Prolific Screenwriter Karl J. Niemiec,2010-07-20 5 out of 5 stars Screenwriting, January 5, 2013 By eiggjohn – Amazon Verified Purchase This review is from: I found this to be a very helpful addition to my 'Screenplay How to Books'. It takes a little while to grasp the concept but once grasped it is never to be forgotten. Plus by using this formula it does leave time for other things in life. A great companion to 'The Screenwriters Bible'. Finally, a no-nonsense handbook for getting a first draft done. Mary McIntyre Brown Writer/Producer – Pentacom Productions. How to be a Prolific Screenwriter is a Simple Five-Step-Reformatting Technique that turns your outlines and books into screenplays and stage plays. A great writing tool for students of all ages. It is a comprehensive accessory to all screenplay and stage play writing books, software and classes for both new and experienced writers. It helps eliminate fear of the blank page forever. By the end of this book you can read The Night Before Halloween the script that got me my first Hollywood Agent and you'll understand why everyone can write screenplays and stage plays this way. If you are an agent, manager or teacher who would like to see your clients or students become more prolific, send them a copy of Prolific Screenwriter today. To use this simple Five-Step Reformatting Technique a writer will need a computer. This book is designed to speed up the script writing process allowing the writer to get more ideas into screenplay structure in less time. Those of you who are already proficient with the screenplay page and story structure will find this reformatting technique extremely helpful. For those of you who are not familiar with screenplay page structure I recommend using Final Draft. For the professional screenwriter shackled by writing other people's visions –– this technique will help fulfill your fruitfulness and free up your time to work on your own projects. If you're in film school this book could possibly keep you sane, leave you time to study and give you hope. The faster you type the faster this technique will work. The more you know about screenplay structure the more this technique will work. The better storyteller you are the better this technique will work. For those of you who are using similar formulas that

deal with complete outlines, you're in luck. This book is for you. Happy Writing. Karl J. Niemiec

Blueprint for Screenwriting Rachel Ballon,2014-04-04 Blueprint for Screenwriting demystifies the writing process by developing a blueprint for writers to follow for each new screenplay--from original concept to completed script. Author and international script consultant Dr. Rachel Ballon explores the writing craft and emphasizes creativity in the writing process. She blends her expertise in script analysis and writing coaching with her personal experience as a screenwriter to help writers construct their stories and characters. Starting with the story's framework, Dr. Ballon helps readers to understand the key building blocks of story structure and character development, including characters' emotional and psychological states, story conflicts, and scene and act structure. She also covers the essential components in the script writing process, such as outlines, script treatments, synopses, and formats. Dr. Ballon devotes a chapter to overcoming writer's block--the writer's greatest obstacle--and offers guidance for taking the next steps once a script is completed. A practical tool for any writer, this distinctive resource: *offers a blueprint for writers to follow, breaking the writing process down into specific, easy-to-follow steps; *stresses the psychology of the characters as well as that of the writer; and *offers first-hand knowledge of the screenwriting process and gives practical advice for completing and marketing scripts. With its unique and insightful approach to the writing process, this book will be indispensable for scriptwriters, fiction writers, and professional writers, and it will serve as a useful text in screenwriting courses.

How to Build a Great Screenplay David Howard,2010-04-01 How to Bulid a Great Screenplay is a definitive guide on the mechanics of screenwriting--filled with examples--from the author of The Tools of Screenwriting. Acclaimed USC screenwriting teacher David Howard has guided hundreds of students to careers in writing for film and television. Drawing on decades of practical experience and savvy, How to Build a Great Screenplay deconstructs the craft of screenwriting and carefully reveals how to build a good story from the ground up. Howard eschews the system offered by other books, emphasizing that a great screenplay requires dozens of unique decisions by the author. He offers in-depth considerations of: * characterization * story arc * plotting and subplotting * dealing with coincidence in story plotting * classical vs. revolutionary screenplay structure * tone, style, and atmosphere * the use of time on screen * the creation of drama and tension * crucial moments in storytelling Throughout the book, Howard clarifies his lessons through examples from some of the most successful Hollywood and international script-oriented films, including Pulp Fiction, American Beauty, Trainspotting, North by Northwest, Chinatown, and others. The end result is what could very well become the classic text in the field---a bible for the burgeoning screenwriter.

The 1-3-5 Story Structure Made Simple System Donna Michelle Anderson,2006 Hundreds of books claim they can teach you how to write the perfect script. Listen up: your script doesnt need to be perfect to sell! It does need to include nine standard story elements. Producer, writer and story analyst Donna Michelle Anderson, best known in the industry as DMA, has been hammering this point home for more than a decade at UCLA Extension Writers Program, film fests, production companies and more, and as the founder and screenwriting instructor of the Movie in a Box one-day filmmaking seminars.With this concise guide, DMA brings you the simplest steps to unifying a theme, character arc and spine, then streamlining those elements into a sellable script. She calls it The 1-3-5 System. Youre going to call it a miracle.

Master Screenplay Sequences Alex Bloom,2018 Want To Know What's Really Going On Under Three Act Screenplay Structure?This screenwriting book moves past generic screenplay analysis of structure, i.e. three big, boring acts, to discover the seven sequences underpinning them.Master Screenplay Sequences is one of only two screenwriting books available dedicated to sequences, and will revolutionize your understanding of structure by showing you how to break scripts down into manageable ten to fifteen minute chunks, or mini-movies.-- Fully understand how to make conflict easier to create and escalate by utilizing sequences.-- Structure your entire script much more easily by breaking it down into 7 or 8 mini movies rather than big, long acts.-- Write your screenplays quicker and easier than ever before.-- Learn how to create page turner screenplays, just like the pros by using the highs and lows natural to sequence structure. This Book Includes...1. A complete analysis of sequences missing from most screenwriting books and courses enabling you to step up to the level of pro regarding structure.We fully explain how sequences work by breaking them down to show their inner workings -- how they should be viewed as mini movies with their own 3 act structure and how they fit within the overall screenplay.2. Breakdowns of 5 popular films demonstrating how sequences are applied by professional screenwriters in their screenplays.We take a look at one movie in each of the major genres, showing how sequences are applied across all types of films, from Comedies to Horrors.Who Should Buy This Book?Any screenwriter who wants to...-- Break their script into 7 or 8 manageable chunks making it easier to navigate that long, long 2nd act and easier to write overall.-- Get powerful and practical tools to truly master screenplay structure and take command of their story.-- Learn how sequences are self-contained mini-movies with 3 acts (segments) and 6 major plot points of their own.-- Make conflict easier to write by escalating tension toward sequence plot points instead of act plot points.-- Produce a tightly written screenplay that will win contests and attract the attention of agents, managers and producers.-- Learn how everything fits together in a screenplay -- how acts, sequences, segments and scenes all use the same plot points.We've Helped 100's Of Screenwriters Master Structure...And now we've put all our years of knowledge into this book. After learning and applying our sequence method, many of our writers have quickly gained representation with an agent or manager.Others have optioned or sold their first screenplay.Some have gone on to win or place in the top 5 of major screenwriting contests.Learn how to apply sequences to your screenplay and join the ranks of satisfied screenwriters.The Truth Is This: If you want to make it as a screenwriter, a total knowledge of sequences and how they underpin 3 act structure is

essential. That's why we decided to write this book, as we felt this crucial information is really absent from most books on screenwriting and courses.It's time to break free from the generic framework of 3 acts and only 5 major plot points. Learn from the breakdowns of 5 great films -- one from each major genre -- the true inner workings of screenplay structure and apply it to your own scripts.
