The Complete Idiot's Guide to LinkedIn Susan Gunelius,2012-04-03 Develop your business or career with the pre-eminent professional network Most people who are new to LinkedIn don't intuitively recognize the potential of the site when it comes to promoting a business, finding a job/project (or being found for one), or raising money for a business venture. The Complete Idiot's Guide® to LinkedIn goes beyond the usual how to set up and account and create a profile to help readers become LinkedIn super-users and get the most out of the website based on their individual goals. The book provides new users with clear and detailed guidance on: • Filling out the various parts of the LinkedIn profile, customizing it to meet specific professional goals • The right and wrong ways of doing things on LinkedIn-especially helpful to those used to Facebook • Finding the right people, making the right introductions, and growing and managing networks • Finding and communicating with LinkedIn Groups to help achieve individual business goals • Specific suggestions for using LinkedIn to find a job, market a business, raise capital, and increase sales

Best Career and Education Web Sites Rachel Singer Gordon,Anne Wolfinger,2004 The Internet is loaded with information to help you find a job, choose a school, or learn about careers. That's great...if you know how to find what you're looking for. But if you don't, it's easy to get bogged down in information overload. That's where this book comes in. In this all-new fourth edition, we've researched and reviewed the many thousands of career, job search, and education sites on the Web -- and include only the very best places for solid information and advice. No more wading through site after site -- this book has already done all of the hard work for you! Book jacket.

LinkedIn For Dummies Joel Elad,2008-11-24 Once you're LinkedIn, you're part of the largest online network of professionals in the world! When you know how to make the most of your profile, manage your contacts, and handle invitations effectively, you'll go far. This book is packed with advice that will help you market yourself and find a job, an employee, an investor, or more business for your business!

So Easy to Use America Online Internet Guide David Peal,2001-11

Tell Stories, Get Hired Daisy Wright,Angela J Carter,2014-08 We tell stories every day - to family, friends, and colleagues - and we do it with ease. Yet, when it comes to the job search, or our careers, we fail to use

these natural storytelling techniques to our advantage. Tell Stories, Get Hired demonstrates that the way to a hiring manager's heart is through storytelling. Storytelling is the foundation on which your career marketing efforts are built. Your resume, LinkedIn Profile, elevator pitch, personal website and blog are all telling your story. Learn how to coordinate these elements of your story into an authentic personal brand and advance your career. Tell Stories, Get Hired features advice and insight from individuals who have experienced some of the job search and career challenges you have faced. None found their experience easy, but they used their stories to get ahead. The book addresses how to: Create a storytelling resume and biography Prepare for the interview using stories Build a social media job search campaign Advance your career through sponsorships Network and build professional relationships Work with recruiters The storytelling techniques in this book will boost your chances of landing the job or career you want.
