United States. Patent Office

American Literature in Transition, 1910–1920 Mark W. Van Wienen, 2017-12-28 *American Literature in Transition, 1910–1920* offers provocative new readings of authors whose innovations are recognized as inaugurating Modernism in US letters, including Robert Frost, Willa Cather, T. S. Eliot, Ezra Pound, Gertrude Stein, H. D., and Marianne Moore. Gathering the voices of both new and established scholars, the volume also reflects the diversity and contradictions of US literature of the 1910s. 'Literature' itself is construed variously, leading to explorations of jazz, the movies, and political writing as well as little magazines, lantern slides, and sports reportage. One section of thematic essays cuts across genre boundaries. Another section oriented to formats drills deeply into the workings of specific media, genres, or forms. Essays on institutions conclude the collection, although a critical mass of contributors throughout explore long-term literary and cultural trends - where political repression, race prejudice, war, and counterrevolution are no less prominent than experimentation, progress, and egalitarianism.

US Army Combat Equipments 1910–88 Gordon L. Rottman, 2012-09-20 Whether referred to as web gear, TE-21, TA50, LBE or LCE, the American soldier's individual combat equipment was seldom praised – except by its developers. Nevertheless, it has always been, and will continue to be an essential part of the fighting man's burden. With the aid of plenty of contemporary photographs, diagrams, and eight full page colour plates by Osprey veteran Ron Volstad, Gordon Rottman's text unearths a wealth of information on the changing nature of US combat equipments from 1910-1988.

Silent Film Sound Rick Altman, 2004 Silent films were, of course, never silent at all. However, the sound that used to accompany the screen picture in the early days of cinema has been neglected as an area of study. Altman explores the various musical, narrative, and even synchronized sound systems that enriched cinema before Jolson spoke.
