**Transform Tomorrow** Stig Nybo,2013-01-17 A campaign to prepare Americans for their futures Transform Tomorrow investigates why so many Americans are at risk of out-living their savings. Author Stig Nybo draws inspiration from successful behavior change campaigns to identify the drivers of change—context and beliefs—and how they can be successfully employed to boost retirement savings rates. While the retirement savings industry increasingly embraces the contextual drivers of behavior, very little is being done to shape our beliefs to start saving smarter and sooner. Nybo suggests a retirement readiness campaign to inspire and enlist the support of individuals, employers, industry, government, and the media. Explains how society can transition from treating 401(k) as a voluntary benefit to the basis upon which each individual who wants to or needs to can retire comfortably. Details a national, coordinated retirement readiness campaign, along the lines of successful Public Service Advertisements—like The Crying Indian and Rosie the Riveter—that will help change behavior and re-shape the culture of our nation Makes a call to action for such a campaign Retirement in America is endangered, but Transform Tomorrow shows a path back from the brink.

**When Veins Ignite** Abhijit Naskar, The world doesn't revolve around white, straight, christian males - the sooner you realize this, the sooner you'll see the light of humanity. Earth's champion of humanitarianism Abhijit Naskar delivers us a masterpiece that breathes life into humankind's struggle for inclusion, diversity and equality. As always he presents the fundamentals on stereotypes in simple words. Perception is 99 percent stereotypes and 1 percent truth.

**Tao: The Pathless Path** Osho,2016-07-26 In Tao: The Pathless Path, Osho, one of the greatest spiritual teachers of the twentieth century, comments on five parables from the Leih Tzu, bringing a fresh and contemporary interpretation to the ancient wisdom of Tao. Leih Tzu was a well-known Taoist master in the fourth century B.C., and his sly critiques of a Confucius provide abundant opportunities for the reader to explore the contrasts between the rational and irrational, the male and female, the structured and the spontaneous. “Who Is Really Happy” uses the discovery of a human skull on the roadside to probe into the question of immortality and how misery arises out of the existence of the ego. “A Man Who Knows How to Console Himself” looks beneath the apparent cheerfulness of a wandering monk and asks if there is really a happiness that endures through life’s ups and downs. “No Regrets” is a parable about the difference between the knowledge that is gathered from the outside and the “knowing” that arises from within. “No Rest for the Living” uses a dialogue between a despondent seeker and his master to reveal the limits of philosophy and the crippling consequences of living for the sake of some future goal. “Best Be Still, Best Be Empty” discusses the difference between the path of the will, the via affirmativa of Christianity, Judaism, and Islam, versus the path of the mystic, the via negativa of Buddha and Lao Tzu. Tao: The Pathless Path also features a Q&A section that addresses how Taoist understanding applies to everyday life in concrete, practical terms. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Neden Türk** Abhijit Naskar, “Threat to secularism in one nation is threat to democracy everywhere.” Planet Earth's beloved champion of humanitarianism Abhijit Naskar rises with a masterpiece of democracy to aid human struggle for secularism, in the light of the present deterioration of secularism, inclusion and reason in Turkey.

Consolations David Whyte,2019-11-07 In Consolations David Whyte unpacks aspects of being human that many of us spend our lives trying vainly to avoid - loss, heartbreak, vulnerability, fear - boldly reinterpreting them, fully embracing their complexity, never shying away from paradox in his relentless search for meaning. Beginning with 'Alone' and closing with 'Withdrawal', each piece in this life-affirming book is a meditation on meaning and context, an invitation to shift and broaden our perspectives on life: pain and joy, honesty and anger, confession and vulnerability, the experience of feeling overwhelmed and the desire to run away from it all. Through this lens, procrastination may be a necessary ripening; hiding an act of freedom; and shyness something that accompanies the first stage of revelation. Consolations invites readers into a poetic and thoughtful consideration of words whose meaning and interpretation influence the paths we choose and the way we traverse them throughout our lives.

**David Whyte Essentials** David Whyte,2019-12-06 It is not a coincidence that this book will slide easily into your jacket pocket; you'll want to keep it close for unexpected moments, those gifts of small, beckoning spaciousness amidst all our obligations and necessities. In addition to works written over a span of many years, plus one new poem and one new essay, the book contains David's personal reflections for many of the pieces, providing deeper context to its meaning. In some ways an artistic representation of a close circle of companionship to the work and to the man : edited by his wife, and designed and typeset by close friends Edward Wates and John Nielson, the book forms an elegant testament to David Whyte's most closely-held understanding - that human life cannot be apportioned out as one thing or another; rather, it is best lived as a living conversation, a way between and beyond, made beautiful by darkness as well as light, at its essence both deeply solitary and profoundly communal.--publisher's description.
