The Proximate Voices William L. Stolley,2011-04-19 You cant just reveal something related to the future and then say you cant tell me what it means, Han put to Master Li. Sorry, Li replied. The future is tricky stuff ... if I tell you... I know, Han shot back. Youll upset the natural flow of time. The future doesnt exist. Its made up of probabilities! That doesnt help us. Were in the middle of a crisis! Han is right, Michael added. You must tell us something, Master Li. Our friends lives are at stake. Im not even suppose to be looking at the future when I walk the timeline! Li protested. I only meant to help... Then you leave us no choice but to suffer our fate, Han said, resigned. Chance is all we ever have when fate is concerned, Li pointed out. Perhaps not... if you can figure things out in time... master strategist, Michael suggested. We can only hope, Han said. I have a bad feeling, Michael... this time will be different.

Now, in the fifth installment of the celebrated Seafort Saga, it's trouble on Earth that looms . . ./divDIV Everyone knows Nick Seafort as "the Fisherman"—the hero who stopped the merciless, fishlike aliens when they attacked Earth. Voices of Hope picks up with Seafort decades later, after he's retired as the Secretary General of the United Nations. Despite his trappings of power, he has been unable to aid the so-called transpops, desperate people who live in the dangerous lower levels of New York City./divDIV /divDIVWhen Seafort's son, Philip, follows a friend into the streets of New York, he encounters the transpop culture—one evolved to exist in the shadows and operate with ruthless efficiency. The trannies are a powder keg ready to blow, and a water shortage appears to be the spark to prove that humans can be far more dangerous than any outer-space alien. Long ago, Seafort had braved these violent streets to find his wife; now he must return to save his son./div

This time, it won't go away. It tells Michael it's an alien entity that is able to communicate with him through a portal in his own mind. Not everyone has these portals; he's one of a select few. Michael is happy for the first time in a long while, knowing that perhaps he isn't crazy after all. And with the help of the voice, he develops psychic abilities and uses them to win back control of a private trust that gains him access to a fortune. But now, the voice wants Michael to begin communicating with others who have portals as well. By linking with them, he can share his psychic abilities and they all can become powerful. Join Michael on a fantastic journey filled with adventure, unanswered questions and false appearances in The Distant Voices.
