🔍 **SKINTASTIC** Sally Rideout Smith,2019-07-02 This is your passport to beauty! The tips, hints, and recipes in this book will help you improve the appearance of your skin, and will help you look younger, to be healthier, and more vibrant inside and out. Sally Rideout Smith has been interested in skin care for 48 years, and she has received her beauty information from a variety of avenues: Sally was a model and instructor at the Barbizon School of Modeling for almost ten years, and she had her own health and beauty clinic, where she taught these beauty secrets to women from ages 17 to 70. Sally and her daughter, Ginger, who is an aesthetician, started SlenderSmith’s Day Spa in Destin, Florida. Sally managed the spa for 12 years, and Ginger continues to run it 9 years later. Sally was Mrs. Vermont in the Mrs. America Pageant, and was the top talent winner as a ventriloquist. She is also the author of My Green Acres, a book about her life stories. Sally Rideout Smith has been speaking to women’s groups since 1971 and has been a pastor’s wife since 1977.

🔍 **WORDPLAY AND THE DISCOURSE OF VIDEO GAMES** Christopher A. Paul,2012-03-15 In this timely new book, Christopher Paul analyzes how the words we use to talk about video games and the structures that are produced within games shape a particular way of gaming by focusing on how games create meaning, lead to identification and division, persuade, and circulate ideas. Paul examines the broader social discourse about gaming, including: the way players are socialized into games; the impact of the lingering association of video games as kid’s toys; the dynamics within specific games (including Grand Theft Auto and EA Sports Games); and the ways in which players participate in shaping the discourse of games, demonstrated through examples like the reward system of World of Warcraft and the development of Theorycraft. Overall, this book illustrates how video games are shaped by words, design and play; all of which are negotiated, ongoing practices among the designers, players, and society that construct the discourse of video games.

🔍 **SECOND FIRST IMPRESSIONS** Sally Thorne,2021-04-13 “Second First Impressions is the warmest, coziest, sweetest book of the year, an absolutely perfect blend of humor and heart. I want to live inside Sally Thorne’s brain.” —Emily Henry, New York Times bestselling of Beach Read From the USA Today bestselling author of The Hating Game, soon to be a movie starring Lucy Hale and Austin Stowell, and 99 Percent Mine comes the clever, funny, and unforgettable story of a muscular, tattooed man hired as an assistant to two old women—under the watchful eye of a beautiful retirement home manager. Dazzle (n): Brightness that blinds someone temporarily. Position Vacant: Two ancient old women residing at Providence Retirement Villa seek male assistant for casual exploitation and good-natured humiliation. Duties include boutique shopping, fast-food fetching, and sincerely rendered flattery. Good looks a bonus—but we aren’t picky. An advertisement has been placed (again!) by the wealthy and eccentric Parloni Sisters. The salary is generous and the employers are 90 years old, so how hard could the job be? Well, none have lasted longer than a week. Most boys leave in tears. Ruthie Midona will work in Providence’s front office, and be at the Parloni’s beck and call, forever. That’s sort of her life plan. If Ruthie can run the place in her almost-retired bosses’ absence, with no hijinks/hiccups, she has a shot at becoming the new manager. She might also be able to defend her safe little world from Prescott Development, the new buyer of the prime site. Maybe after all that, she can find a cute guy to date. All she needs to do is stay serious—and that’s what she does best. Until, one day, someone dazzling blows into town. Teddy Prescott devotes his life to sleeping, tattooing, and avoiding seriousness. When Teddy needs a place to crash, he makes a deal with his developer dad. Teddy can stay in one of Providence’s on-site maintenance cottages—right next door to an unimpressed Ruthie—but only if he works there and starts to grow up. Ruthie knows how this sweetly selfish rich boy can earn his keep—and be out of her hair in under a week. After all, there is a position vacant...

🔍 **THE SILENT HISTORY** Eli Horowitz,Matthew Derby,Kevin Moffett,2014-06-10 A generation of children forced to live without words. It begins as a statistical oddity: a spike in children born with acute speech delays. Physically normal in every way, these children never speak and do not respond to speech; they don’t learn to read, don’t learn to write. As the number of cases grows to an epidemic level, theories spread. Maybe it’s related to a popular antidepressant; maybe it’s environmental. Or maybe these children have special skills all their own. The Silent History unfolds in a series of brief testimonials from parents, teachers, friends, doctors, cult leaders, profiteers, and impostors (everyone except, of course, the children themselves), documenting the growth of the so-called silent community into an elusive, enigmatic force in itself—alluring to some, threatening to others. Both a bold storytelling experiment and a propulsive reading experience, Eli Horowitz, Matthew Derby, and Kevin Moffett’s The Silent History is at once thrilling, timely, and timeless.
