The Secret Byron Preiss, 2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of *The Secret*. Yet *The Secret* is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. *The Secret* is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably *Masquerade* (1979) by British artist Kit Williams. *Masquerade* promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, *The Secret: A Treasure Hunt* was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

**Dialogue** Ian Burn, 2000-11-01 Ian Burn has been one of Australia's most important artists since the mid-1960s. He was involved in the development of the Conceptual Art movement and in the activities of the Art & Language group, working first in London and then New York between 1965 and 1977. His work is found in art museums and collections in the United States, Europe and Australia. Writing has always been central to his practice as an artist. From the early-1970s, much of his writing has evolved as a trenchant commentary on the institutions of art, including art history. His studies in Australian art present interpretations which both compete with orthodox accounts and critically engage the problems of art historical practise. Often, Burn's arguments are focused through analysis of particular works of art, with the social and cultural dimensions of picture-making revealed in an accessible and

incisive way. His writing on avant-garde practices draws directly on his own experience and allows the reader to glimpse the conceptual dialogue between art and language. Dialogue brings together essays written between 1968 and 1990, some of them previously unavailable in Australia. These can be read as a partial but coherent account of the past 100 years of Australian art. However, reading in the order of their original production gives insight into the emerging politicisation of art during the 1970s, a way of thinking which continues to be influential in Australian art and culture. Illustrated, and with an introduction by Geoffrey Batchen, Dialogue offers readers a critical view of the history of Australian art and the concerns of recent art.

*The Casanova* T L Swan, 2021-08-26 In T L Swan's steamy third installment of the Miles High Club, Kate's hot new pen pal is a welcome distraction from her horrible boss. But nobody is as distracting as Elliot Miles...and he knows it. My favorite hobby is infuriating Elliot Miles. Just the sight of my boss's handsome face triggers my sarcasm. God knows how he earns his Casanova reputation--if a million women want him with his personality, what the heck am I doing wrong? Disgusted with my love life, I join a dating app under a fake name. I start chatting to a man named Edgar. He's not my type and lives on the other side of the world, but we hit off a friendship, laugh and confide in each other. But lately things are getting weird at work. Elliot's being...attentive. His eyes linger a little longer than they should, and there's a heat behind them that I haven't felt before. And then, in the shock of all shocks, he tells me that my vulnerability is appealing. But when was I vulnerable? Horror dawns...Has my boss been reading my emails to Edgar? Damn it, why did I use my work email? Oh no, does he know what I really think of him? I'd rather die than ever admit it. Or, even worse: is it possible that the man I loathe in real life is the man I'm falling for online?

The Secret ELIZABETH. ARTHUR, 2020-07-23 When in 2007 Robert Martiensen was discovered, deceased, in his derelict home in rural South Australia an incredible secret was revealed. Throughout the modest building were stacks of some 7,000 framed and unframed paintings all created after 1990 when this enigmatic, inflexible, highly erudite, but equally eccentric individual was retired from his employment as a primary school mathematics teacher. Quick thinking and rapid action by the book's author, psychotherapist and art gallery owner Dr Elizabeth Arthur, saved the entire collection from destruction or dispersal to enable this study to be undertaken. Martiensen, an obsessive individual who kept his art secret from the art world, never seeking to exhibit or sell it, might be described as an 'Outsider Artist' and join the catalogue of unusual artistic identities who have been discovered throughout the world. Robert Martiensen's story, based on interviews with those who knew him, is accompanied by more than 500 colour reproductions of his paintings - works which clearly demonstrate his fluctuating moods and intellectual interests while exhibiting remarkable aesthetic achievement. Previously unknown to the art world, his secret is now revealed.

Create a Life to Love Erin Zak, 2010-06-11 Romance novelist Jackie Mitchell has built a life that works: few responsibilities, friends that know she's far from outgoing, and sex whenever she needs it. She has her past, but

she doesn't think about it. Ever. All that changes when she finds the child she gave up for adoption standing on the doorstep. Now sixteen years old, Beth Weber is resourceful, a blossoming artist, and a spitting image of her birth mom. To say Jackie is stunned is the understatement of the year. When Jackie meets Beth's adoptive mom, Susan, they're immediately attracted to each other, but there's no way Jackie is getting involved with a married woman, especially Beth's mom. But when Susan and Beth need a place to stay and end up back on Jackie's doorstep, their lives change forever. Will these three women who share a past and face an uncertain future be able to forge a life of love together?

Maybe some people are just meant to be in the same story.” At first, Jude and her twin brother are Noah and Jude; inseparable. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah's to tell; the later years are Jude's. But they each have only half the story, and if they can only find their way back to one another, they'll have a chance to remake their world. This radiant, award-winning novel from the acclaimed author of *The Sky Is Everywhere* will leave you breathless and teary and laughing—often all at once.

The Dressmaker's Duke Jess Russell, 2014-09-26 Rhys Merrick, Duke of Roydan, is determined to be the antitheses of his depraved father, repressing his desires so severely he is dubbed the Monk by Society. But when Olivia Weston turns up demanding payment for gowns ordered by his former mistress, Rhys is totally flummoxed and inexplicably smitten. He pays her to remove her from his house, and mind. But logic be damned, he must have this fiercely independent woman. Olivia's greatest fear is becoming a kept woman. She has escaped the role of mistress once and vows never to be owned by any man. Rather than make money in the boudoir, she chooses to clothe the women who do. But when a fire nearly kills her friend and business partner, Olivia's world goes up in smoke and she is forced to barter with the lofty duke. As their lives weave together, Olivia unravels the man underneath the Monk, while Rhys desires to expose the lady hiding behind the dressmaker. Will his raw passion fan a long-buried ember of hope within her? Can this mismatched pair be the perfect fit?

*Terra Nostra* Carlos Fuentes, 2003 One of the great masterpieces of modern Latin American fiction, *Terra Nostra* is concerned with nothing less than the history of Spain and of South America, with the Indian Gods and with Christianity, with the birth, the passion, and the death of civilizations. Fuentes skillfully blends a wide range of literary forms, stories within stories, Mexican and Spanish myth, and famous literary characters in this novel that is both a historical epic and an apocalyptic vision of modern times. *Terra Nostra* is that most ambitious and rare of creations--a total work of art.

**Camillo Campana** Camillo Campana, Luciano Caramel, 2003 A secret painter, Camillo Campana's work can only now, after the painter's death, be fully understood. His figurative paintings from the 1950s are full of visionary dramatic force, with a striking monumentality that carries through most of his oeuvre, articulated first in broad, soft ground paintings and, later, in convulsive rhythms.

Now You See Her Linda Howard, 2012-12-11 Paris Sweeney is a moderately successful artist whose popularity is surging. Sweeney loves her work and is content with life, until she begins to notice odd changes. The changes are unnoticeable at first, but she can't ignore her dreams - lush, vivid and drenched in vibrant hues - which are influencing her artwork. And she can't deny her growing restlessness... Suddenly, impulsively, Sweeney finds herself unable to resist a night of intense passion with millionaire Richard Worth, estranged husband of her gallery-owner. But the true dangers of her all-consuming urges are about to be revealed where Sweeney least expects it: in her paintings. After a creative frenzy she discovers she has painted a graphic murder scene. And then a shattering, real-life murder mirrors her creation and puts her at the top of the list of suspects.

A Shetland Notebook Norman Ackroyd, 2015-02-24 Norman Ackroyd CBE RA has spent over four decades recording the coastal landscapes of the British archipelago. All his watercolours and many of his etchings are executed en plein air, mainly from chartered boats chosen for their skippers' local knowledge and expertise in landing on the more remote rocks and islands. These journeys, which can last up to fourteen hours, are the result of extensive reading and research. *A Shetland Notebook* contains 39 watercolours selected from several journeys to the edges of Shetland in the spring and summer of 2012. From the verdant flora of the southern isles to the rugged northern cliffs of Unst and Esha Ness, the book paints a vivid portrait of one of the most intriguing yet inhospitable corners of the British Isles. Each sketch is accompanied by a brief but engaging commentary by the artist. SELLING POINTS: \* Contains 39 beautiful watercolours of Shetland \* Norman Ackroyd is hugely popular for his atmospheric images of the British Isles \* Includes a gazetteer identifying the locations of all the paintings 78 colour

*Arts & Humanities Citation Index*, 1980 A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected, relevant items from over 6,800 major science and social science journals.

**A Hebridean Notebook** Norman Ackroyd, 2016-04-12 The printmaker Norman Ackroyd CBE RA has long been fascinated by the Hebrides, the archipelago lying to the north-west of mainland Scotland. Inhabited since prehistoric times, some of these islands are now deserted, and all are rarely visited. Their ghostly, desolate ambience was the

perfect stage for Ackroyd's art; the urge to see these remote islands for himself spurred him into making several journeys to the region. This book brings together a selection of original en plein air watercolour sketches, some produced under arduous conditions of weather and sea, which have provided the basis for many of Ackroyd's most memorable etchings. A gazetteer section at the back contains the artist's thoughts, alongside a more detailed description of the sketches' locations. AUTHOR: Norman Ackroyd was born in Leeds in 1938 and studied at the Royal College of Art in London. He turned to landscape art in the 1980s. Ever since, his etchings of the ruggedly beautiful British coastline have been admired around the world. SELLING POINTS: \* A selection of Norman Ackroyd CBE RA's most compelling sketches of the Hebrides \* Features Ackroyd's original en plein air watercolour sketches \* Accompanied by an informative gazetteer section, written by the artist himself 40 colour
