Inky Stevens, For Whom the School-Bell Tolls Chris Martin,2015-11-25 Inky's back in his latest enthralling whodunit! Blinkton-on-Sea is gripped by the fiercest winter in its history. But the weather is not the town's most pressing problem. When a battered Citroën slides through its backstreets late one night, a sequence of events begins to unfold which culminates in a sinister battle of good versus evil. When a mystery figure sabotages a crucial Maths exam by setting off Blinkton School's fire alarm, a desperate hunt is on to find the culprit. Inky Stevens, rising to the challenge, finds himself drawn into a mystery which extends far beyond the school-gates. Blinkton, he discovers, is harbouring a deadly secret, one which will bring the Great School Detective face to face with his most deadly adversary. His latest mission threatens not only to destroy Inky, but also the very existence of the isolated seaside town. Praise for 'Inky Stevens the Case of the Caretaker's Keys' Cleverly Crafted. The story is set against a background that all teenage readers will identify with. It's well paced and contains enough red herrings to keep the reader desperate to turn the page. Geoffrey M. Step aside J.K.Rowling. A brilliant read with clever plot twists throughout and appealing and engaging characters. This tale of mystery and subterfuge keeps the reader guessing right up to its explosive end. A 'must-read' for mystery fans of all ages! Seventynil. Brilliant Read. Brought loads of memories flooding back. You can tell the writer really understands what makes school kids and their teachers tick. A brilliant mystery that twists and turns right up to its conclusion. Can't wait for the next one! Elaine D.

After The School Bell Rings Carl Grant Hoefs-Bascom,Christine E. Sleeter,2012-11-12 Set in the American community of Rivercrest in a multi-racial junior school, this text provides a portrait of the beliefs and understandings held by students, teachers and administrators with respect to issues such as race, social class and gender.
After the School Bell Rings Carl A. Grant,Christine E. Sleeter,1996 A revised and extended edition reintroducing the Five Bridges Junior High and following 24 students through their high school years and one year afterward. In this ethnographic study, the authors use interviews and observations of

the multi-racial, multi-ethnic students, teachers, and administrators to determine the students' school and career choice aspirations, examining how the schools failed to help them achieve their dreams. The study touches on issues of family, economy, race, social class, and sexism. Annotation copyright by Book News, Inc., Portland, OR

When the School Bell Rang Charlotte Milani, 2004-06-21 When the School Bell Rang is a delightful look back at the little one-room school in Fayville, Massachusetts; a peek inside the classroom to see how the three Rs were taught, how the children were disciplined, what the daily routine was like and something about the teacher who ruled the students. The book is filled with the authors memories and those of her classmates; all attended the Fayville school. A floor plan of the interior of the schoolhouse is included along with photos dating from 1897 to 1946. High nostalgia; a book for all ages.
