Agatha Anne Cathrine Bomann,2020-09-29 THE INTERNATIONAL BESTSELLER A psychiatrist is counting down towards his upcoming retirement. He lives alone in his childhood home and has neither friends nor family. Often, he resorts to drawing bird caricatures of his patients instead of taking notes. His social life consists of brief conversations with his meticulous secretary Madame Surrugue, who has reigned over the clinic for more than thirty years. The two of them have no relationship outside the office, where everything runs smoothly and uneventfully. Until one day, that is, when a young German woman called Agatha arrives and demands to see the doctor and he soon realizes that underneath her fragile exterior is a strong and fascinating woman. The doctor and Agatha embark upon a course of therapy together, a process that forces the doctor to confront his fear of true intimacy outside the clinic. But is it too late to reconsider your existence as a 71-year-old? Praise for Agatha: Charming, funny and packed with insight. --Irish Times This short, uplifting book brings us a more fully-realised character than most authors could manage with three times the room, and some painfully hard-won moments of genuine human contact in an arid life. --The National

Breath, Suspended Diane Alters, 2022-03-18 Diane Alters' profound encounter with loss-the murder of her son-creates a strange fecundity. How do we carry what is unbearable, nurturing grief until, through endless labor, it gives birth to something else? These poems groan with creation, opening to compassion on all the disappeared of the world, all the Trayvon Martins, all the school children killed in endless shootings. And still, this is a work of great nakedness in which the poet bares and bears herself in witness to the life of her radiant son. If I still had faith, would I be pain-free? she asks. No, the pain will remain, but these poems effect a transposition, a birth, that makes pain generative, honest-an intimacy that honors and accompanies the loss. -ELIZABETH ROBINSON, author of *On Ghosts* What does it mean to write at the aperture of grief? Diane Alters' *Breath, Suspended* answers just this in her gorgeously crafted elegy that captures the life and loss of her son, Mando. These poems, which bridge the gap between the United States and Mexico City, show us how small and how tremendously large the distance between two bodies can be. The aperture, the space through which light passes, becomes the heart of these gut-wrenching poems. Her work gathers us on the brink between stasis and motion, between wound and breath. As Alters writes, Vallejo gave me / an almost indecipherable word: *empozarse*, / a verb that puts water in an eye / and leaves it just under the rim. -ANDREA REXILIUS, author of *Sister Urn*
