**James H. Laster**

**Search Me** L.A. Witt,2014 In the beginning, Detective Andrew Carmichael and paramedic Nick Swain barely escaped Nick's delusional stalker with their lives. Now, months later, the physical scars haven't quite healed, and neither have the emotional ones. Lingering guilt and resentment threaten to tear their relationship apart, but Andrew isn't ready to give up. He's nearly lost Nick once, and he's not giving him up this time without a fight. In a last ditch effort to keep them together, Andrew suggests a weekend away, but is that enough time to find a reason to keep their relationship alive? Or is it time to let Nick walk away? This book was previously published.

*Come Search with Me* Subodh K. Pandit,2008 Publisher description: The politically incorrect, and yet bold, comparison of the five great world religions - Hinduism, Islam, Christianity, Buddhism and Judaism - is replete with citations from the various scriptures, sufficiently vindicating the positions reached; and making the final conclusion regarding the Bible and Jesus very compelling and difficult to deny.

**Me-Search and Re-Search** DeMethra LaSha Bradley,Robert Nash,2011-03-01 From the Foreword: Robert and DeMethra's book, Me-Searching and Re-Search, has caught my fancy in a number of ways. The book title cleverly captures what SPN is all about—it is about self narratives (the “me-search” part) and about scholarly meaning making (the “re-

search” part). This eye-catching title also illuminates the authors’ intent to turn this seemingly intimidating method of self-inquiry into something very accessible and doable. Their jargon-free language is friendly and inviting. Although they don’t intend to make their many methodological tips and tools too prescriptive, their practical suggestions provided in this guide book are, indeed, helpful and useful. I believe that Robert and DeMethra have demonstrated admirable talents as effective educators by unpacking the complex method of SPN writing into bite-sized steps. I am fully convinced that the steps will help both novices, and the experienced researcher, to reach the ultimate height of producing engaging, and scholarly significant, SPN’s. The book is also fun to read. The authors intersperse throughout their own SPN’s, pedagogical insights from their doing and teaching, and real-life stories, in order to illustrate the methodological process, challenges, and triumphs.

**Where You Can Find Me** Sheri Joseph, 2013-04-16 A searing exploration of a family's struggle to heal in the wake of unthinkable tragedy A week after his eleventh birthday, Caleb Vincent vanishes with hardly a trace. After a three-year search, he is found living a seemingly normal life under a new name with a man he calls his father. While outwardly stunned with joy at his safe recovery, Caleb's parents and sister are privately scrambling to gather together the pieces of a shattered family. To escape the relentless media attention surrounding her son's return, Caleb's mother, Marlene, decides to flee the country and seek refuge in Costa Rica with Caleb and his younger sister, against her estranged husband's wishes. There Marlene forms a makeshift household with her husband's expat mother and his charming, aimless older brother, all residing in a broken-

down hotel perched at the blustery apex of the continental divide. In the clouds of their new home, the mystery of Caleb's time gone unfolds while new dangers threaten to pull him back toward his former life. *Where You Can Find Me*, a darkly incandescent novel that progresses with page-turning suspense, is sure to establish award-winning author Sheri Joseph as a household name.

**Me in Search of You** Jenna Langbaum, 2021-05-04 Part I delves into a young, tender college relationship that stretches from New York City to Texas and rips apart. Part II is what happens after—the gritty, lonely, and sometimes dazzling world of dating in New York City: fix-ups, first dates, third dates, many, many Bumble dates, one terrible Tinder date, the often strangeness of two strangers, the often thrill of two strangers, and even one glorious cab driver who doubles as a love psychic. *Me in Search of You* delves into the

starts and stops, the ebbs and flows of not only dating but the triumphant self-discovery that comes along with it. Each piece is nameless in the hope that you'll crawl into them and see yourself.

**Where You'll Find Me, and Other Stories** Ann Beattie,1986 Hailed by the Washington Post Book World as one of our era's most vital masters of the short form, Ann Beattie offers readers unforgettable glimpses of people coming to terms with the world around them. Most of the characters in *Where You'll Find Me* grew up in the 1960s and 1970s; when we meet them they are in their twenties and thirties and embody a curious, yet familiar, fusion of hope and despair. In finely crafted, often surprising narratives, Beattie writes of women nursing broken hearts, men looking for love, and married couples struggling to stay together.

**Find Me** Laura van den Berg,2015-02-17 After two acclaimed story collections, Laura

van den Berg brings us *Find Me*, her highly anticipated debut novel—a gripping, imaginative, darkly funny tale of a young woman struggling to find her place in the world. Joy has no one. She spends her days working the graveyard shift at a grocery store outside Boston and nursing an addiction to cough syrup, an attempt to suppress her troubled past. But when a sickness that begins with memory loss and ends with death sweeps the country, Joy, for the first time in her life, seems to have an advantage: she is immune. When Joy's immunity gains her admittance to a hospital in rural Kansas, she sees a chance to escape her bleak existence. There she submits to peculiar treatments and follows seemingly arbitrary rules, forming cautious bonds with other patients—including her roommate, whom she turns to in the night for comfort, and twin boys who are digging a secret tunnel. As winter descends, the hospital's fragile order breaks down and Joy breaks free, embarking on a journey from Kansas to Florida, where she believes she can find her birth mother, the woman who abandoned her as a child. On the road in a devastated America, she encounters mysterious companions, cities turned strange, and one very eerie house. As Joy closes in on Florida, she must confront her own damaged memory and the secrets she has been keeping from herself.

**Help Me to Find My People** Heather Andrea Williams, 2012-06-01 After the Civil War, African Americans placed poignant information wanted advertisements in newspapers, searching for missing family members. Inspired by the power of these ads, Heather Andrea Williams uses slave narratives, letters, interviews, public records, and diaries to guide readers back to devastating moments of family separation during slavery when people were sold away from parents, siblings, spouses, and children. Williams explores the heartbreaking stories of separation and the long, usually unsuccessful journeys toward reunification. Examining the interior lives of the enslaved and freedpeople as they tried to come to terms with great loss, Williams grounds their grief, fear, anger, longing, frustration, and hope in the history of American slavery and the domestic slave trade. Williams follows those who were separated, chronicles their searches, and documents the rare experience of reunion. She also explores the sympathy, indifference, hostility, or empathy expressed by whites about sundered black families. Williams shows how searches for family members in the post-Civil War era continue to reverberate in African American culture in the ongoing search for family history and connection across generations.

*Catalogue of Choral Music Arranged in Biblical Order* James H. Laster, 1996-06-11 This second edition of Laster's Catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973, more than doubling

the number of citations. It is designed as an aid for the church musician and/or pastor seeking to plan unified worship services. It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons, as well as a source for non-church choir directors who would like to locate choral settings based on a particular passage from Scripture. Entries are arranged from Genesis through Revelation. Each main entry citation provides the biblical reference (book, chapter, and verse), as well as a reference to additional passages from Scripture used in the anthem. The composer, arranger, or editor and the title are listed as they appear on the octavo. Information on voicing, solos, and instrumental accompaniment is noted; the name of the publisher, the most recent date of publication and the octavo number appear at the end of each citation, where information on instrumental parts, other versions of the same title, and collections where the work might appear are also listed. Composer and title indexes round off the work.
