**Protect the Prince** Jennifer Estep,2019-07-02 USA TODAY Bestseller! Magic, murder, adventure, and romance combine in this second novel in the exciting Crown of Shards saga from New York Times and USA Today bestselling author Jennifer Estep. Everleigh Blair might be the new gladiator queen of Bellona, but her problems are far from over. First, Evie has to deal with a court full of arrogant, demanding nobles, all of whom want to get their greedy hands on her crown. As if that wasn't bad enough, an assassin tries to kill Evie in her own throne room. Despite the dangers, Evie goes ahead with a scheduled trip to the neighboring kingdom of Andvari in order to secure a desperately needed alliance. But complicating matters is the stubborn Andvarian king, who wants to punish Evie for the deaths of his countrymen during the Seven Spire massacre. Dark forces are also at work inside the Andvarian palace, and Evie soon realizes that no one is safe. Worse, her immunity to magic starts acting in strange, unexpected ways, which makes Evie wonder whether she is truly strong enough to be a Winter Queen. Evie's magic, life, and crown aren't the only things in danger—so is her heart, thanks to Lucas Sullivan, the Andvarian king's bastard son and Evie's ... well, Evie isn't quite sure what Sullivan is to her. Only one thing is certain—protecting a prince might be even harder than killing a queen...

These are the princes who saved Sleeping Beauty, Cinderella, Snow White, and Rapunzel, respectively, and yet, thanks to those lousy bards who wrote the tales, you likely know them only as Prince Charming. But all of this is about to change. Rejected by their princesses and cast out of their castles, the princes stumble upon an evil plot that could endanger each of their kingdoms. Now it's up to them to triumph over their various shortcomings, take on trolls, bandits, dragons, witches, and other assorted terrors, and become the heroes no one ever thought they could be. Christopher Healy's Hero's Guide to Saving Your Kingdom is a completely original take on the world of fairy tales, the truth about what happens after "happily ever after." It's a must-have for middle grade readers who enjoy their fantasy adventures mixed with the humor of the Diary of a Wimpy Kid books. Witty black-and-white drawings by Todd Harris add to the fun.

Raised as an assassin from birth, Ionia has been given the most dangerous contract yet: to kill the Crown Prince. Only the risk isn't just in losing her life if she fails, but in losing her heart. When the job goes wrong, and Ionia spares the Prince's life instead of taking it, she's thrust into a tangled web of betrayal, danger, and lies. Now she has to team up with the same man she tried to kill in order to save not only him, but his friends as well. In this world of secrets and magic, she'll need to learn to trust her heart, even if it goes against everything she's ever known. Even if it means her death. Warning: This is a reverse harem fantasy/paranormal romance. It contains violence, torture, strong language, magic, and supernatural creatures. This is the first book in The Kingmaker Chronicles and it should be read in order.

*The Beautiful Ones Prince*, 2019-10-29 #1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the book’s images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince’s ideas and vision, his voice and image—his undying gift to the world.

*The Most Beautiful* Mayte Garcia, 2017-04-04 INSTANT NEW YORK TIMES BESTSELLER At the one-year anniversary of his death, legendary musician Prince's first wife shares a uniquely intimate, candid, and revelatory look inside the personal and professional life of one of the world's most beloved icons. In *The Most Beautiful*, a title inspired by the hit song Prince wrote about their legendary love story, Mayte Garcia for the first time shares the deeply personal story of their relationship and offers a singular perspective on the music icon and their world together: from their unconventional meeting backstage at a concert (and the long-distance romance that followed), to their fairy-tale wedding (and their groundbreaking artistic partnership), to the devastating losses that ultimately dissolved their romantic relationship for good. Throughout it all, they shared a bond more intimate than any other in Prince's life. No one else can tell this story or can provide a deeper, more nuanced portrait of Prince—both the famously private man and the pioneering, beloved artist—than Mayte, his partner during some of the most pivotal personal and professional years of his career. *The Most Beautiful* is a book that will be returned to for decades, as Prince's music lives on with generations to come.

*The Slave Prince* Jeyna Grace, 2018-05-29 A retelling absent of the Red Sea For fifteen years, Thom believed he was a prince of Alpenwhist. He had climbed the castle turrets to survey his kingdom, learned to duel with the sharpest blades, and stirred up palace intrigue in disguise. That is, until one day when his identity is suddenly shattered by the revelations of a blind woman: He learns that he isn't a prince at all, but a wretched slave. In a kingdom where ruthlessness is part of everyday life, Thom fears this new truth could be deadly. He takes flight, running from the life he knew and the one he despises, but the call to free his people beckons him home. Armed with a magic stone, which instructs him through surreal visions, he must topple his once beloved brother who has since become a tyrannical king. A fantastical retelling of the story of Moses, Thom's adventure forces him to question if he can succeed in his quest without truly understanding who he is. Because it seems he must unravel his past, present, and future before he can let his people free.
