The 1990s Teen Horror Cycle Alexandra West,2018-06-05 Many critics and fans refer to the 1990s as the decade that horror forgot, with few notable entries in the genre. Yet horror went mainstream in the '90s by speaking to the anxieties of American youth during one of the country's most prosperous eras. No longer were films made on low budgets and dependent on devotees for success. Horror found its way onto magazine covers, fashion ads and CD soundtrack covers. "Girl power" feminism and a growing distaste for consumerism defined an audience that both embraced and rejected the commercial appeal of these films. This in-depth study examines the youth subculture and politics of the era, focusing on such films as *Buffy the Vampire Slayer* (1992), *Scream* (1996), *I Know What You Did Last Summer* (1997), *Idle Hands* (1999) and *Cherry Falls* (2000).

A Parent's Guide to Managing Childhood Grief Katie Lear,2022-07-05 Help your child navigate feelings of sadness and loss with 100 unique, activity-based approaches that help them manage their childhood grief in a healthy and constructive way. The loss of a loved one is a complex, confusing experience for a child to understand. Children may struggle to express, process, and manage their complicated and conflicting feelings, whether the loss is a parent, grandparent, sibling, or even a pet. So, what should you do to help your child process their sadness, loss, and frustration in a more healthy, positive way? In *A Parent's Guide to Managing Grief*, you'll learn everything you need to know about how children grieve and what you can do to support them during their most difficult moments. From there, you'll find 100 activities that you can use in a group setting, activities that you (or another caregiver) can do alone with your child, and ways to make the most of virtual interactions to support a grieving child. Explore activities like: - Making a scream box -Playing with clay -Feelings charades game -Making a memory bracelet -And many more! It can feel difficult to connect with your child as you process your own complicated emotions surrounding loss. Use these activities to help bridge the gap between you and your child and to help you both find comfort in a difficult situation. You'll find all the tools you need to help your child (and even yourself) healthily process your grief and move towards happiness, understanding, and acceptance together.

**Systems Theory and Scientific Philosophy** John Bryant,1991 Systems Theory and Scientific Philosophy constitutes a totally new approach to philosophy, the philosophy of mind and the problems of artificial intelligence, and is based upon the pioneering work in cybernetics of W. Ross Ashby. While science is humanity's attempt to know how the world works and philosophy its attempt to know why, scientific philosophy is the application of scientific techniques to questions of philosophy. In this vein, Bryant explores utility theory, the theories of relative existence and build-up release, and analyzes such hitherto-unidentified phenomena as positive pleasure, the problems of voting motivation, the trademark paradox, the paradox of value, and Gresham's Law for drugs. Contents: Part One: Science and Systems Theory; Part Two: Mind and System; Part Three: Systems Theory and Social Philosophy.

**L.A. is the Capital of Kansas** Richard Meltzer,1988 Meltzer casts a cold eye on the city of Los Angeles, California. In 33 essays originally published in the *Village Voice*, the *L.A. Reader*, and *L.A. Weekly*, he counts the ways he hates L.A.

**Rethinking Horror in the New Economies of Television** Stella Marie Gaynor,2022-06-07 This book explores the cycle of horror on US television in the decade following the launch of *The Walking Dead*, considering the horror genre from an industrial perspective. Examining TV horror through rich industrial and textual analysis, this book reveals the strategies and ambitions of cable and network channels, as well as Netflix and Shudder, with regards to horror serialization. Selected case studies; including *American Horror Story*, *The Haunting of Hill House*, *Creepshow*, *Ash vs Evil Dead*, and *Hannibal*; explore horror drama and the utilization of genre, cult and classic horror texts, as well as the exploitation of fan practice, in the changing economic landscape of contemporary US television. In the first detailed exploration of graphic horror special effects as a marker of technical excellence, and how these skills are used for the promotion of TV horror drama, Gaynor makes the case that horror has become a cornerstone of US television.

**JPRS Report** ,1990

*Ollie the Octopus Loss and Bereavement Activity Book* Karen Treisman,2021-06-17 In a magical underwater forest lived a colourful and loveable Octopus called Ollie, who loved swimming with his friends and spending time with his mum and dad, Orla and Orson the Octopuses. Until one day, Orla started to get very sick. The doctors did everything they could to help her, but very sadly, Orla died. Ollie had so many thoughts and feelings spinning around in his head, and his heart was hurting. This activity book has been developed by expert child Psychologist and bestselling author Dr. Karen Treisman. The first part of the book is a colourful illustrated therapeutic story about Ollie the Octopus, with a focus on Ollie making sense of and processing the loss of his mum, Orla. This is followed by a wealth of creative activities and colourful photocopiable worksheets for children and the people supporting them to explore aspects of loss, grief, death, and bereavement, and how to find ways to understand and cope with them. The final section of the book is full of advice and practical strategies for parents, carers, and professionals on how to help children aged 5-10 to begin to understand the complex and multi-layered feelings surrounding loss and bereavement, and what they can do to help navigate them through their grief journey. This activity book is complemented by a standalone picture book of Ollie's story, also available from Jessica Kingsley Publishers (*Ollie the Octopus*, ISBN 9781839970238).

Silent Hill 2 Mike Drucker,2021-01-26 A troubled man travels to a mysterious town from his past after receiving a letter from his wife... who's been dead for years. And while our hero explores dark corridors and battles countless disturbing enemies, his journey offers more psychological horror than survival horror. Welcome to Silent Hill, where the monster is you. *Silent Hill 2* doubles down on what made the first game so compelling: The feeling of being lost in a foggy, upside-down town as unsettling as it is familiar. Nearly two decades after first experiencing *Silent Hill 2*, writer and comedian Mike Drucker returns to its dark depths to explore how this bold video game delivers an experience that is tense, nightmarish, and anything but fun. With an in-depth and highly personal study of its tragic cast of characters, and a critical examination of developer Konami's world design and uneven marketing strategy, Drucker examines how *Silent Hill 2* forces its players to grapple with the fact that very real-world terrors of trauma, abuse, shame, and guilt are far more threatening than any pyramid-headed monster could ever be.

Slash of the Titans Dustin McNeill,2017-03-10 Presents a revealing look at why it took New Line Cinema nearly ten years and four-million-dollars to find the right screenplay for *Freddy vs Jason*. Featuring new interviews with the original writers and filmmakers, *Slash* details the production's troubled history from the surprise ending of *Jason Goes to Hell* all the way to the crossover's red carpet premiere. Read about the many rejected storylines and learn how the project was eventually able to escape from development hell. This is the story of one film, two horror icons and seventeen screenwriters.

*Working Therapeutically with Families* Tonia Caselman,Kimberly Hill,2014-03-21 This resource provides a wealth of activities to use in therapeutic work with families, tailored to meet the particular needs of different types of family. Chapters are organized by family type, and include divorced families, families with an incarcerated parent, grandparent-led families, families with substance abuse issues, and families in grief. Each chapter includes a host of therapeutic activities that are appropriate, and most effective, with each family type. Chapters also include a discussion of the context, the strengths and weaknesses of each family type, the challenges they face, and best practices for effective intervention. Clear instructions and follow up discussion questions are included. This will be an essential guide for all those working with families, including counsellors, family therapists, social workers and psychologists.

**Billboard** ,1995-07-08 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**The Lesbian Postmodern** Laura L. Doan,1994 This collection of essays explores the shifting definitions of the terms lesbian and postmodern, the lesbian in contemporary fiction and Hollywood film, and the pitfalls and rewards of the recent lesbian theory.

**To Find and Wake the Dreamer** Hugh Cook,2005-12-01 A fast-moving fantasy novel, a no-holds-barred novel written on an adult level, about the war on terror. In the city state of Oolong Morblock, where a certain proportion of the people have a natural ability to cause themselves to explode, in

effect making them potential suicide bombers, Ibrahim Chess tries to find the middle road: to steer a course of moderation and sanity in a world which is going mad, and where the civil peace is threatened by the increasingly intolerant fanaticism of the conflict between the minority group to which Ibrahim belongs, the astrals, and the city state's dominant group, the norms. Note: this book contains some disturbing scenes. If you do not find something in this book to disturb you then you are a seriously disturbed person. Are you a person of exquisite good taste? Then, sorry, but you are disqualified as a reader. This book pretty much takes the attitude that boundaries (especially boundaries of taste) are there to be breached. You have been warned!

**Billboard** ,1995-07-15 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**The Slob** Aron Beauregard,2020-11-18 SOME STAINS DON'T COME OUT... Raised in a household so filthy it was stomach-spilling, Vera involuntarily evolved into a neat freak. Upon discovering she and her disabled husband Daniel are expecting, she needs fast cash. Her obsession with cleanliness sprouts the concept that her skills can be put to use in a unique way. She takes a stab at the booming door-to-door vacuum sales business of 1988. All is going well until she arrives at the steps of a house that will change her forever. The steps of an evil that resurrects the ghastly memories she so desperately tried to wash away. Nothing will prepare you for the nastiness, disorder and sickening horror brought forth by... The Slob.

**The Empty Man #6** Cullen Bunn,2014-12-10 Final issue! Agents Langford and Jensen finally come face-to-face with the supernatural culprits who kidnapped the Simmons children, while Sister makes a last-ditch attempt to free her brother from the clutches of the sadistic Reverend Markoff.

**Son of The Slob** Aron Beauregard,2021-07-28 LIKE FATHER, LIKE SON? Vera Harlow is a survivor. After a chance encounter led to her being held captive in a disgusting house of horrors, she fought tooth and nail to escape the clutches of a man known only as The Slob. But while she may have fled the disastrous situation, the details of her struggle are now carved into her flesh and soul. Vera's son is the product of utter depravity. Harold, the sinister seed left by the man who took everything from her, continues to blossom in nauseating fashion. His features and habits are stomach-churning, vividly familiar, and becoming more disturbing by the day. Determined to coax out the bright side of her child that she sees an occasional glimpse of, Vera strives for normalcy. But will the faint light she's chasing shine through the darkness or will she be left cleaning up another gruesome mess? The sequel to Aron Beauregard's Splatterpunk Award-Nominated work of depravity, The Slob, will bring you back to the forefront of filth and carnage with a new, unique, and terrifying trajectory. WARNING: This book contains graphic content. Reader discretion is advised.

**Yellow** Aron Beauregard,2021 WHAT WOULD YOU DO IF THEY TOOK EVERYTHING? Oliver Fitch has a troubling issue; he lives in a state of constant terror. After purchasing a convenience store in a once civil society, the streets around him have rapidly devolved into utter lawlessness. They're now festering with sinister gutter scum that only live to harass and intimidate him. His pathetic profits are gouged under the threat of violence and there isn't a damn thing he can do about it. Because in a city with no rules, where the sun never shines, the authorities are no help. In fact, they're an equal part of the problem. The relentless fear of confrontation is so obvious that even Oliver's wife Lydia has grown to resent his spineless existence. The absence of bravado opens the door to a horrific home invasion that leaves the miserable pair savagely maimed. From there, things only get worse until the criminal leeches have taken everything. Until there's nothing left inside but hate and the gnawing hunger for revenge. Until a switch finally flips and Oliver realizes that they all have to die.

Unveiling the Magic of Words: A Review of "**Screambox 10**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Screambox 10**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
