Quick and Easy Weekly Planner: Daily and Weekly Planners, Organizers Simply Organizer, 2017-09-26 One of my goals is to stay on track this year is with a weekly planner. I have figured out that I need to keep things simple. The best way for me to keep organized is to not have too many steps. Day planners were too cumbersome for me. I need to be able to plan the whole week. Now ideally I liked to just have a month at a glance calendar, but I have learned taking time to plan is a good thing. So I arrived at a weekly planner. So if you too are a fan of the weekly planner, Here it is! I am focusing on being thankful so you will see a spot to write that down everyday. I knew I wouldn't keep up with a gratitude journal, but I can daily take a moment to express my thankfulness and jot it down on my planner. There are tasks I am going to try to do everyday.....like drink water, exercise, take vitamins and pray. I have a little spot to check those off for each day of the week. You will find a spot to list out weekly goals. If you set goals this year like I did it truly helps to keep them in full view always working on them! If you use the weekend for projects, family activities and fun you will have plenty of room to write it down. I am a list maker. Oh how I love lists. I have plenty of space as 1 page for jotting down ideas and things I don't want to forget during the week. If you have loads of meetings and engagements during the day then this little planner might not fit your needs, or maybe you keep all that on your phone. If you need a pretty place to keep a few reminders of things you need to get done, I hope it will work for you!
