Haunted Sleepover B. A. Frade,Stacia Deutsch,2017-10-17 Tales from the Scaremaster is back, bringing a spooky haunted night in a museum with it, in the latest installment of the frightfully fun series perfect for fans of Goosebumps. It's the night that all the sixth-graders at Hamilton Middle School have been waiting for: the annual overnight field trip to the local science museum and planetarium. Best friends Nate and Connor come bearing treats and, unknowingly, tricks in the form of a spooky old book called Tales from the Scaremaster. When Nate and Connor crack open the candy to share with their friends, they also crack open the book, and are shocked to find that it writes back. Pretty soon, creepy things start happening at the museum--ghostly sightings, possessed dioramas that the kids swear are moving, and scary noises and movements at every turn. Weirder still, it seems that the mysterious book might be pulling the strings. Can Nate, Connor, Emily, and Bella uncover the mysteries of the book and the haunted museum--or will they end up its latest victims?

When the Russo family returns home from vacation to discover their nanny, Ruby, has unexpectedly passed away, Matthew takes the news the hardest. After weeks of reeling, his three best friends decide to cheer him up with a night of junk food, prank calls, and scary movies. But their plans for a sleepover are jeopardized when Matt's single mother--unable to take any more time off of work--is forced to hire a new nanny on the fly to watch over Matt and his younger sister, Judy. Miss Swan, however, is all too happy to have the boys over. And although she seems like the perfect babysitter, letting the kids eat whatever they want and mostly leaving them alone, there's something about her that Matt doesn't trust. He thinks she may actually be the witch from local legend--the one who torments children into the night and then eats them. Is he just having a hard time dealing with Ruby's replacement, as his friends suspect? Has he watched one too many scary movies, as his mom fears? Or are he and his horror-buff friends in for the fright of their lives as they come face-to-face with a real monster?
