*THE MONEY MESSENGER* Angela Santalia, 2018 You don't actually need to earn more money to have a better lifestyle. You just need to use what you have but in a better way, even if all you have is an income. Successful money management isn't taught in schools. Often, it isn't taught at home. So, how do you learn? What if there was someone to teach what you need to know about money, so you avoid the common pitfalls of cash flow mismanagement and personal debt traps? Angela Santalia is your teacher; your Money Messenger. After working in the Australian Financial Planning industry for nearly two decades and through personal investment and life experience, Angela has definitely learned a lot about money, people, and their spending habits – she's seen what works and what doesn't. The financial secrets and strategies shared in this book are simple to follow. They are tried, tested and proven to work. They are the forgotten, but essential basics of successful money management and suitable for all ages, whether just starting out, or starting over. They are REAL. They WORK. They are TIMELESS. You will learn step-by-step how to:

- Control of your money and reduce money stress.
- Set up your bank accounts and cash management correctly.
- Avoid living payday to payday, increase your savings and have money left over.
- Know the hidden truths behind personal debt - the real cost to you.
- Get out of credit card debt in 3 steps.
- Stop wasting money and increase your income.
- Understand the basics of investing.
- Buy your first property and calculate how much it will really cost.
- Decide whether it's better to buy a home or an investment property.
- Buy multiple properties over time– starting from zero.
- Understand superannuation and when you can access your retirement savings.
- Know what insurances you really need (and what you don't).
- Be in control of your money, even after death.

Secure your financial situation and be comfortable. You can't control everything in life, but you can control your money.

**Smart and Simple Financial Strategies for Busy People** Jane Bryant Quinn, 2006-01-01 Are you too busy to pay much attention to your money? Do you worry that maybe you haven't been doing the right things? This book is for you, from Jane Bryant Quinn, the most trusted voice in personal finance today. Her classic bestseller, *Making the Most of Your Money*, guided a generation toward smart and sensible financial choices. Here she strips away the extras, choosing the best financial ideas and products available today. They're all you need to create a successful and long-lasting financial plan. It's money management the No Worry way. To start with, she tells you to forget all the complicated stuff the financial industry sells. You

don't need it, it costs too much, and some of it is downright bad. It's designed to make the banks, brokers, and insurance companies rich, not you. The best ideas (a super-short list!) are simple, low in cost, and easy to use. They're also sophisticated and smart. The strategies shown here are followed by some of the most successful planners and money managers around today, yet they're something everyone can understand. They'll give you what you need from your money -- regular savings, financial security, long-term investment growth, personal control, and best of all, peace of mind. Once you've set up a No Worry plan, you won't have to pay much attention to it. The choices you'll find here are all good ones. All you have to do is arrange for automatic payments and contributions and then get on with the rest of your busy life. You can focus your energies on your job, family, leisure, and friends, secure in the knowledge that your finances are okay. Here's what you'll do on the No Worry plan: Save more money without feeling pinched Get rid of debt the automatic way Keep yourself safe, with the right amount of insurance at the lowest cost Zero in on the right mortgage, every time Pick the best college savings plan for your kids Understand your finances, in ways you never did before Find the smartest and simplest ways of investing money, to earn superior returns over the long run The investment ideas alone will open your eyes to the newest strategies for accumulating wealth (without making big mistakes!). Jane Bryant Quinn will change the way you think about money. She has the answers busy people need.
