The Posen Library of Jewish Culture and Civilization, Volume 6 Elisheva Carlebach,Deborah Dash Moore,2019-11-26 A landmark project to collect, translate, and transmit primary material from a momentous period in Jewish culture and civilization, this volume covers what Elisheva Carlebach describes as a period in which every aspect of Jewish life underwent the most profound changes to have occurred since antiquity. Organized by genre, this extensive yet accessible volume surveys Jewish cultural production and intellectual innovation during these dramatic years, particularly in literature, the visual and performing arts, and intellectual culture. The wide-ranging collection includes a diverse selection of sources created by Jews around the world, translated from a dozen languages. Representing a tumultuous time of changing borders, demographic shifts, and significant Jewish migration, this anthology explores the range of approaches of Jews, from welcoming to resistant, to the intertwining ideals of

enlightenment and emancipation, the very foundation of the Jewish experience in this period.

Someday Is Not a Day in the Week Sam Horn,2019-03-12 Inspired me to ask myself why and to stop postponing the forgotten dreams. –Geneen Roth, #1 New York Times bestselling author of Women Food and God and This Messy Magnificent Life Full of inspirational insights and advice, lifehacks, and real-world examples, Someday is Not a Day in the Week is CEO Sam Horn's motivational guide to help readers get what they want in life today rather than someday. Are you: • Working, working, working? • Busy taking care of everyone but yourself? • Wondering what to do with the rest of your life? • Planning to do what makes you happy someday when you have more time, money, or freedom? What if someday never happens? As the Buddha said, "The thing is, we think we have time." Sam Horn is a woman on a mission about not waiting for SOMEDAY ... and this is her manifesto. Her dad's dream was to visit all the National Parks when he retired. He worked six to seven days a week for decades. A week into his long-delayed dream, he had a stroke. Sam doesn't want that to happen to you. She took her business on the road for a Year by the Water. During her travels, she asked people, "Do you like your life? Your job? If so, why? If not, why not?" The surprising insights about what makes people happy or unhappy, what they're doing about it (or not), and why...will inspire you to carve out time for what truly matters now, not later. Life is much too precious to postpone. It's time to put yourself in your own story. The good news is, there are "hacks" you can do right now to make your life more of what you want it to be. And you don't have to be selfish, quit your job, or win the lottery to do them. Sam Horn offers actionable, practical advice in short, snappy chapters to show you how to get started on your best life – now.
