How to Sell Your Home Fast in Any Market Peter Crisp, 2007-09-03 YES, its possible, you can sell your home FAST in any market, (often for the price you want) using this little known secret that attracts motivated buyers like steel to a magnet. I was a top selling, multi-award winning, real estate agent for many years and earned big commissions, using this exact methodology I will share with you. I have taught this strategy to hundreds of people who've successfully sold their homes and I have also used it to buy many investment properties. Most Realtor's won't tell you about this technic because they either don't understand it or worse, they fear they may miss out on future commissions. This book contains real life information and processes that I have used personally and continue to use to this day. It will surprise you how effective it really is. If you want to sell your house, you owe it to yourself

to get this knowledge.

Best Tips for Selling Your House Fast David a Osei, 2019-12-08 Has the thought of selling your home in the near future crossed your mind? If so, it is a good idea to review how your home might appear to a prospective buyer. It is no secret that a well maintained, clean and appealing home has a far better chance of selling, at a higher price and more quickly than a home that could use some work

and attention. Keep in mind that first impressions always create lasting impressions. Nothing could be further than the truth when it comes to real estate. Of course, this does not mean you need to embark on a major renovation project in order to sell your home. There would be no guarantees you would be able to recoup the costs of such a large and expensive project. Instead, it is better to take a more conservative approach and look at the possible cosmetic improvements which can be made to create an overall improvement. Such improvements might include refinishing, painting, cleaning, etc. These projects do not require much in the way of capital; however, they can make a tremendous improvement to the overall look of your house. Before you take on any projects; however, it is important to remember that you are fixing up your home for the purpose of selling it. Avoid personalizing the improvements you make as this can limit your market. A limited market means you will usually endure a slower sale and possibly a lower sales price. Your goal should be to make the home as clean, attractive, well maintained and presentable as possible. Once the home is sold the new owners can handle their own customizations.

Boston Fire Collection Volume 1 Shannon Stacey, 2018-03-12 Meet the men of Boston Fire in three smoking hot firefighter romances by New York Times bestselling author Shannon Stacey! Heat Exchange Lydia Kincaid left Boston to get away from the firefighting community—her father was a firefighter, her brother's a firefighter and, more importantly, her ex is a firefighter. But her father needs her help and soon, Lydia finds it hard to resist the familiar comfort—and even harder to resist her brother's handsome friend Aidan. Aidan Hunt is a firefighter because of the Kincaid family. He's had the hots for Lydia for years, but if ever a woman was off-limits to him it's her. As Aidan and Lydia's flirtation turns into something more serious, Lydia knows she should be planning her escape. And Aidan can't imagine walking away from Boston Fire—even for Lydia. The job and the brotherhood are his life; but if he wants Lydia in it, he'll have to decide who's first in his heart. Controlled Burn Rick Gullotti lives the good life. He fights fires, dates beautiful women, and has great friends. And thanks to helping out the elderly couple who own his building, his rent is low. But when concerns about their health lead him to meet their granddaughter, life starts getting away from him. Jessica Broussard was

unprepared for Boston's frigid winter and the hot, scruffy firefighter who lives upstairs from her grandparents. At first, Jessica is determined to get back to her comfortable life as quickly as possible. All she has to do is talk her grandparents into selling their monstrosity of a house and moving to a retirement community. But she underestimates Rick's dedication—and his considerable charm. Fully Ignited When Jamie Rutherford takes a temporary assignment as lieutenant of Boston Fire's Engine 59, she doesn't anticipate any problems. She's fairly new to Boston, she knows how to make any firehouse her home. What she's not prepared for is her reaction to firefighter Scott Kincaid. Scott is looking for a wife. It's been a fun ride as a single guy, but he's tired of being the third wheel, and nearly losing his brother-in-law finally made him realize just how much he wants a family of his own. Hooking up with a fellow firefighter has never been part of Jamie's plan, but she's tempted by Scott—even though getting involved with him could tarnish the reputation she's worked so hard for. And Scott can't stop thinking about Jamie, despite the fact that she's his superior and not sticking around.
