A Season for the Spirit Martin L. Smith, 2004-11-01 Spiritually hungry readers who want to breakthrough to a deeper experience of prayer and want practical help for Lent need look no further than to Martin Smith's *A Season for the Spirit*. Originally commissioned by the Archbishop of Canterbury in 1991, *A Season for the Spirit* provides forty daily meditations for Lent, leading us on a journey of discovery in which we find that Christ, through the Spirit, embraces every aspect of our humanity. Each meditation concludes with a prayer and passage of scripture or quotation for further reflection and study. While it aims to assist a daily practice of personal prayer, it is also widely used by groups who pledge to meet regularly so that members can share their thoughts, reactions, and spiritual experiences.

Barrie Kosky's Transnational Theatres James Phillips, John R. Severn, 2021-07-28 This book, the first of its kind, surveys the career of the renowned Australian-German theatre and opera director Barrie Kosky. Its nine chapters provide multidisciplinary analyses of Barrie Kosky's working practices and stage productions, from the beginning of his career in Melbourne to his current roles as Head of the Komische Oper Berlin and as a guest director in international demand. Specialists in theatre studies, opera studies, musical theatre studies, aesthetics, and arts administration offer in-depth accounts of Kosky's unusually wide-ranging engagements with the performing arts - as a director of spoken theatre, operas, musicals, operettas, as an adaptor, a performer, a writer, and an arts manager. Further, this book includes contributions from theatre practitioners with first-hand experience of collaborating with Kosky in the 1990s, who draw on interviews with members of Gilgul, Australia's first Jewish theatre company, to document this formative period in Kosky's career. The book investigates the ways in which Kosky has created transnational theatres, through introducing European themes and theatre techniques to his Australian work or through bringing fresh voices to the national dialogue in Germany's theatre landscape. An appendix contains a timeline and guide to Kosky's productions to date.

Ostrannenie Annie van den Oever, 2010 Summary: Defamiliarisation or *ostrannenie*, the artistic technique of forcing the audience to see common things in an unfamiliar or strange way, in order to enhance perception of the familiar, has become one of the central concept of modern artistic practice, ranging over movements including Dada, postmodernism, epic theatre, and science fiction, as well as our response to arts. Coined by the Soviet literary critic Victor Shklovskii in 1917, *ostrannenie* has come to resonate deeply in film studies, where it entered into dialogue with the

French philosopher Derrida's concept of *differance*, bordering on 'differing' and 'deferring'. Striking, provocative and incisive, the essays of the distinguished film scholars in this volume recall the range and depth of a concept that since 1917 changed the trajectory of theoretical inquiry.

Unhurried Grace for a Mom's Heart Durenda Wilson, 2018-01-06 The blessings of life can sometimes feel a lot like burdens. Parenting, marriage, relationships, homeschooling--all these things bring with them their share of disappointments, frustrations, and trials, but God always has something good planned for us. It is imperative we slow down and listen for His still, small voice telling us what we should do and the way we should go. Designed to take you deeper than other devotionals, while not taking a lot of time, Durenda Wilson's new book invites moms into a meaningful study that will inspire and encourage. Each reading is concise, straightforward, and combined with a passage of Scripture and reflection prompts. Durenda understands the highs and lows of motherhood, as mom to eight and grandmother to four she's been homeschooling for over 22 years. She deftly weaves her years of experience into this devotional to bring the wisdom and insight she would have loved when she was a younger mom. The daily readings are thoughtfully compiled to be deep and meaningful, while not requiring a lot of time (because moms don't often have a lot of time!). *Unhurried Grace for a Mom's Heart* is a daily devotion that's great for moms to read through alone or in small groups.

Essentialism Greg McKeown, 2014-04-15 NEW YORK TIMES BESTSELLER • More than one million copies sold! Essentialism isn't about getting more done in less time. It's about getting only the right things done. "A timely, essential read for anyone who feels overcommitted, overloaded, or overworked."—Adam Grant Have you ever: • found yourself stretched too thin? • simultaneously felt overworked and underutilized? • felt busy but not productive? • felt like your time is constantly being hijacked by other people's agendas? If you answered yes to any of these, the way out is the Way of the Essentialist. Essentialism is more than a time-management strategy or a productivity technique. It is a systematic discipline for discerning what is absolutely essential, then eliminating everything that is not, so we can make the highest possible contribution toward the things that really matter. By forcing us to apply more selective criteria for what is Essential, the disciplined pursuit of less empowers us to reclaim control of our own choices about where to spend our precious time and energy—instead of giving others the implicit permission to choose for us. Essentialism is not one more thing—it's a whole new way of doing everything. It's about doing less, but better, in every area of our lives. Essentialism is a movement whose time has come.

Literature and Cinematography Viktor Shklovskii, 2008 In this essay, a leading figure of the Russian Formalist movement of the 1910s and 1920s enunciates the function of the arts: what they are and, more importantly, what they are not. His views of the other arts lead him into speculations about cinematography, which was just emerging at the time of writing, 1923.

Effortless Greg McKeown, 2021-04-27 NEW YORK TIMES BESTSELLER • A Times (UK) Best Book of the Year • From the author of the million-copy-selling *Essentialism* comes an empowering guide to achieving your goals. It all starts with a simple principle: Not everything has to be so hard. "In a world beset by burnout, Greg McKeown's work is essential."—Daniel H. Pink, author of *When, Drive, and To Sell Is Human* "At a time when fear, uncertainty, and our ever-growing list of responsibilities have come to feel like much too much to handle, *Effortless* couldn't be timelier, or more necessary."—Eve Rodsky, author of *Fair Play* Do you ever feel like: • You're teetering right on the edge of burnout? • You want to make a higher contribution, but lack the energy? • You're running faster but not moving closer to your goals? • Everything is so much harder than it used to be? As high achievers, we've been conditioned to believe that the path to success is paved with relentless work. That if we want to overachieve, we have to overexert, overthink, and overdo. That if we aren't perpetually exhausted, we're not doing enough. But lately, working hard is more exhausting than ever. And the more depleted we get, the more effort it takes to make progress. Stuck in an endless loop of "Zoom, eat, sleep, repeat," we're often working twice as hard to achieve half as much. Getting ahead doesn't have to be as hard as we make it. No matter what challenges or obstacles we face, there is a better way: instead of pushing ourselves harder, we can find an easier path. *Effortless* offers actionable advice for making the most essential activities the easiest ones, so you can achieve the results you want, without burning out. *Effortless* teaches you how to: • Turn tedious tasks into enjoyable rituals • Prevent frustration by solving problems before they arise • Set a sustainable pace instead of powering through • Make one-time choices that eliminate many future decisions • Simplify your processes by removing unnecessary steps • Make relationships easier to maintain and manage • And much more The effortless way isn't the lazy way. It's the smart way. It may even be the only way. Not every hard thing in life can be made easy. But we can make it easier to do more of what matters most.

Mozart's Don Giovanni, a commentary, tr. by W. Clark and J.T. Hutchinson Charles Gounod, 1895

The Quarterback Whisperer Bruce Arians, 2017-07-11 What is an elite NFL QB and what separates that player from the others? One answer is the coach they share. In the recent history of the biggest game on earth, one man is the common thread that connects several of the very best in the sport: Peyton Manning; Ben Roethlisberger; Andrew Luck; and the resurgent Carson Palmer. That coach is Bruce Arians. A larger than life visionary who trained under the tutelage of Bear Bryant, Arians has had a major impact on the development and success of each of these players. For proof beyond the stats, go to the sources. Bruce is gonna love you when you need some loving, but he's gonna jump on you when you're not doing right. -- Peyton Manning He coaches the way players want to be coached. -- Ben Roethlisberger He made players comfortable around him and let everybody have their own personality. He didn't force anybody to be someone they weren't. It may sound a little corny or cheesy, but there's merit to that. I felt comfortable being myself and I felt he had my back. -- Andrew Luck We're a resilient group. It trickles down from the head coach. I think good teams, really good teams, and hopefully great teams take on their coach's mentality. I think that's what B.A. brings . . . -- Carson Palmer Known around the game as the 'quarterback whisperer', Arians has an uncanny ability to both personally connect with his quarterbacks and to locate what the individual triggers are for that player to succeed. No two quarterbacks are the same. And yet with Arians they always share success. In this book Arians will explain how he does it.
