The High Aces Laurence La Tourette
Driggs,2010-03 Accounts of the 'Knights of the Sky' in the Great War For those interested in the most outstanding airmen of the Great War, this book will a highly satisfying read. The author has chronicled the aces of the allied forces and has enhanced his narrative with riveting accounts and first hand experiences and reports of the 'High Aces' in action. Within these pages the reader will discover the exploits of the Lafayette Escadrille, Roland Garros-possibly the first Ace, Guynemer, Lufbery, Fonck, Pinsard and many others of varied nationalities. The valiant flyers of the bomber force are also covered as is the contribution made by American pilots. The appendix includes a list of the Aces of all nations with their 'kills' and much other vital information. Available in soft cover and hard cover with dust jacket. A must for every one interested in the dogfights over the trenches.

- An easy-to-use, well-organized format. Whether you're new to the scene or a veteran collector, Goldmine Record Album Price

Guide is here to help!

Enduring Courage: Ace Pilot Eddie Rickenbacker and the Dawn of the Age of Speed John F.

Ross, 2014-05-13 The sensational true story of Eddie Rickenbacker, America's greatest flying ace At the turn of the twentieth century two new technologies—the car and airplane—took the nation's imagination by storm as they burst, like comets, into American life. The brave souls that leaped into these dangerous contraptions and pushed them to unexplored extremes became new American heroes: the race car driver and the flying ace. No individual did more to create and intensify these raw new roles than the tall, gangly Eddie Rickenbacker, who defied death over and over with such courage and pluck that a generation of Americans came to know his face better than the president's. The son of poor, German-speaking Swiss immigrants in Columbus, Ohio, Rickenbacker overcame the specter of his father's violent death, a debilitating handicap, and, later, accusations of being a German spy, to become the American military ace of aces in World War I and a Medal of Honor recipient. He and his high-spirited, all-too-short-lived pilot comrades, created a new kind of aviation warfare, as they pushed their machines to the edge of destruction—and often over it—without parachutes, radios, or radar. Enduring Courage is the electrifying story of the beginning of America's love affair with speed—and how one man above all the rest showed a nation the way forward. No simple daredevil, he was an innovator on the racetrack, a skilled aerial dualist and squadron

commander, and founder of Eastern Air Lines. Decades after his heroics against the Red Baron's Flying Circus, he again showed a war-weary nation what it took to survive against nearly insurmountable odds when he and seven others endured a harrowing three-week ordeal adrift without food or water in the Pacific during World War II. For the first time, *Enduring Courage* peels back the layers of hero to reveal the man himself. With impeccable research and a gripping narrative, John F. Ross tells the unforgettable story of a man who pushed the limits of speed, endurance and courage and emerged as an American legend.

Discover tales of courage and bravery in *Crafted by is empowering ebook, Unleash Courage in Sky Aces 18*. In a downloadable PDF format (PDF Size: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
