Sacred Secrets Mike Neville, 2012-06-01 Who were Tubalcain, Aholiab and Zabud and what is their significance for the Freemason? There is a general interest in the rituals of Freemasonry, generated in part by the apparently obscure references they contain. This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity. The new Mason is directed to a 'serious contemplation of the Volume of the Sacred Law' – but that is easier said than done without a grounding in the Scriptures, something that fewer and fewer people have. The historical and geographical setting of the Bible is explained here, making such contemplation easier for Mason and non-Mason alike. Mike Neville has systematically cross-referenced the most influential Chapters of the Bible to the ceremonies. It is his intention to get Freemasons to understand the ritual – not just to memorise and regurgitate – as well as to elucidate for the non-Mason. Sacred Secrets will aid the clergy, theologians and any other person interested in Freemasonry to see the links between

ritual and scripture.
