Diversion A mystery, a murder, a cruise and an intelligent, feisty, likeable main character. What more could you ask for in a cozy? I read a lot of books and this is one of the best I have read in a long time. The plot is very imaginative and well thought out. The details of the cruise are spot on and made me feel as if I was there . . . This book reminded me of a modern-day Miss Marple (although considerably younger.) I rarely say this, but I can't wait for the next book. □□□□ A totally unique protagonist — witty, grounded, human. An intriguing crime venue. I hope there are many more in this series. □□□□ If the characters in this book don't remind you of people you've met...you are hiding under a big rock!! . . . Absolutely side ripping fun!! Looking forward to my next purchase of Secret Sleuth. □□□□ This is a great book! The premise is original and fun. . . . The dialogue is smart, witty, incisive, dryly humorous, and realistic. . . Sheila's descriptions of Petronella's reactions on boarding the ship had me snorting (in a ladylike fashion, of course) with laughter. □□□□ The mystery is clever and intricate... reminiscent of the Golden Era of British mysteries . . . I thoroughly enjoyed this book, and I am looking forward to reading more of this series. □□□□ This was a good mystery with a victim you hated and a bunch of crazy suspects, each of whom could've done it! A fun ride! □□□□ For all of you out there who love who-done-its and will read well beyond your bed time hour. □□□□ Now I want to go on a cruise! But only if I get to have some of the same adventures as Sheila. I enjoyed every part of this book. □□□□ A truly intricate puzzle that kept me guessing to the end. . . Looking forward to the next in the series. □□□□ This is one of the best mystery books I've read in a very long time! ... And I truly loved the main character!! I'm ordering the second book in this series as soon as I'm finished writing this review. Great book and I recommend it highly!! □□□□ I will definitely be following Sheila to her next home. □□□□ Starting in Death on Torrid Avenue, amateur sleuth Sheila returns to dry land, adopting rescue collie Gracie, and moving

into a new-to-her home, finding that mysteries abound in small-town Kentucky. Sleuth-blog Joyce Keller Walsh, 2012-09-01 What would you do if a friend tells you he can identify the killer in an old murder case? Would you advise him to go to the police? But what if the police were involved? And what if the victim was a well-known antique dealer...and firearms seller? And what if the Mafia were implicated? Would you walk away from the story? But what if you were a mystery writer? This is the true story of the author's two-year investigation of a 1969 unsolved murder in Fall River, Massachusetts. Written in blog form (that's like a journal to those outside the blogosphere), the reader follows along, step by step, as the author uncovers information about the case. The reader and author arrive at a surprising conclusion together.

Death on Carrion Lane (Secret Sleuth cozy mystery series, Book 6) Patricia McLinn, 2021-10-26 Reunion for murder in Haines Tavern Sheila agrees to soothe Clara's nervousness by accompanying her friend to the 20-year class reunion for North Bend County High. Nostalgia, good memories, old friendships - this should be fun, right? Ah, but grudges, old rivalries, and long-buried secrets also show up. And before the festivities wrap up, there's one old classmate dead, another being questioned, and enough suspicion to cover several more. Sheila and Clara have their hands full making sure the wrong person isn't accused and the right one doesn't get away. Especially with Sheila also wondering about her relationship with ex-policeman Teague O'Donnell, her fledgling attempts to write fiction, and - of course - the well-being of the canine crew of Gracie, LuLu, and Murphy. Death on Torrid Avenue (Secret Sleuth cozy mystery series, Book 2) Patricia McLinn, 2019-02-14 Paws for murder Far from the publishing world that once defined her, Sheila Mackey has found a new life, a new home, and a new love. The love has four legs, a plumey tail, and a lot of fur. Meet Gracie the rescue collie. Too smart for her own good – certainly too smart for Sheila's good, when Gracie discovers a dead body during a dog park gambol. Especially since Sheila delves into mysteries surrounding this dead body ... only to discover the new guy at the Torrid Avenue dog park is a barely retired cop. Not good for an amateur sleuth with a big secret of her own that she intends to keep. She's not exactly who she says she is. At least, she's not who she pretended to be for 15 years. Will Sheila untangle the murder mystery before her secrets are untied, exposing her previous identity to her new small-town neighbors? And will

Gracie ever learn the “Quiet!” command?
