A Cure for Chaos Tobias Wade,2018-10-19 Life is chaos. Death is the only cure. You're never so vulnerable as when you surrender your body to a hospital. You trust the doctors to know what is best, but these stories show what happens when they have other plans. What if a maternity doctor pretends your child died during birth just so he can steal it? Or a simple operation is used as an excuse to harvest parts? Discover the truth of the asylum in the woods, take the pills which induce mind-bending phobias, and try to escape when you've been institutionalized against your will. A CURE FOR CHAOS is an anthology of horror stories from 30 authors, each with a unique way to thrill and terrify you. From stalking supernatural monsters to the psychopaths hiding in plain sight, these quick reads are perfect for adding excitement to your daily life. Praise for A Cure for Chaos Well written, easy to read, page turner.

The Consolation of Nature Michael McCarthy,Jeremy Mynott,Peter Marren,2020-10-15 Nature took on a new importance for thousands of people when the coronavirus pandemic arrived in Britain, providing solace in a time of great anxiety - not least because the crisis struck at the beginning of spring, the season of hope and renewal; and furthermore, in an extraordinary conjunction, the spring of 2020 turned out to be the loveliest spring ever recorded in Britain. Three nature writers, living like everyone else under lockdown, but walking out each day to exercise, resolved to record their experiences of the coronavirus spring, in widely contrasting parts of the country. They did so to share with others their sense of the wonder, inspiration and delight the natural world can offer, and The Consolation of Nature is the enthralling account of what they discovered by literally walking out from their front doors.

Life Enhancement With Jesus Jim Brandt, 2023-01-26 Jim Brandt grew up in a devout Christian family with good role models. His mother's family was Presbyterian, and his father's family was Baptist. Although he attended church regularly as a youth, he wasn't as consistent as an adult. Brandt always had faith, but sometimes he let other priorities prevail. It was not until much later he began to see how crucial faith is. In *Life Enhancement with Jesus*, Brandt documents the benefits of faith in God against the backdrop of his many experiences. He narrates his life story, telling about actual events that had him striving to live a Christian life. From his birth in 1950, to his upbringing, high school years, service in the Marines, professional work experiences, and family life, Brandt reflects on his choices and the life-altering events that required him to pray and trust his belief in God.

The Zulus of New York Zakes Mda,2019-03-01 The Great Farini would stride on to the stage and announce, 'Ladies and gentlemen, and now for the highlight of the day, the ferocious Zulus.' The impresario Farini introduced Em-Pee and his troupe to his kind of show business, and now they must earn their bread. In 1885 in a bustling New York City, they are the performers who know the true Zulu dances, while all around them fraudsters perform silly jigs. Reports on the Anglo-Zulu War portrayed King Cetshwayo as infamous, and audiences in London and New York flock to see his kin. What the gawking spectators don't know is that Em-Pee once carried nothing but his spear and shield, when he had to flee his king. But amid the city's squalid vaudeville acts appears a vision that leaves Em-Pee breathless: in a cage in Madison Square Park is Acol, a Dinka princess on display. For Em-Pee, it is love at first sight, though Acol is not free to love anyone back.

Embrace the Case Interview Brad Schiller, 2014-01-13 Embrace the Case Interview walks you through each step on the path to your dream consulting job as described by a former management consultant who conducted over 100 interviews for a top-tier firm. First, we cover how to get the interview including how to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter. Second, we cover the behavioral part of the interview. Often overlooked, the behavioral part of the interview covers your personal experiences and is often just as valuable as the case interview. We discuss the traits interviewers are looking for and how to answer their questions in a structured way. Third, we take an in-depth look at the case interview itself. Unlike books that focus on segmenting cases and applying frameworks, you will learn a single, flexible structure that you will apply to any case with

deadly effectiveness. In addition to structuring the case, you will learn approaches for the cases' other parts including qualitative questions, quantitative problems, exhibit analysis, and synthesis. Embrace the Case Interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases. As such, each example case contains an in-depth discussion of the text book answer to help you improve. For more information, please visit embracethecaseinterview.com. Enjoy the book and best of luck in your upcoming interviews!
