Kitchen is this first illustrated guide for a plant-based vegan lifestyle. It is packed with humorous and engaging illustrations designed to help you and your family learn more about plant-based nutrition. food fun for kids - Vegan lifestyle with kids - Cruelty-free shopping guide - Fun facts about animals - Checklists for going vegan - Easy to make meals - And much more! The book was written together with a clinical dietitian, making sure it is not just fun but also factual.

Murder, Plain and Simple Isabella Alan,2013-09-03 First in a new series! When Angela Braddock inherits her late aunt's beautiful Amish quilt shop, she leaves behind her career and broken engagement for a fresh start in Holmes County, Ohio. With her snazzy cowboy boots and her ornithophobic French bulldog, Angie doesn't exactly fit in with the predominantly Amish community in Rolling Brook, but her aunt's quilting circle tries to make her feel welcome as she prepares for the reopening of Running Stitch. On the big day, Angie gets a taste of success as the locals and Englisch tourists browse the store's wares while the quilters stitch away. But when Angie finds the body of ornery Amish woodworker Joseph in her storeroom the next morning, everything starts falling apart. With evidence mounting against her, Angie is determined to find the culprit before the local sheriff can arrest her. Rolling Brook always appeared to be a simple place, but

the closer Angie gets to the killer, the more she realizes that nothing in the small Amish community is as plain as it seems....
