Karaoke Around the World Shuhei Hosokawa, Toru Mitsui, 2005-06-20 The karaoke machine is much more than an instrument which allows us to be a star for three minutes. The contributors to this lively collection address the importance of karaoke within Japanese culture and its spread to other parts of the world, exploring the influence of karaoke in such different societies as the United Kingdom, North America, Italy, Sweden, Korea and Brazil. They also consider the nature of the karaoke experience, which involves people as singers, co-singers and listeners.

Don't Stop Believin' Brian Raftery, 2008-12-09 Armed with a keen eye and a terrible singing voice, writer Brian Raftery sets out across the globe, tracing karaoke's evolution from cult fad to multi-million dollar phenomenon. In Japan, he meets Daisuke Inoue, the godfather of karaoke; in Thailand, he follows a group of Americans hoping to win the Karaoke World Championships; and in New York City, he hangs out backstage with the world's longest-running heavy-metal karaoke band. Along the way, Raftery chronicles his own time as an obsessive karaoke fan, recalling a life's worth of noisy relationships and poor song choices, and analyzing the karaoke-bar merits of such artists as Prince, Bob Dylan and Fugazi. Part cultural history, part memoir, *Don't Stop Believin': How Karaoke Conquered the World and Changed My Life* is a hilarious and densely reported look at the liberating effects of a good sing-along.

Karaoke Xun Zhou, Francesca Tarocco, 2013-06-01 *Dancing Queen. Respect. Brandy (You're a Fine Girl).* There are some songs so infectious that you can't help but belt out the lyrics along with the singer. Karaoke—meaning “empty orchestra” in Japanese—gets rid of the singer and leaves you in the spotlight alone. It is the social manifestation of our desire to sing, in tune or out, and in three short decades, it has exploded into a worldwide craze. In this unprecedented study, Zhou Xun and Francesca Tarocco engagingly examine karaoke and all its associated kitsch, crime, and weirdness. Usually thought of as the pastime of desperately bad singers and slurring drunks, karaoke has never enjoyed a particularly stellar image. Xun and Tarocco, however, reveal its surprisingly complex history and significant cultural impact around the world. Originating in postwar Japan, karaoke soon spread to Southeast Asia and the West. Karaoke traces how it became a wildly successful social phenomenon that constantly evolved to keep pace with changes in technology and culture. Drawing on extensive research and international travels, the authors chart the varied manifestations of karaoke, from karaoke taxis in Bangkok to nude karaoke in Toronto to the role of karaoke in prostitution. Extensive personal anecdotes reveal the dramatic range of social experiences made possible by karaoke and how the obsession with performance and song has touched politics, history, and pop culture throughout global society. Karaoke bars are at the heart of rich escapist fantasies and the authors—in readable fashion and using vibrant full-color illustrations—document this unpredictable fantasy world and the people who inhabit it. Karaoke, therefore, will delight anyone who has had the courage to take the mike and front the “empty orchestra.”

Tiger Heart Katrell Christie, 2015-10-06 Katrell Christie was a thirty-something former art student turned roller-derby rebel who opened a tea shop in Atlanta. Barely two years later, her life would make a drastic change and so would the lives of a group of girls half a world away. I chose the name of my tea shop—Dr. Bombay's Underwater Tea Party—because it sounded whimsical. India wasn't a part of the equation. Not even remotely. I didn't do yoga. I had no deep yearning to see the Taj Mahal or tour Hindu temples. I was not harboring some spiritual desire to follow the path of the Buddha. Indian food? I could take it or leave it. But a regular customer, Cate, described a trip she'd taken there as a Rotary Club scholar. She was planning to go again to work with a women's handicraft exchange. Her enthusiasm was infectious. You should come, she said after breezing into the shop one day. I didn't give it much thought. I figured she wanted me, the former rollergirl, there as the muscle. I was a new business owner with work stretching for as far as I could see . . . But Katrell did go. She toured the tea fields of Darjeeling, witnessed the Hindu throngs at the Ganges, and helped string pearls in religiously conservative Hyderabad where Cate was working to help market jewelry. As we work, I watch. Some women shed their coverings when they enter the workroom but others remain fully covered, only a glimpse of eyes visible. It's disconcerting. I'm a Southern girl. My mother taught me to throw out a big friendly smile to the world. But with these women—their faces cloaked—I get nothing back. I can't connect. Even worse, I can't get my mind off the idea that no matter what these women do, they will never get off this path. I had never wrapped my brain around that until I sit here, hour after hour, stringing pearls. Pearls that would be worn by some other woman, on a bare and lovely neck, with a dazzling smile and a bright future stretching out before her. I'm pretty sure that this is the most depressed I've ever been in my life. Katrell had no idea at the time, but she would find a new purpose in India, and in the most unlikely way, her life would be eternally entwined with women from a whole new world. While in Darjeeling, Katrell met some girls at an orphanage who would very soon age out without any place to go. Their immediate futures were grim: sex trafficking, prostitution, or begging on the streets. Returning home, Katrell just couldn't forget the girls she left behind in Darjeeling, and before long, *The Learning Tea* was born. Today, *The Learning Tea* has provided life necessities for eleven young women—a safe home, education, uniforms, medical care, as well as music lessons, tutoring, computer classes, and other extracurricular activities. Another center may be on the horizon in Chennai. All because one unlikely hero with a little tea shop in Atlanta, Georgia, stepped forward and said, I'll go.

Poetry Unbound Mike Chasar, 2020-04-28 It's become commonplace in contemporary culture for critics to proclaim the death of poetry. Poetry,

they say, is no longer relevant to the modern world, mortally wounded by the emergence of new media technologies. In *Poetry Unbound*, Mike Chasar rebuts claims that poetry has become a marginal art form, exploring how it has played a vibrant and culturally significant role by adapting to and shaping new media technologies in complex, unexpected, and powerful ways. Beginning with the magic lantern and continuing through the dominance of the internet, Chasar follows poetry's travels off the page into new media formats, including silent film, sound film, and television. Mass and nonprint media have not stolen poetry's audience, he contends, but have instead given people even more ways to experience poetry. Examining the use of canonical as well as religious and popular verse forms in a variety of genres, Chasar also traces how poetry has helped negotiate and legitimize the cultural status of emergent media. Ranging from *Citizen Kane* to *Leave It to Beaver* to best-selling Instapoet Rupi Kaur, this book reveals poetry's ability to find new audiences and meanings in media forms with which it has often been thought to be incompatible. Illuminating poetry's surprising multimedia history, *Poetry Unbound* offers a new paradigm for understanding poetry's still evolving place in American culture.

The Human Tradition in Modern Japan Anne Walthall, 2002-01-01 The Human Tradition in Modern Japan is a collection of short biographies of ordinary Japanese men and women, most of them unknown outside their family and locality, whose lives collectively span the nineteenth and twentieth centuries. Their stories present a counterweight to the prevailing stereotypes, providing students with depictions of real people through the records they have left—records that detail experiences and aspirations. The Human Tradition in Modern Japan offers a human-scale perspective that focuses on individuals, reconstitutes the meaning of people's experiences as they lived through them, and puts a human face on history. It skillfully bridges the divides between the sexes, between the local and the national, and between rural and urban, as well as spanning crucial moments in the history of modern Japan. The Human Tradition in Modern Japan is an excellent resource for courses on Japanese history, East Asian history, and peoples and cultures of Japan.

Leisure in the Time of Coronavirus Brett Lashua, Corey W. Johnson, Diana C. Parry, 2022-03-27 As the world grapples with the coronavirus (COVID-19) pandemic, on almost every news website, across social media, as well as in its (many) absences, leisure has taken on new significance in both managing and negotiating a global crisis. Leisure in the Time of Coronavirus: A Rapid Response, amidst the disruption, inconvenience, illness, fear, uncertainty, tragedy, and loss from COVID-19, generates discussions that enable leisure scholars to learn and to engage with wider debates about the crucial role of leisure in people's lives. The pandemic has brought tourism to a standstill with borders closed and travel restricted. From home (for those fortunate enough to have them), in physical isolation, and in attempts to socialize, at no time in recent memory has leisure seemed so vital, and yet also so hauntingly absent. Leisure, therefore, remains an important lens through which to view, question, and understand the world. The chapters in this book were originally published as a special issue of the journal, Leisure Sciences.

Middle Schoolin' Frank Palacio,Paul Rallion,2009-08-28 Middle Schoolin' Read about the challenges, humor, and rewards of teaching, as well as classroom tragedies and successes, that take place in inner city public schools. These 50 vignettes describe human-interest, middle school events. Have you ever feared for your life? Have you ever been accused of something that was not your fault? Have you ever had a conversation with someone and they suddenly say something disrespectful? These scenarios emerge from real-life situations experienced by two Los Angeles middle school teachers. In Middle Schoolin, authors Paul Rallion and Frank Palacio share fifty vignettes garnered from their collective years working with teenage students. Based on interactions with students, parents, and other education professionals, the stories both educate and entertain and include anecdotes that are humorous, sad, tragic, hopeful, uplifting, and thought-provoking. The vignettes reveal the day-to-day challenges that teachers face and the rewards that are often bestowed as a result. From the knife-toting male to the watch-swiping student, and to the late-to-class-again girls, this collection provides a glimpse into the modern-day classroom. Addressing valuable moments in teaching, Middle Schoolin opens the classroom doors to provide an insight into the human element of education. It reinforces the idea that education can transform lives and that today's youth are the world's greatest resource.
