Coaching Youth Soccer Kevin McShane,2010-06-28 The popularity of youth soccer in the United States has increased dramatically in recent years. The number of players and spectators has risen and soccer now rivals the more traditional American sports of baseball, basketball, and football. This is a study of current youth soccer training methods at professional clubs in Europe--where soccer is an extremely competitive sport--and a guide to applying those methods to young people in the United States. The author draws much of his information from personal observation of the FC Barcelona, Newcastle United, Glasgow Celtic, Munich 1860, and Slavia Prague professional teams in Europe, and provides an overview of the state of youth soccer in the United States. Chapters cover such topics as facilities, equipment, organization, and environment, player evaluation, training timetables and components, coaching, and philosophies of youth soccer. Also included are approximately 100 diagrams of soccer training exercises for youth coaches.

Attacking Soccer Miller, Jay,2014-06-04 The sport's top coaches, including Anson Dorrance, Ken Lolla, Bobby Clark, and Tony DiCicco, share high-powered offensive tactics for intermediate to advanced players. Through drills, diagrams, and personal insights, these experts cover all facets attacking game play, including individual skills, shooting, finishing advice, and team possession strategies.

Shadow Assassin Elle James,Suspense Sisters,2021-06-29 After completing a difficult and secret task to eliminate the leader of a Russian terrorist organization, former Navy SEAL and expert sniper, Dane "Striker" Ryan, is booted from his SEAL team, destroying his reputation as a trusted servant to his country. Burned, angry and out of work, he agrees to take an assignment from a shadowy organization recruiting this Navy SEAL for a special project. For a sizable sum of money, he is to eliminate a dangerous assassin by any means necessary. Unemployed, and with no means to make his next rent payment, he accepts the lucrative work. Alex Sokolov, self-trained assassin, is on a mission of revenge for her parents' deaths, a mission that has spanned two years. As she nears her ultimate target, the hunter becomes the hunted. Striker and Alex join forces in this international intrigue to discover the kingpin orchestrating the murders of secret agents, including Alex's own parents.

Shadow In the Mountain KaLyn Cooper,2021-08-10 Another mission into the shadows was the last place he wanted to be. Last time it ended his career. This time promises death or salvation. Another mission into the shadows was the last place he wanted to be. Last time it ended his career. This time promises death or salvation. Ryker Tufano has spent the last several months drowning his survivor's guilt—and unexpected ejection from the Navy—in alcohol and self-loathing. His entire SEAL team, and his memory, were lost on their last mission. A phone call from the mysterious Charley changes everything. It was all a lie. When he discovers that his foster brother and SEAL teammate, Ajax, is alive, they must head back to Ethiopia to rescue the rest of their team. Xena Riggs is angry with "someone" in Washington DC. They were willing to let an entire SEAL team be erased for their mistake...her mistake. Offered redemption and retribution if she helps two of Charley's newest employees, she jumps at the chance. As Ryker follows his guide into the mountains of Ethiopia, he's not sure if she's Xena Warrior Princess, GI Jane, a wet dream...or walking him into an ambush. Xena is having trouble keeping her heart out of this mission. Lust doesn't belong in these mountains. If Xena survives this assignment without being captured or killed by the rebels, there's a good chance Ryker will kill her himself once he discovers the truth.

Shadow In the Daylight KaLyn Cooper,2022-08-23 He was done with missions...but Charley wasn't done with him. After he left the Navy, stripped of his SEAL Trident and his pride, Andrew did a quick covert job for Charley before parting ways. As the Security Officer aboard a cruise ship, he invited several SEAL friends to travel as his guests through the Panama Canal. He never imagined he'd need his highly trained skills for another of Charley's missions in the middle of the cruise. Kendra had worked her way up the male-dominated bridge crew, first in the U.S. Navy then for Monarch Cruise Lines, to Staff Captain, second in command of a huge cruise ship. Her crew was well trained and respectful...except for the too sexy, bossy Security Officer who reported directly to her. After succumbing to him, she discovers she enjoys their life together. When all hell breaks loose, and Charley needs both of them for her next mission, will Kendra be able to keep him in her life with all the odds stacked against them?

China in a Polycentric World Yingjin Zhang,1998 This collection provides a critical reexamination of the development and current status of comparative literature studies that engage the literary practices of both China and the West. In so doing, it attempts to refashion literary methodologies and cultural theories in Chinese studies and reread several noncanonical texts in ways that cut across disciplines, genders, and modernities. Eschewing conventional taxonomies such as the study of literary influences and parallels, this volume shifts the emphasis from Chinese-Western comparativism to a critical rereading of Chinese or China-related texts using a variety of new critical approaches. Essays that draw on literary history, comparative poetics, modernist aesthetics, feminist studies, gender theory, and postcolonial discourse exemplify how multifaceted approaches can enrich our understanding of this field. The essays are grouped in three parts: studies of disciplines, institutions, and canon formation; gender, sexuality, and the body; and technology, modernity, and aesthetics. They cover a range of subjects, including the challenge of East-West comparative literature, the impact of literary theory on Sinological research, canon formation in traditional Chinese poetry, gender and sexuality in Ming drama, contemporary Chinese fiction and television drama, the problem of translation, the influence of science fiction, and the cult of poetry in post-Mao China. The introductory chapter traces the rise of the Chinese school of comparative literature and addresses the issues facing Western scholars of Chinese-Western comparative literature. A concluding chapter summarizes recent remappings of the geocultural world and outlines future possibilities for comparative literature.

Boca Chita Lance Long,2012-09 Mark, a retired boomer with a powerful survivalist streak, manages to avoid contamination from the deadly NOEL virus, released worldwide by terrorists on Christmas Eve. Within 3 days, 99.9% of the world's population succumbs. He decides to bug-out in his survival-prepared, live-aboard trawler to Boca Chita Key, an uninhabited island seventeen miles from Miami, where he uses his wits, resilience and mechanical know-how to homestead as a self-sufficient hermit. Access to unlimited fuel will guarantee his freedom to travel, and power the air-conditioning, laundry, hot water heater and freezer. He quickly learns the essential secret of harvesting diesel from marina pumps using his portable Honda generator. In a vastly changed world, Mark faces his first challenging year with only the companionship of a shipwrecked survivor, his dog Shadow. In his Journal, he reflects on preparing for life aboard, watching the weather, harvesting the gifts of the sea, and nurturing the miracle of a kitchen garden. His encounters with a variety of animals and a handful of survivors succeed with the help of a salvaged Coast Guard Defender Class quick-response boat, a sawed-off 12-gauge pump Decksweeper shotgun, a stun-gun disguised as a camera, and some creative chemistry. He records a prepper's perspective on hot-wiring boats & cars, breaking & entering, false imprisonment and misdemeanor manslaughter. But Mark's Journal also celebrates the mundane: bicycling, baking bread, doing laundry, and fitting-out, running, and maintaining his boats, island repairs and improvements. In the months following NOEL, South Florida and the Keys suffer a series of natural catastrophes including a deep freeze, drought, uncontrolled wildfires in the Everglades, two hurricanes, and Lake Okeechobee breaching its dike, inundating South Florida. The first anniversary of the terrorist attack closes with a gathering of a small band of immune survivors, setting the stage for the creation of the community of New Islandia. Boca Chita tracks a careful and thoughtful man achieving equipoise as custodian of his green island hideaway, overcoming isolation, and taking the next steps. It is the first book of the NOEL trilogy, which includes Calusa Coast and The First Coast.
