DMA-Donna Michelle Anderson

The Perfect Pitch Ken Rotcop, James K. Shea, 2001 Learn how to communicate through a memorable and passionate pitch that will make you and your story a winner. A terrific book for anyone interested in how showbiz works.

Mastering the Pitch Scott Kirkpatrick, 2022-11-29 Told from the perspective of a Hollywood executive with nearly 20 years' experience professionally pitching and distributing film/TV projects, *Mastering the Pitch* reveals all the nuanced details of the pitching process. Readers will gain valuable insights into how the Hollywood system operates, improve their professional pitching skills and gain a competitive edge in getting their ideas from concept to greenlight. This book covers: how projects are packaged and developed before a pitch how a pitch presentation happens in a real-world setting the core concepts required to pitch each genre type how professional companies actually acquire a pitched project the legal workflows and financial details required to put a deal together examples of pitch documents, presentation materials and how these elements should be designed how to build your personal brand so that you're seen by Hollywood decision makers as someone capable of delivering great projects; and how you should speak to professionals about the business viability of your projects *Mastering the Pitch* is a valuable crossover text, designed to help both students and veteran film/TV producers alike hone their pitching and presentation skills.

Breaking In Lee Jessup, 2017-03-31 *Breaking In: Tales from the Screenwriting Trenches* is a no-nonsense, boots-on-the-ground exploration of how writers REALLY go from emerging to professional in today's highly saturated and competitive screenwriting space. With a focus on writers who have gotten representation and broken into the TV or feature film space after the critical 2008 WGA strike and financial market collapse, the reader will learn from tangible examples of how success was achieved via hard work and specific methodology. This book includes interviews from writers who wrote major studio releases (*The Boy Next Door*), staffed on television shows (*American Crime*, *NCIS New Orleans*, *Sleepy Hollow*), sold specs and television shows, placed in competitions, and were accepted to prestigious network and studio writing programs. These interviews are presented as Screenwriter Spotlights throughout the book and are supported by insight from top-selling agents and managers (including those who have sold scripts and pilots, had their writers named to prestigious lists such as *The Black List* and *The Hit List*) as well as working industry executives. Together, these anecdotes, learnings and perceptions, tied in with the author's extensive experience in and knowledge of the industry, will inform the reader about how the industry REALLY works, what it expects from both working and emerging writers, as well as what next steps the writer should engage in, in order to move their screenwriting career forward.

Pitching a Screenplay Script Magazine Editors, Jeanne Bowerman, 2016-05-31

Congratulations! You've written the next blockbuster hit! But...now what? Writing your screenplay is just the first step. If you don't take it out into the world and pitch it, your script will never get sold. Pitching a Screenplay: Essential Advice for Before, During and After a Pitching Event can help you take that next step. This collection of articles from Script Magazine will take you through the ins and outs of crafting and delivering a truly impressive pitch. Just how valuable are pitchfests? These articles explore what you can really expect to get out of spending your time and money at pitchfests. You will learn about pitchfest misconceptions and how networking and building relationships with producers can be the most valuable takeaway from any pitching event. You will learn how to prepare for a pitchfest: what research you need to conduct, what to bring, what to wear, and how to begin. These articles cover how to make a great first impression, the dos and don'ts of pitching, what phrases will make you sound like a rookie during a pitch meeting, and important tips to know before submitting your script. You will learn the 5 steps for pitching success, which include concentrating on the needs of the producers besides your own and turning rejection into connection. Pitching a Screenplay: Essential Advice for Before, During and After a Pitching Event also delves into the importance of listening, having both a prepared and improvisational phase of your pitch, and knowing your weaknesses. Contributors to this collection include Jeanne Veillette Bowerman (editor for Script Magazine), Lee Jessup (career coach to

notable screenwriters), Jacob Krueger (writer of The Matthew Shepard Story), Stephanie Palmer (leader of the American Film Market's annual Pitch Conference), and Wendy Kram (producer and owner of L.A. FOR HIRE). Don't let your script gather dust of the shelf! Take the next step toward getting your vision produced with help from Pitching a Screenplay: Essential Advice for Before, During and After a Pitching Event.

Breakfast with Sharks Michael Lent, 2007-12-18 What They Didn't Teach You in Your Screenwriting Course Screenwriters, listen up! Breakfast with Sharks is not a book about the craft of screenwriting. This is a book about the business of managing your screenwriting career, from advice on choosing an agent to tips on juggling three deal-making breakfasts a day. Prescriptive and useful, Breakfast with Sharks is a real guide to navigating the murky waters of the Hollywood system. Unlike most of the screenwriting books available, here's one that tells you what to do after you've finished your surefire-hit screenplay. Written from the perspective of Michael Lent, an in-the-trenches working screenwriter in Hollywood, this is a real-world look into the script-to-screen business as it is practiced today. Breakfast with Sharks is filled with useful advice on everything from the ins and outs of moving to Los Angeles to understanding terms like "spec," "option," and "assignment." Here you'll learn what to expect from agents and managers and

who does what in the studio hierarchy. And most important, *Breakfast with Sharks* will help you nail your pitch so the studio exec can't say no. Rounded out with a Q&A section and resource lists of script competitions, film festivals, trade associations, industry publications, and more, *Breakfast with Sharks* is chock-full of "take this and use it right now" information for screenwriters at any stage of their careers.

Jaws in Space Charles Harris, 2016-08-25 Two screenwriters once walked into a Hollywood producer's office and said three words *Jaws in space*. Those three words won them the contract for the blockbuster movie *Alien*. The ability to pitch well is essential for all writers, directors and producers in cinema and TV. Strong pitching skills will accelerate your career—not only helping you sell your projects, but also developing them in the first place, focusing on what makes a story work, clarifying character and plot, and working more successfully with industry collaborators. This book takes you from the essentials of what makes a good pitch to advanced skills that will help you in all kinds of pitching situations. Charles Harris gives a clear-sighted view of how pitching works in the industry and a series of very practical techniques for developing a gripping and convincing pitch. Drawing on his experience, he examines the problems that can arise with both mainstream and unconventional projects, from a range of different cultures, and explains how to solve them. He also analyzes the process of taking a pitch meeting and shows you how to ensure you perform at your best.

Prewriting Your Screenplay Michael Tabb, 2018-07-16 Prewriting Your Screenplay cements all the bricks of a story's foundations together and forms a single, organic story-growing technique, starting with a blank slate. It shows writers how to design each element so that they perfectly interlock together like pieces of a puzzle, creating a stronger story foundation that does not leave gaps and holes for readers to find. This construction process is performed one piece at a time, one character at a time, building and incorporating each element into the whole. The book provides a clear-cut set of lessons that teaches how to construct that story base around concepts as individual as the writer's personal opinions, helping to foster an individual writer's voice. It also features end-of-chapter exercises that offer step-by-step guidance in applying each lesson, providing screenwriters with a concrete approach to building a strong foundation for a screenplay. This is the quintessential book for all writers taking their first steps towards developing a screenplay from nothing, getting them over that first monumental hump, resulting in a well-formulated story concept that is cohesive and professional.

The Complete Guide to Writing a Successful Screenplay Melissa Samaroo, 2015-02-06 This guide outlines time saving tools to hone your writing, so you can attract Hollywood agents and producers. You will discover how to create (and stick to) a timeline and deadline, whether writing your screenplay is a full- or part-time job. Writing and pitching a screenplay is nothing like writing a novel, and this book presents screenplay-specific information vital for any aspiring film writer. This book discusses how to write great openings and endings -- the vital elements of a successful screenplay (and eventually movie) -- and how to create characters that grow and evolve as the plot thickens. One of the hardest parts of writing a screenplay is developing a solid dialogue, and this book takes you through, step-by-step, how to fine-tune your characters' dialogue so it is not only believable but also well-written. Once your script is polished and perfect, you will need to pitch it to the public, and this book shows you how. You will grasp how to write a compelling query letter that is specifically geared

to what agents are looking for, so your chances of getting represented are increased. Veteran screenwriters, television and film producers, agents, and directors have been interviewed for this book, and their experiences are showcased here, giving you their insider secrets on how to best write and sell your script. This book also contains an extensive resource section of production companies that are eager to receive and package your script, including the genre they are looking for, so you know exactly who to contact. If you are eager to jump into Hollywood as the next big thing in screenwriting, this guide will help you to get there.

How To Write: A Screenplay Mark Evan Schwartz, 2007-04-15 There are hundreds of books on the market, all trying to teach you how to write a screenplay. Several of them are excellent and useful books. But never - until now - has there been a screenwriting manual written in the form of a screenplay. Our hero, the aspiring screenwriter Danny, is hopelessly in love with Bebe, a hot young starlet. But Bebe won't go out with Danny until he proves that he can write a brilliant screenplay for her. Helped along the way by a mysterious guide (Virgil) with seemingly magical powers, Danny travels to Screenwriting Hell to see what happens to writers who never make the grade. Virgil teaches him the tricks of the trade, the fundamental techniques that all screenwriters have to master, no matter how great their ideas. But there's something a little strange about Virgil, and Danny is never sure whether to trust him or not... As well as the screenplay itself, the book includes an

introduction explaining how to get the most out of the screenplay, the log line, the synopsis, character bios, the treatment, and The Pitch - a short scene that shows the author pitching his screenplay to a big-shot producer.

William Goldman William Goldman, 1997-01-01 (Applause Books). A collection of five screenplays by this Academy Award-winning writer.
