Thomas Register of American Manufacturers and Thomas Register Catalog File , 2002 Vols. for 1970-71 includes manufacturers' catalogs.

The Island Resort Dion James Shohal, 2016-01-18 The Island Resort is a fast paced fiction novel about George (the lead character) and how he learns that there is more to life than just money and it's not just love. Along the path of this very fast paced book, the reader will find many unexpected twists and turns. The story is not designed to be something you can figure out in the beginning, it's designed to be entertaining and gripping. We all love happy endings, however how happy is the question? The names of the chapters do not

give away the plot, although they do follow the path of the book, they are nowhere near revealing the flow of the story. The Island Resort is all juice and no fluff.
