Sent Ashley Holleman, Heather Holleman, 2020-08-04 What if your ordinary interactions with family, neighbors, and coworkers are actually invitations to adventure with God? *Sent: Living a Life that Invites Others to Jesus* invites you to grow joyfully with Jesus as you live out your true identity as sent to share Jesus with others. Heather and Ashley Holleman have fully embraced their identities as sent through nearly two decades of full-time ministry. With joy, they proclaim the name of Jesus knowing that God is always at work around us, that He is seeking and saving the lost, and that He is excited for us to do this work with Him. In *Sent*, they provide insights and stories gleaned from their experiences so you too can live into your identity as sent. You'll learn practical strategies for gathering those in your community through discussion questions and activities that teach everything from asking good questions to sharing your own stories of gospel transformation. Use this resource individually or in groups to grow in intimacy with Christ as you engage the world around you with the hope and love of Christ. When we believe in God's desire to reach the lost, how we live our own lives changes, and we begin to partake in the joys—not obligations—of evangelism.

The Book of Sent Soví Robin M. Vogelzang, 2008 The Book of Sent Soví, composed around the middle of the fourteenth century, is the oldest surviving culinary text in Catalan. It is anonymous and, like the majority of medieval cookery books, is the product of a complex process of transmission, with multiple manuscript copies and readers who have left their mark on it. The contents are eminently practical. Successive cooks have recorded their own methods of preparing the dishes and recipes included, blending several culinary traditions in a single work. *Sent Soví* is also a reliable source of information on the cookery of the

territories of the Crown of Aragon before the revolution caused by the arrival of products from the Americas. This edition includes both an English translation, by Robin Vogelzang, and the original Catalan version. It has been the editor's aim to clarify the difficult passages in the book - sometimes corrupted because of the complex manuscript tradition - so that it can be understood as easily as possible by its twenty-first-century readers. JOAN SANTANACH lectures on medieval literature at the University of Barcelona. Published in association with Editorial Barcino.

Murray, 2015-09-29 Steve Beirn moves the conversation on global missionary sending from the mission agency to the front door of the local church. With a special chapter by George Murray, *Well Sent* equips local churches in launching missionary sending through scalable guidance, accessible illustrations and practical action points. More than a how-to manual, *Well Sent* critically evaluates topics such as sending perception and evaluation of the missionary call. This book will prepare potential missionary candidates for service and support the missional efforts of any church.

Sent [Large Print] Jorge Acevedo, Jacob Armstrong, Justin LaRosa, Rachel Billups, Lanecia Rouse, 2015-09-15 As you sent me into the world, so I have sent them . . . —John 17:18 God sent Christ at Christmas. In turn, Christ sends us into the world to be his hands and feet, head and heart. Dynamic pastor Jorge Acevedo leads us on a 5-week Advent journey to discover how, where, and why we are sent. Joining him on the journey are four young clergy including Jacob Armstrong, Rachel Billups, Justin LaRosa, and Lanecia Rouse, who challenge us through story, art, and Bible study.

Sent Out Don Overstreet, 2015-07-29 Christians have unprecedented opportunities to make an eternal impact on the world around us. God continues to prepare the soil (the hearts of precious souls). We have the privilege of seeing a great harvest of

souls, as God prepares to fulfill one of the last prophecies left before He can come again for His church: the gospel being preached to all nations. Have you been called to be a part of this mission? Do you think that the gift of apostleship ended when the last of those who knew Jesus in the flesh passed away? For more than 50 years Don Overstreet has followed the call on his life to be an apostle-missionary. He has had the opportunity to reach people and plant more than 500 churches. In his book *Sent Out*, Don shares the requirements for being called into the world as an apostle-missionary. He challenges each follower of Christ to consider the place he or she has been sent to and explains how to make the most of that calling. Through these pages you will not only learn that God's marching orders to us are no different than they were to the early apostles, you will also see what is required of you as you go into your mission field.

Live Sent Jason C. Dukes, 2009-10 You are a letter. Your everyday life is more than just a story being written. You were created to receive and send a message intentionally into the lives of the people you do life with daily. That's how humanity works. Together. That's how love is demonstrated and how relationships happen and how people find abundant life as they were intended to find it. We live out our intended purpose and mission when we live beyond ourselves. Are you giving yourself away in the daily, being to other people the letter of God's love that has been written on your heart? We must be that letter together. Our community needs us. Our world needs us. Let's live sent. About the Author Jason C Dukes and his wife, Jen, live in Florida with their four young children. He is a follower and a leader, a learner and a teacher, a writer and a dreamer, a pastor and an entrepreneur, and someone who tries to live sent daily. He hopes you will too.

Sent to Soar Rev Dr Stephen Poos-Benson, 2014-05-20 Among

books that discern people's reason for living, this one is exceptional for its interfaith perspective and clear text readily accessible to people of all backgrounds. Reverend Poos-Benson mines the wisdom of the great spiritual heroes — Jesus, Buddha, Krishna, Mohammed, Lao Tzu — to reveal a pattern in how God works in the world. He believes that God has sent us to fulfill a unique destiny; in order to find meaning in life, we must understand why we have been sent and then fulfill that purpose. Having been one of the first responders after the Columbine school shootings, he is well qualified for his focus on the thorny issue of great trauma, empowering readers to become aware of how the divine is moving through their lives in spite of tremendous suffering and evil. He also provides questions for individuals and groups to ponder, resulting in a vibrant text that leads to healing and self-transformation.

The Lord SENT It Troy J. Edwards, There are numerous places in Scripture where God says that He will “send” or is said to have “sent” a disaster, a plague, pestilence, delusion, an evil spirit, a cruel and ruthless enemy army, ferocious man-eating wild animals, and other harsh judgments. Atheists use such passages to castigate the God of the Bible. Some theologians use such passages to present theological views of God that make Him appear to be harsh, unloving, and unfair. Other Christians avoid such passages altogether, believing that certain parts of the Bible are too difficult or irrelevant. However, an often neglected principle of Bible interpretation is found in the statement that God is said to 'send' or to 'have sent' that which He merely did not prevent or hinder. When we understand this truth then we get a better picture of the God who is exactly like Jesus Christ.

Spirituality for the Sent Nathan A. Finn, Keith S. Whitfield, 2017-03-28 Since their rise in the midst of the revivals of the eighteenth century, evangelicals have been dedicated to the importance of both spirituality and mission. In recent years, evangelicals have engaged in the missional theology discussion

that advocates a more holistic Christian mission grounded in the eternal mission of the triune God. At the same time, evangelicals have also been key participants in the spiritual formation discussion that seeks to recover biblical and classical practices for contemporary spiritual growth. While these two movements have been largely independent of each other, the time is right to join them together into a single conversation for the sake of ongoing evangelical faithfulness. Spirituality for the Sent brings together evangelical scholars from a variety of disciplines and ecclesial traditions to address the relationship between spiritual formation and a missional vision of theology and practice. The contributors share a common vision for a missional spirituality that fosters spiritual maturity while also fueling Christian evangelism, cultural engagement, and the pursuit of justice. Gathered and Sent Bernard J. Lee, Michael A. Cowan, 2003
In *Gathered and Sent*, Bernard Lee and Michael Cowan propose a mode of doing theology within small Christian communities that is marked by conversation and active participation by all. It is a practical theology where people reflect on their whole lives, personal and social, in the light of Christian faith, make commitments to action in light of that reflection, and hold one another accountable for those commitments.--BOOK JACKET. God Sent His Son Cardinal Christoph Schönborn, Christoph von Schönborn, 2010-01-01 In this work of Christology, Christoph Cardinal Schönborn, a world-renowned theologian, takes as his starting point the Apostle Paul's statement, But when the time had fully come, God sent for his Son, born of woman, born under the law, so that we might receive adoption as sons (Gal 4:4-5). Based on many years of lecturing on Christology, Cardinal Schönborn's work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel, the Son of the Living God, through the development of the Church's understanding of this truth, to the consideration of contemporary issues and the views of various modern theologians. Cardinal Schönborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son, which divides, as if through a prism, into a rainbow of Christological themes. Christology, he writes, in every phase of its development, follows its path by this light: 'in thy light do we see light' (Ps 36:10). Christology is always faith seeking understanding-trying to understand that to which the believer already says, Yes! *God Sent His Son* has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality. It carefully explores ancient and medieval questions, but also modern issues of Christology.

Letters Written and Not Sent William Louis-

Dreyfus, 2019-07-02 This culmination of a life of poetry, art, and social justice “has the freshness of an opening argument and the majesty of a man’s last words” (Molly Peacock, author of *The Analyst*). Like paperweights, his lyrics are both small and hefty. His subjects range from race relations to trees, from secrets to parenthood, from ideas of god to kissing, from sons and mothers to fate, and of course, to poetry itself. Never afraid of the big questions of why human beings are alive, and what hope and justice are for, Louis-Dreyfus could take decades to finish a poem. A perfectionist, a thinker, and always inspired by visual art, he fought with himself over how to say what he wanted to say best. Like the French-Uruguayan businessman poet Jules Supervielle, whom Louis-Dreyfus translated, he felt the tug of the financial world against the pull of the lyricism of poetry, and the division marked his life and sparked ideas for his finest poems. As the heart condition that seized him made it absolutely imperative, finishing *Letters Written and Not Sent* literally became a life-or-death matter. This is the book that he wished to send into the world. “There’s rock-bottom integrity, a dignified modesty, and a quizzical, persistent quest for meaning in this collection. It’s a final bequest to the living from an intensely generous man.”

—Rosanna Warren, author of *So Forth: Poems* “The poems of William Louis-Dreyfus testify to an inner life of great richness, but one that freely slipped across the border of the self into the world beyond . . . a fine collection of his work, and it is good to have it at last.” —Charles Martin, author of *Future Perfect*
