Slammer Tabatha Vargo, 2015-08-20 The last place Christopher Jacobs, aka X, thought he'd find himself was behind bars. Ten years later, the boy he used to be is gone. In his place is the shell of a man with murder under his belt. Any emotion he once had was left under the gavel when he was given life in prison. That is until the new nurse in the infirmary joins the block. Putting your hands on a prison employee will get you the hole, but some things are worth their punishment, and something tells him Lyla will be worth more than he bargained for. Lyla Evans isn't sure about her new job at a maximum security prison, but showing uncertainty and weakness isn't an option. Taking care of murders and rapist isn't ideal, but survival is key. She's warned ahead of time about a prisoner named X, but when she's attacked, it's the dangerous X that saves her. Fraternizing with the prisoners is forbidden, but sometimes the most forbidden things are the sweetest. ****WARNING**** This book is NOT for the faint of heart. If you have issues reading about abuse (physical or mental) then please DO NOT read this book. 18+ for sexual content, language, and violence. HOLY MOTHER OF ALL THINGS HOLY! What on earth did Tabatha do to my heart?! She ripped it out, stomped all over it, and shoved the broken thing back in... and I loved every minute of it. I think. ~Heather, Give Me Books I just cannot put into words how much I loved Slammer!!! Be prepared for a ride of a lifetime with X and Lyla! ~ Kara, Give

Me BooksA haunting, unconventional love story I will never forget. ~Ella James, USA TODAY bestselling author of SlothIf you're looking for a mushy sweet romance, this is not the book for you. If you want to read something that is unlike anything else out there and that will surprise you and leave you in complete shock, then READ THIS BOOK. Without a doubt the best book I've read in a long time. It's dark, twisted, violent, but it's unique and shocking and unpredictable. ~ Author Amy McClungI hope you're ready for the best mind fuck of your life, because this book is going to give it to you and give it good! ~ Michele, Devilishly Delicious Book Reviews

Cuba (Winner of the Pulitzer Prize) Ada Ferrer, 2022-06-28 In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued--through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country's future. Meanwhile, politics in Washington--Barack Obama's opening to the island, Donald Trump's reversal of that policy, and the election of Joe Biden--have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an ambitious chronicle written for an era that demands a new reckoning with the island's past. Spanning more than five centuries, *Cuba: An American History* reveals the evolution of the modern

nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the influence of the United States on Cuba and the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba. Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States--as well as the author's own extensive travel to the island over the same period--this is a stunning and monumental account like no other. --

(Un)Controlled Chaos Vance Nevada, 2022-08-19 The heroic feats of ring gladiators have taken wrestling fans on an emotional journey—living vicariously through every body slam, dropkick, and piledriver. The investment of the crowd is demonstrated by their roars of excitement, their cheers for their heroes, and their catcalls at nasty ring villains. (Un)Controlled Chaos: Canada's Remarkable Professional Wrestling Legacy re-lives those unforgettable moments between the ropes. It provides a fascinating snapshot

of the world behind the curtain, and a glimpse into the lives of the men and women who have both competed in the ring and served as the very architects of the industry.

Dash Shantel Tessier, 2015-06-22 I've never been one to follow the rules...or the law, for that matter. But when you find yourself behind bars and being offered the opportunity of a lifetime, you take it. I agreed to race motorcycles for Johnny Knight. A very powerful man who wanted me on his team, even knowing I was a liability. But will he still feel that way once he finds out that I had a one-night stand with his daughter? I didn't mean for it to happen. I didn't even know who she was until she walked into his office wearing my shirt from the night before. Too bad that was all she wanted-one night. It really didn't matter who she was, I wanted more. So when she ran, I followed. I should have let her go. That would have been best for both of us. But I have never done what was right, why start now? I've always been willing

to take a risk, no matter what it would cost me. And I knew she was worth it all. I'm Erik Dashling, you can call me Dash. This is my story of how I willing risked one dream for another. But everyone knows that now all dreams come true.
