**Showstopper** Peter Lovesey, 2022-12-06 The cast and crew of a hit British TV show are rumored to be cursed—but are these spooky deaths coincidences or murder? It's up to Bath detective Peter Diamond to find out. In the six years since the start of the hit British TV show *Swift*, its cast and crew have been plagued by misfortune, beginning with the star actress's pulling out of the show before it began. By now there have been multiple injuries by fall, fire, or drowning; two deaths; and two missing persons cases. The media quickly decides it's a curse, but who's to say there isn't a criminal conspiracy afoot? Now that the filming has moved to Bath, Peter Diamond, Chief of the Avon and Somerset Murder Squad, is on the case. While the investigation into one fatal accident is underway, a cameraman goes missing, challenging even the most credulous to wonder if he might have been the victim of foul play rather than a jinx. How can so many things go wrong on one set in such a short time? Complicating already complex matters is the fact that Diamond's boss is trying her best to get him out of her hair; he may be forced to retire if he can't solve the case. Will this be the end for Peter Diamond?

**Telling an American Horror Story** Cameron Williams Crawford, Leverett Butts, 2021-03-02 Telling an American Horror Story collects essays from new and established critics looking at the many ways the horror anthology series intersects with and comments on contemporary American social, political and popular culture. Divided into three sections, the chapters apply a cultural criticism framework to examine how the first eight seasons of AHS engage with American history, our contemporary ideologies and social policies. Part I explores the historical context and the uniquely-American folklore that AHS evokes, from the Southern Gothic themes of Coven to connections between Apocalypse and anxieties of modern American youth. Part II contains interpretations of place and setting that mark the various seasons of the anthology. Finally, Part III examines how the series confronts notions of individual and social identity, like the portrayals of destructive leadership in *Cult* and lesbian representation in *Asylum* and *Hotel*.

**Showstopper** Lisa Fiedler, Anya Wallach, 2015-09-01 With the help of her sister and friend Austin, 12-year-old Anya puts together a kids' summer theater troupe, the Random Farms Kids' Theater, recruiting area kids as actors and crew members for a musical revue. Acting as director, Anya navigates the ups and downs of a showbiz life, including preparing scripts, finding a venue, and handling ticket sales, not to mention calming the actors' insecurities and settling conflicts. It's a lot of responsibility for a 12-year-old but Anya pulls it off. Book 2 opens two days later. Now after a successful first show, Anya turns her attention to the troupe's second show. But trouble rears its head almost immediately when their beloved barn venue is jeopardized. How can they put on a production without a theater? Is the second show doomed before they ever start rehearsal? This series is closely based on the real-life experience of Anya Wallach, who began a summer theater camp in her parents' basement when she was just sixteen years old.
