Alvin Norge - Tome 1 - @enfer.Zcom Chris Lamquet,2010-03-26T01:00:00+01:00 Par sport, Alvin Norge a d'abord été un as du piratage informatique. Traqué par le FBI et surpris en train de surfer sur des comptes bancaires qui n'étaient pas les siens, il a dû purger trois mois de prison. Depuis, Norge s'est rangé et reconverti dans l'imagerie de synthèse. Sa toute dernière création est un personnage virtuel nommé Kimberley. Cette pin up affolante est destinée à émoustiller d'un brin d'érotisme, un CD-ROM de jeu d'aventure. Rien de bien méchant donc. Pourtant... Une nuit, les pixels de Kimberley s'échappent mystérieusement du disque dur où ils sont stockés et deviennent un virus informatique indécélable, foudroyant et animé d'une apparente volonté de tuer ! Comment une innocente image numérique peut-elle soudain faire trembler d'effroi toute la planète ?

Sorry Not Sorry Alyssa Milano,2021-10-26 Alyssa Milano's sharply observed, uproarious, and deeply intimate ode to the life she has lived and the issues that matter most. Alyssa Milano, actress and activist, delivers here a collection of powerful personal essays that get to the heart of her life, career, and all-out humanitarianism. These essays are unvarnished and elegant, funny and heartbreaking, and utterly real. A timely book that shows in almost real time the importance of taking care of others, it also gives a gut-punch-level wake-up call in an era where the noise is a distraction from what really needs to happen, if we want to live in a better world. These are stories of growing up in celebrity, of family and of friends, of connections and breaking apart. They have teeth on the page and come from the heart. And they are stories that offer a direct line into the thoughts and life of one of the most visible, hard-working humanitarians we have. A bestselling children's book author, Alyssa's finally giving her fans worldwide what they really want to hear directly from her about: the life she has lived, the things she's seen and experienced, and the way she lives in and with the world.

Your Second Act Patricia Heaton,2020-07-21 An entertaining book "filled with inspirational anecdotes" (People) about second acts in life and reinventing yourself from beloved television actress Patricia Heaton—Emmy Award-winning star of Everybody Love's Raymond, The Middle, Patricia Heaton Parties, and most recently, Carol's Second Act. Patricia Heaton is one of TV's most recognizable and beloved moms. She's won three Emmys, two for her starring role as Debra Barone on the long-running comedy Everybody Loves Raymond, and followed that career-making role with another gem as Frances Heck on the popular sitcom The Middle. She returned to television as the lead in the series Carol's Second Act, which followed divorced fifty-year-old Carol Kenney (played by Heaton), who after raising two children and retiring as a teacher decides to finally pursue her dream of becoming a doctor. Patricia Heaton knows what it's like to stage a second act and navigate pivotal transitions in life. When Heaton's children left the nest, she found herself in a new and unfamiliar stage of life, compelling her to evaluate which direction to take next. Heaton discovered she had the time pursue passions that were previously placed on hold, both personally and professionally. She made her move and took a step forward in her career and for the first time, Heaton was not only the star of her own show, but also the executive producer. She now finds her greatest fulfillment in using her influence to support humanitarian efforts as a Celebrity Ambassador for World Vision, the world's largest non-governmental organization. She and her husband support their work in poverty relief around the globe, something that was planted in her heart long ago. Through her own experience, Heaton became curious about other people's stories of second-act transitions and ways to offer support in the process. Now, in Your Second Act, she shares wisdom from her own personal journey as well as insight from stories of numerous people across the country. From work to health, to love and more, the results are heartwarming, inspiring, and surprisingly relatable. "If you've been wanting to start your second act, Patricia Heaton may have just what you need" (Today). Filled with light-hearted anecdotes and pragmatic steps, Heaton shows us that midlife doesn't have to be about crisis when you focus on the opportunity. After all, it's never too late, or too early to stage your second act.

Deep Thoughts From a Hollywood Blonde Jennie Garth,Emily Heckman,2014-03-04 Beverly Hills, 90210's Jennie Garth shares her life experiences both on screen and off in this humorous and heartwarming memoir... "Revealing myself in these pages has been at times terrifying, but also one of the most liberating experiences of my life...." In this candid and intimate memoir, Jennie Garth explores the highs and lows of her life, both in front of the camera and behind closed doors, revealing the joys and sorrows, successes and failures that have made her one unforgettable Hollywood blonde. From her rise to fame as a golden-haired teen beauty, to redefining herself as a single working mother, Jennie Garth has defied the odds and thrived in a town that can be more than a little tough on its blondes. Since Jennie landed in Hollywood at just sixteen, she has built an enduring career as a television and film actress, producer, and director, beginning with her iconic turn as Kelly Taylor on Aaron Spelling's smash hit Beverly Hills, 90210, a show that ran for a decade and that cemented Jennie's place in American pop culture. Recently, Jennie found herself facing her forties from a place she never expected to be in: newly single, in demand again as an actress after years spent focusing on her family, and all over the tabloids. With candor and a bawdy sense of humor, this is the real Jennie Garth—smart, funny, and stronger than she ever realized.

How to Save a Life Lynette Rice,2021-09-21 THE NEW YORK TIMES BESTSELLER The first inside story of one of TV's most popular and beloved dramas, Grey's Anatomy. More than fifteen years after its premiere, Grey's Anatomy remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as "McDreamy," seriously, and "you're my person." And the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of Isaiah Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's How to Save A Life takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no Grey's Anatomy fan should be without.
