you back to the changing lanes of bowling in Milwaukee -- and the sport as a whole.

The Charmurz Barry F. Schnell,2012-05-29 **BOOK SUMMARY** Before there was man, before there was woman there was bowling. Against a backdrop of urban upheaval and familial tumult, Rich Roeb and Barbara Stewart-Ridge used their fingers as an impetus to roll their souls into a long-term, lip locked, perfect game. Against great odds, and despite often being on the gutter side of Karma, their love would not be denied. They were meant to be, and bowl, as one.

The BUDWEISERS Kings of Bowling Ray Bluth,Van Lorenz,2023-01-31 This book is about a remarkable group of men who were part of history's best bowling team, the Budweisers. How did the team form? What did they achieve? Who was kicked off the team? Who were their archrivals? Who became A-list celebrities? All of these questions will be answered along with special emphasis on the five Buds who set a world's record right here in St. Louis. Ray Bluth was a founding member of that team. This is Ray's book written with the assistance of friend and fan, Van Lorenz. Ray Bluth was born in St. Louis on New Year's Eve, 1927. Ray was introduced to bowling as a student at Mallinckrodt Elementary School. One day while playing baseball with classmates, a man in a black Cadillac beckoned the boys. He said a new bowling alley was opening nearby and needed pinboys. Ray was twelve years old when he started working at Stein Brothers Bowl. Soon, Ray decided he liked knocking down pins better than setting them up. After graduating from Saint Louis University High School, Ray enlisted in the U.S. Army and continued to bowl. Ray won his first doubles title as a soldier. Upon returning to St. Louis, Ray enrolled at Saint Louis University. He also bowled? a lot! His game improved and it occurred to Ray that he might be able to earn a living rolling a 16-pound black rubber ball. He was right. Ray was on a path to glory that few people will experience.

Bare Bones Bowling Brian Voss,2013-03-11 Brian Voss bowled on the Professional Bowlers tour for more than 30 years. He is currently 10th on the All-Time PBA tour titlists with 25 victories. He brings a wealth of information to this book with over 48 years of experience, and more than 25 years of teaching and hosting seminars all over the world.

Murdering Miss Marple Julie H. Kim,2014-01-10 During the interwar "golden age" of British detective fiction, women writers like Dorothy L. Sayers and Agatha Christie reigned, but their work remains tame compared to today's crime novels. Elements of sexuality and gender, including soft porn and sexual psychopathy, pervade contemporary detective fiction. The 10 essays in this collection explore issues of gender and sexuality in crime writing by women from 1985 to 2011, surveying works about girl sleuths, parodies, hard-boiled detective fiction, police procedurals, and recent serial killer series. They examine the relationship between genre and gender and explore how later works enter into a field of "post-feminism." Most importantly, this volume demonstrates how popular women writers of the last three decades have reconceptualized what it means to be a female detective.

Bowling Club Paul Hammond,2004-04 The ancient and gentlemanly sport of bowls, steeped in history and folklore, now gains a new perspective as a local club bowler turns the game on its head in this amusing satire on the popular pastime.
