

Sherlock Holmes A Library

30

June Thomson

Death in the Air Shane Peacock, 2009-10-13 After the harrowing experience of losing his mother while solving a brutal murder in London's East End, young Sherlock Holmes commits himself to fighting crime ... and is soon involved in another case. While visiting his father at the magnificent Crystal Palace, Sherlock stops to watch a remarkable and dangerous trapeze performance high above, framed by the stunning glass ceiling of the legendary building. Suddenly, the troupe's star is dropping, screaming and flailing, toward the floor. He lands with a sickening thud just a few feet away, and rolls up almost onto the boy's boots. Unconscious and bleeding profusely, his body is grotesquely twisted. In the mayhem that follows, Sherlock notices something that no one else sees – something is amiss with the trapeze bar! He knows that foul play is afoot. What he doesn't know is that his discovery will put him on a frightening, twisted trail that leads to an entire gang of notorious criminals. Wrapped in the fascinating world of Victorian entertainment, its dangerous performances, and London's dark underworld, *Death in the Air* raises *The Boy Sherlock Holmes* to a whole new level. Be sure not to miss *Eye of the Crow*, *The Boy Sherlock Holmes*, *His First Case*.

Sherlock Holmes & the Law David Warrington, 1988

The Adventures of Sherlock Holmes Arthur Conan Doyle, 2016-11-01 In general the stories in *The Adventures of Sherlock Holmes* identify, and try to correct, social injustices. Holmes is portrayed as offering a new, fairer sense of justice. The stories were well received, and boosted the subscriptions figures of *The Strand Magazine*, prompting Doyle to be able to demand more money for his next set of stories. The first story, *A Scandal in Bohemia*, includes the character of Irene Adler, who, despite being featured only

within this one story by Doyle, is a prominent character in modern Sherlock Holmes adaptations, generally as a love interest for Holmes. Doyle included four of the twelve stories from this collection in his twelve favourite Sherlock Holmes stories, picking The Adventure of the Speckled Band as his overall favourite.

The Sherlock Holmes Childrens Collection Arthur Conan Doyle, 2021-07

Library of the World's Best Literature, Ancient and Modern Charles Dudley Warner, Hamilton Wright Mabie, Lucia Isabella Gilbert Runkle, George H. Warner, George Henry Warner, 1902

The Great Detective Zach Dundas, 2015-06-02 A rollicking look at popular culture's most beloved sleuth: "For even the casual fan, the history of this deathless character is fascinating" (The Boston Globe). Today he is the inspiration for fiction adaptations, blockbuster movies, hit television shows, raucous Twitter banter, and thriving subcultures. More than a century after Sherlock Holmes first capered into our world, what is it about Sir Arthur Conan Doyle's peculiar creation that continues to fascinate us? Journalist and lifelong Sherlock fan Zach Dundas set out to find the answer. The result is *The Great Detective*: a history of an idea, a biography of someone who never lived, a tour of the borderland between reality and fiction, and a joyful romp through the world Conan Doyle bequeathed us. In this "wonderful book" (Booklist, starred review), Dundas unearths the inspirations behind Holmes and his indispensable companion, Dr. John Watson; explores how they have been kept alive over the decades by writers, actors, and readers; and visits locales—from the boozy annual New York City gathering of one of the world's oldest and most exclusive Sherlock Holmes fan societies; to a freezing Devon heath out of *The Hound of the Baskervilles*; to sunny Pasadena,

where Dundas chats with the creators of the smash BBC series Sherlock. Along the way, he discovers the ingredients that have made Holmes go viral—then, now, and as long as the game's afoot.

Sherlock Holmes, Book 1 ,

Sherlock Holmes Miniature Library Sir Arthur Conan Doyle, 2019-04-02 A compact and extensive collection of Sherlock Holmes stories that looks amazing on your bookshelf. Explore the world of Sherlock Holmes in this boxed set of miniature books that looks wonderful on your shelf. When arranged in order, the spines create a colorful montage of scenes from Arthur Conan Doyle's stories. The set includes ten volumes of Sherlock Holmes mysteries as well as a journal in which readers can record the results of their own sleuthing efforts. Set includes... A Study in Scarlet The Sign of the Four The Adventures of Sherlock Holmes The Memoirs of Sherlock Holmes The Hound of the Baskervilles The Return of Sherlock Holmes The Valley of Fear His Last Bow

The Return of Sherlock Holmes Sir Arthur Conan Doyle, 2020-09-28 It was in the spring of the year 1894 that all London was interested, and the fashionable world dismayed, by the murder of the Honourable Ronald Adair under most unusual and inexplicable circumstances. The public has already learned those particulars of the crime which came out in the police investigation; but a good deal was suppressed upon that occasion, since the case for the prosecution was so overwhelmingly strong that it was not necessary to bring forward all the facts. Only now, at the end of nearly ten years, am I allowed to supply those missing links which make up the whole of that remarkable chain. The crime was of interest in itself, but that interest was as nothing to me compared to the inconceivable sequel, which afforded me the greatest shock and surprise of any event in my adventurous life. Even now, after this long interval, I find myself

thrilling as I think of it, and feeling once more that sudden flood of joy, amazement, and incredulity which utterly submerged my mind. Let me say to that public which has shown some interest in those glimpses which I have occasionally given them of the thoughts and actions of a very remarkable man that they are not to blame me if I have not shared my knowledge with them, for I should have considered it my first duty to have done so had I not been barred by a positive prohibition from his own lips, which was only withdrawn upon the third of last month. It can be imagined that my close intimacy with Sherlock Holmes had interested me deeply in crime, and that after his disappearance I never failed to read with care the various problems which came before the public, and I even attempted more than once for my own private satisfaction to employ his methods in their solution, though with indifferent success. There was none, however, which appealed to me like this tragedy of Ronald Adair. As I read the evidence at the inquest, which led up to a verdict of wilful murder against some person or persons unknown, I realized more clearly than I had ever done the loss which the community had sustained by the death of Sherlock Holmes. There were points about this strange business which would, I was sure, have specially appealed to him, and the efforts of the police would have been supplemented, or more probably anticipated, by the trained observation and the alert mind of the first criminal agent in Europe. All day as I drove upon my round I turned over the case in my mind, and found no explanation which appeared to me to be adequate. At the risk of telling a twice-told tale I will recapitulate the facts as they were known to the public at the conclusion of the inquest. The Honourable Ronald Adair was the second son of the Earl of Maynooth, at that time Governor of one of the Australian Colonies.

Adair's mother had returned from Australia to undergo the operation for cataract, and she, her son Ronald, and her daughter Hilda were living together at 427, Park Lane. The youth moved in the best society, had, so far as was known, no enemies, and no particular vices. He had been engaged to Miss Edith Woodley, of Carstairs, but the engagement had been broken off by mutual consent some months before, and there was no sign that it had left any very profound feeling behind it. For the rest the man's life moved in a narrow and conventional circle, for his habits were quiet and his nature unemotional. Yet it was upon this easy-going young aristocrat that death came in most strange and unexpected form between the hours of ten and eleven-twenty on the night of March 30, 1894.

Was Sherlock Holmes Real? Heather Moore
Niver, 2017-12-15 The quirky sleuth Sherlock Holmes has been a popular character on the page and stage, as well as on television and in movies. Made famous by Scottish writer Sir Arthur Conan Doyle, Holmes became a model for many future detectives. Readers will learn whether this character came from the brilliant mind of his writer or if Sherlock's sometimes outrageous means of solving cases were actually those of a real-life detective. Fast facts add entertaining and informative clues to help readers solve this mystery for themselves.

Sherlock Holmes: The Complete Novels and Stories, Volume I Arthur Conan Doyle, 2020-04-14
Sherlock Holmes: The Complete Novels and Stories contains, in two volumes, all fifty-six short stories and four novels featuring Sir Arthur Conan Doyle's world-famous detective. Volume I includes the novels and stories that introduced the brilliant and unflappable Sherlock Holmes and his partner, Dr. Watson, to the world. A Study in Scarlet is a drama of long-simmering revenge that

ranges from the fog-bound streets of London to the pioneer settlements of Utah. The Sign of Four weaves together a stolen treasure from India, poison darts, and double-crossing thieves, while The Hound of the Baskervilles sets the legend of a diabolical hellhound and an old family curse against the backdrop of a moonlit moor. The short stories in this volume include such favorites as "A Scandal in Bohemia," "The Red-Headed League," "The Adventure of the Speckled Band," and "The Final Problem," tales that have thrilled generations of readers with Holmes's astounding powers of deduction.

The Final Problem Sir Arthur Conan Doyle, 2020-07-23 'This is not danger. It is definite destruction. Even with all your cleverness, you do not realise it. You must stand clear, Mr Holmes, or you will be trodden underfoot.' Holmes is facing a problem - a big one. He's on the tail of his most dangerous criminal to date, Professor Moriarty. But it seems that the professor is one step ahead. Can the detective unwind Moriarty's web of crime before it's too late? Or could this really be Holmes' last case? About The Sherlock Children's Collection: A simplification of Arthur Conan Doyle's Sherlock Holmes, perfect for young fans of mystery books. A great introduction to classics for children aged 7+.

Sherlock Holmes and Philosophy Josef Steiff, 2011-10-11 This entertaining collection of essays shows that Sherlock Holmes sees things others don't. He sees the world in a different way, and by so doing, allows us to see that same world - and human behavior - in different ways as well. Oh, sure, there have been countless detectives who have followed in his footsteps and who seem to rival his abilities. Just turn on the TV or browse the local bookshop and you'll find idiosyncratic super sleuths using forensics and

reasoning to solve a whole host of crimes and misdeeds. And yet no one rivals our dear, dear Holmes. Why does Sherlock reign, even more than a century later, as king? Can this mystery be solved? Unable to reach either Holmes or Watson (or Doyle for that matter, though we've tried every medium we can think of), we've been forced to gather our own team of investigators to practice their powers of observation and perception, to apply their own reasoning and methodologies to the task at hand. The results, I fear, have led us to a number of cases that must be solved first. Is Holmes simply eccentric or a sociopath? Is he human or something from the holodeck? Is he as dangerous on the page as he is in person? Wait - does he even exist? For that matter, do you? (I fear several investigators have been forced to take a much needed holiday after wrestling with that one.) What is the source of his faculty of observation and facility for deduction? Systematic training as Watson surmises? Genetic? Or is he just really lucky? And is this whole logic thing compatible with emotions? Are Holmes and Watson good friends or soul mates? Just what is the nature of friendship? Do they complete each other or just get on each other's nerves? And why all the secrecy? Disguises? Deceptions? The plot thickens. What is the essence of consciousness? Is the observable world subject to our intentions? Why does Holmes debunk mysticism when Doyle so readily embraces it? Why is Holmes our favorite drug user? Our notebooks are filled with clues and, dare I say, answers. Is there more than one way to define the concept, justice? Is hope necessary in the world? Is boredom? Play? Can any thing really be understood? Objectively? And just what is the last unresolved mystery involving Sherlock Holmes? The game that's afoot isn't just the thing being pursued but the fun to be had as well.

The Return of Sherlock Holmes (Pretty Books - Painted Editions) Arthur Conan Doyle, 2022-05-24
Thirteen stories involving Sherlock Holmes, one of literature's most beloved characters, are now available in an exclusive collector's edition. Featuring beautiful cover art from artist Laci Fowler and decorative interior pages, this giftable book is ideal for fiction lovers and book collectors alike. Beloved by fans across the globe, this collection features thirteen riveting adventures, including an explanation of Holmes's supposed murder at the hands of his nemesis Dr. Moriarty in Doyle's 1893 short story The Final Problem. This time-honored classic is now available as an exclusive collector's edition. Whether you're buying it as a gift or for yourself, this remarkable edition features: A beautiful, high-end hardcover featuring Laci Fowler's distinctive hand-painted art Decorative interior pages featuring pull quotes throughout Matching ribbon marker and gold page edges Part of a 4-volume collection including The Wonderful Wizard of Oz, Frankenstein, and The Great Gatsby Literature's beloved private detective returns from the grave in Sir Arthur Conan Doyle's The Return of Sherlock Holmes, and his ever-loyal physician and devoted best friend Dr. John Watson is there to welcome him back and assist him in cracking thirteen absorbing and adventurous mysteries. First published in 1905, this volume includes the stories The Adventure of the Empty House, The Adventure of the Golden Pince-Nez, The Adventure of the Solitary Cyclist, and ten more absorbing cases to baffle and challenge the crime-solving duo. This unique collector's edition presents Sir Arthur Conan Doyle's fascinating mysteries in a giftable new way.

Sherlock Holmes, Book 2 ,

A Reader's Companion to Sherlock Holmes Father J. Michael Venditti, 2017-01-17 A Reader's

Companion to Sherlock Holmes by Father J. Michael Venditti Sir Arthur Conan Doyle wrote in his memoirs, "It is a great mistake to start putting out cargo when you have hardly stowed any on board," explaining why he didn't become an author until relatively late in life. Father J. Michael Venditti has Sherlock Holmes cargo in abundance and his A Reader's Companion to Sherlock Holmes offers fans a friendly and intriguing perspective into the classic stories. Venditti hopes to encourage new readers to crack open the tales of the Sleuth of Baker Street, while offering fresh insight for those already familiar with the cases. This is not a book of literary criticism of the Holmes tales - instead Venditti dispels myths and misconceptions about the works, as well as offers insight into the man who created them. Part biography and part history, Venditti's book frames the Holmes canon as only an avid fan can do. This Companion will send the reader straight to the pages of the Holmes tales with historical context to bring them to vivid life.

The Adventures of Sherlock Holmes - The Sherlock Holmes Collector's Library Arthur Conan Doyle, 2023-04-13 The 12 short stories featured in this volume were the catalyst for the first literary fandom, the success of The Strand Magazine, and Arthur Conan Doyle's lifelong career as the writer of the Sherlock Holmes adventures. Enter the smoky rooms of 221B Baker Street and immerse yourself in the intriguing lives of Sherlock Holmes and Doctor Watson. This volume features tales including 'The Adventure of the Speckled Band' and 'The Red-Headed League', which Arthur Conan Doyle named his favourite Holmes stories. Each of these twelve mysteries highlights the famous detective's remarkable skill and methods, narrated by Watson. The stories featured in this volume include: - A Scandal in Bohemia - The Red-Headed League - A Case of Identity - The

Boscombe Valley Mystery - The Five Orange Pips - The Man with the Twisted Lip First published in The Strand Magazine magazine between July 1891 and June 1892, this edition includes the stories' original illustrations by Sidney Paget. A specially commissioned introduction also features in this volume, alongside an article by Arthur Conan Doyle and an essay on the history of detective fiction by S.S. Van Dine.

Sherlock Holmes Michael Kurland, 2006-01-24 In 1891, Sherlock Holmes in a struggle with his arch-enemy, the Napoleon of Crime, Professor James Moriarty, plunged with him over the Reichenbach Falls to his inevitable death. All of England - indeed the entire world - mourned the irreplaceable loss of the world's greatest detective. And that's where things stood until 1894 when Holmes suddenly reappeared in London, revealing himself to his friend Dr. John Watson, and resumed his activities as a consulting detective. Holmes remained very quiet and mysterious on those missing three years, never really revealing precisely where he'd been and what he'd done in the 'hidden years. Now, in this anthology of original stories the truth about those thirty-five months is unveiled and Holmes' adventures described. While some stories place Holmes in such familiar locations as New York and San Francisco, others find him high in the Himalayas or above the Arctic Circle. With stories from such writers as Rhys Bowen, Peter Beagle, Carolyn Wheat, Michael Collins and many others, *Sherlock Holmes: The Hidden Years* is a must-have book for every fan who has ever wondered about the untold adventures of Sherlock Holmes.

The Secret Journals of Sherlock Holmes June Thomson, 2012-09-24 SECRETS, SUSPENSE, AND CONSPIRACY. LONDON THROUGH THE EYES OF THE GREAT SHERLOCK HOLMES As Dr Watson's old manuscripts, deliberately unpublished to protect the names of

those they concern, are released into the public, a multitude of previously unseen cases are revealed. An American millionaire receives threatening letters from a sinister Black Hand . . . A mysterious box terrifies a shop keeper . . . Holmes and Watson feel the influence of an old enemy from beyond the grave . . . And a tragedy occurs which Sherlock Holmes will never be able to forgive himself for failing to prevent. With murders, madness and diamonds abound, June Thomson continues the Holmes canon with a brilliance and ingenuity that perfectly captures where Conan Doyle left off.

The Secret Documents of Sherlock Holmes June Thomson, 2014-08-21 This collection of stories, allegedly written by Doctor Watson, includes the tragic tale of Lord Deerswood's unwanted legacy, the account of the jealous contortionist, the affair of the beautiful housekeeper, the deadly doings of the costumed Russian, the Aladdin's Cave episode, and the extraordinary circumstances surrounding the deadly Sumatran rats. The discovery of these Sherlock Holmes cases - one of which reunites Holmes with brother Mycroft - represents a treasure trove for Baker Street devotees.
