**The Broadview Anthology of British Literature: Concise Volume B, 3e -**

**Modified eBook UK Edition** Joseph Black et al.,2021-01-01 This Modified eBook version of The Broadview Anthology of British Literature: Concise Volume B, 3rd edition omits in-copyright readings that are found in the print book. This ebook is available for purchase in the UK and select international markets. The two-volume Broadview Anthology of British Literature: Concise Edition provides an attractive alternative to the full six-volume anthology. Though much more compact, the Concise Edition nevertheless provides substantial choice, offering both a strong selection of canonical authors and a sampling of lesser-known works. With an unparalleled selection of illustrations and of contextual materials, accessible and engaging introductions, and full explanatory annotations, these volumes provide concise yet extraordinarily wide-ranging coverage for British Literature survey courses. New to this volume are Samuel Beckett's Endgame and Robert Louis Stevenson's Strange Case of Dr. Jekyll and Mr. Hyde; new authors include Dorothy Wordsworth, John Clare, Tomson Highway, Derek Walcott, and Chimamanda Ngozi Adichie. The third edition now also offers substantially expanded representation of Irish, Scottish, and Welsh literatures, as well as contextual materials on Gothic literature, Modernism, and World War II. Material that no longer appears in the bound book may in most cases be found on the companion website; many larger works are also available in separate volumes that may at the instructor's request be bundled together with the anthology at no extra cost to the student.

The original Quest Study Bible was conceived in 1989 when two publishing companies, Zondervan and Christianity Today International, worked together to develop a Bible that would answer the challenging questions that arose as people read Scripture. Focus groups around the United States evaluated the usefulness of potential study Bible features and helped select the features that would be included in this Bible. Then, more than 1,000 people received passages of Scripture and were asked, “What questions do you have about this portion of the Bible?” Their responses helped determine what kinds of questions the notes would answer, helping to create a resource that answers the questions that real people have asked about the Bible. Notes have been updated in subsequent releases to ensure that this Bible stays relevant and current to modern readers.
