Bod XXIII Don Reiman,Bruce Barker-Benfield,Tatsuo Tokoo,2013-06-17 Garland's magnificent facsimile series of the manuscripts of Percy Bysshe Shelley and Mary Wollstonecraft Shelley in the Bodleian Library, Oxford (The Bodleian Shelley Manuscripts , 22 volumes, 1986-1997) is now made complete by the publication of its Index-volume. Volume XXIII provides the key to the contents of the Shelleyan notebooks and papers in all their complexity: poems, prose, translations, fragments, calculations, drawing and doodles, addresses and other miscellaneous jottings. The accumulated findings provide a treasure-trove of information about the Shelley's lives: their writings and readings, and echoes of classical and later authors; the people they met, corresponded with, rented houses from, or saw perform; the towns they visited, the very houses in which they lived, the lakes and rivers they sailed and the mountains they climbed. The intellectual and physical data of these manuscripts will help open new vistas for students of their lives, thought and creative writing.

Prince of Fools Mark Lawrence,2015-05-26 International bestselling author Mark Lawrence continues the bold new world of dark fantasy he created in the Broken Empire trilogy with the first book of the Red Queen's War... For all her reign the Red Queen has fought the long war, contested in secret, against the powers that stand behind nations, for higher stakes than land or gold. Her greatest weapon is The Silent Sister—unseen by most and unspoken of by all. The Red Queen's grandson, Prince Jalan Kendeth—drinker, gambler, seducer of women—is one who can see The Silent Sister. Content with his role as a minor royal, Jal pretends that the hideous crone is not there. But war with the undead is coming, and the Red Queen has called on her family to defend the realm. Jal thinks that nothing that will affect him. He's wrong... After escaping a death trap set by the Silent Sister, Jal finds his fate magically intertwined with a fierce Norse warrior. As the two undertake a journey to undo the spell, encountering grave dangers, willing women, and an upstart prince named Jorg Ancrath along the way, Jalan gradually catches a glimmer of the truth: he and the Norseman are but pieces in a game—and the Red Queen controls the board.

A Court of Silver Flames Sarah J. Maas,2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only

burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Jo Malone Jo Malone,2016-11-29 Known around the world for her eponymous brand of fragrances and her latest venture, Jo Loves, Jo Malone tells the “inspiring, courageous, and brutally honest” (Nylon) story of her rise from humble beginnings to beloved business success. Jo Malone began her international fragrance and scented candle business in 1983 in her kitchen, where she gave facials and made bath oils as thank-you gifts for her clients. She opened her first store in London in 1994 and, in 1999, she sold the Jo Malone London brand to Estée Lauder Companies for millions of dollars. Recently, she launched a new brand, Jo Loves, igniting the excitement of fashion and beauty websites all over the world. Raised in government-subsidized housing in Kent in the early 1960s, Jo Malone dropped out of school as a teenager to care for her sick mother. Jo had not been successful in school because of her severe dyslexia, but she had the ability to see and feel everything in scent. Her at-home beauty business and handmade products became popular, and word of her talent spread until an international brand was born. After the sale of her company and the birth of her son, she was diagnosed with breast cancer and underwent a double mastectomy. Thus began the second chapter of her life, and in her “inspiring story of human spirit and chutzpah” (Booklist, starred review), Jo tells her full amazing and inspiring personal story. This memoir is “a testament to the power of ambition and the joy of following your dreams” (People).
